#### Principal's Message

Welcome to Encinal High School, Home of the Jets. At Encinal High we are committed to providing a full range of academic, social and creative opportunities to help our students meet the challenges of life beyond high school. The Encinal community is a nurturing family. For over 50 years, people have been proud to call themselves Encinal Jets.

Our nationally recognized Advanced Placement and other academic programs have been instrumental in helping Encinal High students gain acceptance to many top universities. The Encinal Jet Music program has won numerous competitions for our Marching Band, Jazz Band and Flag Team. Athletic teams at Encinal High School have a tradition of success and our Art and Drama programs are a source of pride for the entire community.

Encinal High is a diverse, friendly and caring school community where student achievement is expected and creativity, kindness and humanity are valued. Take a close look at our SARC report because we are proud of our school. Look up our test scores for 2008-2009 and you will see that Encinal High increased their API by 36 points.

If you are interested in sending your child to Encinal High School please schedule a visit soon. It's a great school!

#### Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Encinal High at 510-748-4023.

#### School Profile

Encinal High is one of two comprehensive high schools in the Alameda City Unified. Curriculum is focused on California state standards. The school supports cultural awareness on a daily basis through its diverse literature selections.

During the 2008-2009 school year, 1,075 9th-12th grade students were enrolled at the school, with classes arranged on a traditional schedule.

#### Mission Statement

An intergrated community of confident learners

A safe and supportive environment,

Empowering and challenging students to ask how and why,

Honoring their achievement, and Structuring a foundation for their future.

#### Parent Involvement

Encinal High greatly benefits from its supportive parents who volunteer, fundraise, assist in many areas such as athletics, music and drama. Parents are also welcome to join any and all organizations including PTA, School Site Council and booster clubs. The school also benefits from several community partnerships, including 21st Century.

## Discipline & Climate for Learning

Students at Encinal High are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. Parents and students are informed of school rules and discipline policies through the Parent/Student handbook which is sent home at the beginning of the school year. The Suspensions and Expulsions table illustrates total cases for the last three years, as well as a percentage of enrollment. Suspensions are expressed in terms of total infractions, not number of students suspended, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives are exhausted. Students are encouraged to participate in the school's additional academic and extracurricular activities, which are an integral part of the educational program. These schoolwide and classroom incentives promote positive attitudes, encourage achievement, and aid in the prevention of behavioral problems. Extracurricular activities, clubs, and programs include: Key Club, California Scholarship Federation, French/Travel Club, National Honor Society, Red Cross and a variety of ethnic clubs. The school's interscholastic athletic programs promote individual and team-oriented achievement and self-esteem through school-sponsored teams that compete with other schools in the area. Athletic programs include: badminton, basketball, soccer, softball, swimming, tennis, volleyball, golf, track/field and water polo. School recognizes and celebrates the achievements and successes of students and staff on a regular basis. Students are recognized for their achievements during awards assemblies for such merits as Student of the Month and attaining an "Academic E."

## Safe School Plan

Safety of students and staff is a primary concern of Encinal High. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated October, 2006 by the School Safety Committee. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are held once a year. Students are supervised before and after school by a vice principal, and classified staff and vice principal supervise students during lunch. There is a designated area for student drop off and pick up. All visitors check in the office.

## School Facilities

Encinal High was originally constructed in 1950 and is comprised of 55 classrooms, 1 gym, 1 multipurpose room/cafeteria, 1 library, 1 staff lounge, 2 computer labs, and 1 playing field. Cleaning Process: The principal works daily with the custodial staff of 7 (6 full-time and 1 part-time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review. Maintenance and Repair District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. Deferred Maintenance Budget The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. For the 2008/09 school year the district allocated \$445,172 for deferred maintenance program. This represents .5% of the district's general fund budget. During the 2005 school year, the district's governing board did approve deferred maintenance projects for the school, which included Heating system upgrade.

## Teacher Assignment

Alameda City Unified recruits and employs the most qualified credentialed teachers. For the 2008-09 school year, Encinal High had 59 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

	Teacher Credential Status			District 08-09
	School 06-07	School 07-08	School 08-09	
Fully Credentialed	51	50	53	522
Without Full Credentials	5	4	3	25
Working Outside Subject	1	0	0	5

Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year. For the 2008-09 school year, the most current data are reported.

	Misassignments/Vacancies		
	06-07	07-08	08-09

## Highly Qualified Teachers

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified" no later than the end of the 2005-06 school year. Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

	NCLB Compliant Teachers	
	% of Core Academic Courses Taught By NCLB Compliant Teachers	% of Core Academic Courses Taught By Non-NCLB Compliant Teachers

Low-Poverty Schools in District	96.7%	3.3%

## Data Sources

Data within the SARC was provided by Alameda City Unified School District, retrieved from the 2007-08 SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

## Counseling & Support Staff

It is the goal of Encinal High to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. The counselor to pupil ratio is 1:350. The table lists the support service personnel available at Encinal High.

	Counseling & Support Services Staff	
	Number of Staff	Full Time Equivalent
Academic Counselor	3	1.0
Librarian/library media teacher	1	1.00

## Staff Development

Staff members build teaching skills and concepts by participating in many conferences and workshops throughout the year, then sharing their experiences and knowledge with district colleagues. The district dedicates 3 days to staff development annually. Topics for staff development during the 2007-08 school year included:

- Math Collaboration grades 6-12
- Departmental Collaboration grades 9-12
- Strategic Instruction Model grades 6-12

## Curriculum Development

All curriculum development in the is based on the California State Content Standards and Frameworks. Curriculum guides are updated regularly by the Director of Curriculum and Instruction and Assessment Coordinator to align with the state standards, district goals, and the statewide assessment program.

During the 2008/09, changes to the curriculum included:

- Adoption of new Houghton Mifflin California Math program for elementary schools, grades K- 5
- Adoption of new Houghton Mifflin California Math programs for 6-8th grade

## Physical Fitness

In the spring of each year, Encinal High is required by the state to administer a physical fitness test to all students in grade nine. The physical fitness test is a standardized evaluation that tracks the development of high-quality fitness programs and assists students in establishing physical activity as part of their daily lives. Results of student performance are compared to other students statewide who took the test.

Grade Level	Percentage of Students in Healthy Fitness Zone		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
<b>9</b>	<b>16.3%</b>	<b>31.9%</b>	<b>38.0%</b>

\*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

## California Standards Test

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards). The combined percentage of students scoring at the Proficient and Advanced levels in English/Language Arts, Math, Social Science, Science, for the most recent three-year period, is shown. Summative scores are not available for Math (grades 8-11), Science (available for grades 5 and 8 only), and grade 9 Social Science. For results on course specific tests, please see <http://star.cde.ca.gov>.

## Adequate Yearly Progress

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- Percent proficient on the state's standards-based assessments in ELA and Mathematics.
- API as an additional indicator.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP's, and the former school would be required to provide the transportation to the new site. Results of school and district performance are displayed in the chart.

Adequate Yearly Progress (AYP)				
Made AYP Overall	School		District	
	English - Language Arts	Mathematics	English - Language Arts	Mathematics
Met AYP Criteria	No	No	No	No
Participation Rate	Yes	Yes	Yes	Yes
Percent Proficient	No	No	No	No
API School Results	Yes		Yes	
Graduation Rate	Yes		Yes	

## National Assessment of Educational Progress

The National Assessment of Educational Progress (NAEP) is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and mathematics are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities (SD) and English language learners (ELL) is reported based on three levels (identified, excluded, and assessed). Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the National Assessment of Educational Progress Web page at <http://nces.ed.gov/nationsreportcard/>.

The first table displays the National Assessment of Educational Progress Results for reading (2007) and mathematics (2009) for grades four and eight by scale score and achievement level.

The second table displays the participation rates on the National Assessment of Educational Progress for reading (2007) and mathematics (2009) by students with disabilities and/or English language learners for grades four and eight.

NOTE: Only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either the LEA or the individual school.

## Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

## Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. On an interim basis, the state has set 800 as the API score that schools should strive to meet. Statewide Rank: Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school). Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

## Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the Alameda Free Library, 1550 Oak Street, which contains numerous computer workstations.

## Instructional Materials

AUSD held a Public Hearing on September 22, 2009, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. In addition, ASTI students use college texts provided in their classes at College of Alameda.

## Dropout & Graduation Rates

Encinal High believes that effective instruction consists of the continuous building of new concepts upon existing ones and requires regular attendance and participation.

Graduation & Dropout Rates			
	05-06	06-07	07-08
Dropout Rate	4.30%	1.80%	1.60%
Graduation Rate	92.70%	95.50%	95.40%

## District Expenditures

Alameda City Unified spent an average of \$7856.07 to educate each student, based on 2006-07 FY audited financial statements). The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

## District Revenue Sources

In addition to general state funding, Encinal High receives state and federal funding for the following categorical funds and other support programs:

- State Lottery
- 21st Century
- Other Federal
- Lottery: Instructional Materials
- Transportation Bus Replacement
- Immediate Intervention
- Other local
- Title VI Innovative Ed Strategies Formula Entitlements
- Class Size Reduction 9-12
- Medi-Cal Billing Option
- Teachers As a Priority (TAP)
- Economic Impact Aid
- IASA-VI Formula Entitlements
- Tenth Grade Counseling

## Instructional Time (Includes Minimum Days)

For the 2007-08, Encinal High offered 180 days of instruction, comprised of 180 regular days. All instructional time either met or exceeded the daily instructional minute requirements specified in the California Education Code. The state requires a minimum of 64,800 instructional minutes at grades 9-12. Encinal High School students attended school for 65,740 minutes.

## School Site Teacher Salaries

The chart illustrates the average teacher salary at the school and compares it to the average teacher salary at the district and state (based on FY 2007-08 financial statements).

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the districts budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE Web site.

## Completion of High School Graduation Requirements

Beginning with the graduating class of 2006, students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2006-07 school year in the 12th grade, the table displays by student group the percent who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/hs/>. Note: "\*" means that the student group is not numerically significant.

### Completion of High School Graduation Requirements

## California High School Exit Exam (CAHSEE)

The California High School Exit Exam is primarily used as a graduation requirement in California, but the results of this exam are also used to determine Adequate Yearly Progress (AYP) for high schools, as required by the Federal No Child Left Behind (NCLB) law. The CAHSEE has an English language-arts section and a math section and, for purposes of calculating AYP, three performance levels were set: Advanced, Proficient, and Not Proficient. The score a student must achieve to be considered Proficient is different than the passing score for the graduation requirement.

The first table displays the percent of students achieving at the Proficient or Advanced level for the past three years.

The second table displays the percent of students, by group, achieving at each performance level in English language-arts and math separately for the most recent testing period.

## Career Technical Education Participation

This table displays information about participation in the school's Career Technical Education (CTE) programs.

## College Entrance Info

California high school students have two options for attending public universities in the State: Universities of California (UC), or California State Universities (CSU). There are eight UC campuses statewide, and 28 CSU schools. A college preparatory high school program includes a minimum of the following courses, referred to as the "A-G requirements."

- A: Two years of history/social science
- B: Four years of English
- C: Three years of college preparatory mathematics (Four recommended for UC)
- D: Two years of laboratory science (Three recommended for UC)
- E: Two years of a single language other than English (Three recommended for UC)
- F: One year of visual/performing arts
- G: One year of a college preparatory elective in one of the above subjects

All courses must be completed with a grade of "C" or better. The minimum GPA required for admission to a UC is 3.15, and 2.0 for the CSU system. For more information about admissions to UC schools, please visit [www.ucop.edu/pathways](http://www.ucop.edu/pathways). To prepare for entrance to a CSU school, visit [www.csumentor.edu](http://www.csumentor.edu).

## Advanced Placement Classes

Encinal High encourages students to continue their education past high school. Encinal High offers Advanced Placement (AP) courses for those students seeking to qualify for college credit. Juniors and seniors achieving a score of three, four, or five on the final AP exams qualify for college credit at most of the nation's colleges. During the 2008/09, 411 students participated in taking the exams. Of the 411 students, 213 students scored a "3" or better for a 52% pass rate.
