

William's Facility Compliance Has Just Gotten Easier!

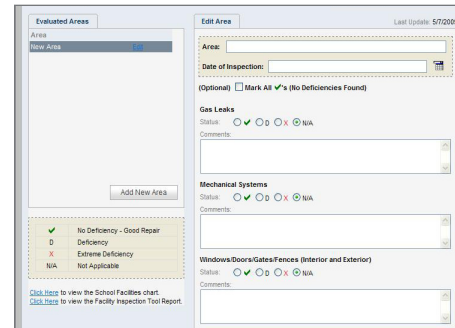

The Williams Settlement requires that districts evaluate the conditions of their school facilities and report their findings in their SARC. **SARCBUILDER™ Facilities Tracker** provides a powerful new web-based management tool for reporting and tracking school site facility conditions. Using this powerful new tool, districts will have central oversight ability for prioritizing projects, allocating resources, monitoring facility conditions, and SARC reporting with ease.

1. Add Areas of Evaluation

2. Enter Results of the F.I.T. inspection.

3. Update any repairs.
