SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC) by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at http://www.cde.ca.gov/ta/ac/sa/.
- · View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents and community members should contact the school principal or the district office.

District Mission Statement

The mission of the New Haven Unified School District, a partnership of students, families, staff, and our richly diverse community, is to develop and empower EVERY student to be a productive, responsible and successful 21st-century citizen by creating an exemplary, inclusive educational system characterized by a safe, caring learning environment and a challenging, comprehensive curriculum that ensures academic proficiency.

School Profile (School Year 2015-16)

New Haven Unified School District includes Union City and part of south Hayward. We are proud of the accomplishments of our diverse student population. Our mission is to develop and empower every student to be productive, responsible and successful.

The district consists of seven elementary schools, two middle schools, two high schools, a student support center, School for Independent Study and Home School, and an adult school.

Decoto School has students in grades K through twelve.

Enrollment By Ethnicity Or Student Group (School Year 2014-15)

This chart illustrates the enrollment trend by ethnicity or student group.

Enrollment by Student Group						
2014-15						
	Percentage					
Black or African American	6.1%					
American Indian or Alaska Native	0.8%					
Asian	5.3%

English Learners	13.0%					
Socioeconomically Disadvantaged	47.3%					
Students with Disabilities	-					
Foster Youth	0.8%					

School Attendance & Enrollment (School Year 2014-15)

Regular attendance is a necessary part of the learning process and is critical to academic success. Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered.

Parents are advised of their responsibilities, including proper notification of when and why students are absent. Student attendance is monitored very closely and phone calls to parents are made. Letters will be sent home if absences become a problem.

This chart illustrate the enrollment trend by grade level for the past three school years.

Conditions of Learning	
State Priority: Basic	

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- · Pupils have access to standards-aligned instructional materials; and
- · School facilities are maintained in good repair.

Highly Qualified Teachers (School Year 2014-15)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified". Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: http://www.cde.ca.gov/nclb/sr/tq/.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

Fully Credentialed	6	6	6	464				
Without Full Credentials	0	0	0	5				
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0				

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Instructional Materials (School Year 2015-16)

New Haven Unified School District held a Public Hearing on October, 2015 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, as of November

School Facilities & Safety (School Year 2015-16)

Decoto School For Independent Study is located on the New Haven Adult School Campus. It is comprised of four classrooms.

Cleaning Process

The principal works with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. At time of publication 100% of all restrooms were in working condition. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar–for–dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its predecessor the Standardized Testing and Reporting Program); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress

California EC Section 60640 authorized the replacement of the Standardized Testing and Reporting (STAR) Program with a new assessment program, referred to as the CAASPP. All students in grades three through eight and eleven were assessed using computer-based tests in English/Language Arts and Mathematics; students in grades five, eight, and ten were also tested in Science. Science assessments were paper-based and included California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA).

Students receive an overall score for each subject, ranging from 2,000 to 3,000.

Overall scores are reported within one of four levels:

- · Performance Level 1: Standard not met Needs substantial improvement for success in future coursework.
- Performance Level 2: Standard nearly met May require further development for success in future coursework.
- Performance Level 3: Standard met Demonstrates progress toward mastery.
- · Performance Level 4: Standard exceeded Demonstrates advanced progress toward mastery.

ELA results include information about the students' performance in the areas of reading, writing, listening, and research. Reports of mathematics results include information about students' performance in problem solving, using concepts and procedures, and communicating mathematical reasoning.

The table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English Language Arts/Literacy (grades 3-8 and 11) and math (grades 3-8 and 11).

The following table display information on student achievement at each performance level in English/Language Arts and Mathematics for the school by student groups for grades three through eight and eleven.

Due to the moderate number of students tested, subgroup scores for grades 6-8 are not disclosed.

California Assessment of Student Performance and Progress

Percent of Students Meeting or Exceeding the State Standards

Subject	School	District	State
English Language Arts/Literacy (Grades 3-8 and 11)	32	43	44
Mathematics (Grades 3-8 and 11)	5	34	33

Note: A student is defined as socioeconomically disadvantaged if the student was eligible for the free or reduced-price lunch program (also known as the National School Lunch Program or NSLP), migrant, foster youth or homeless, or neither of the student's parents was a high school graduate.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Standards Test

The California Standards Test (CST), a component of the CAASPP Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in Science, for the most recent three-year period.

^{*}Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

The second table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

For detailed information regarding the results for each grade and performance level, see the CDE CAASPP Results Web site at http://caaspp.cde.ca.gov/caaspp2015/Index.aspx.

Career Technical Education (School Year 2014-15)

Decoto School career planning program prepares students to succeed in real-world contexts through the development of conceptual thinking, effective communication, and the ability to apply knowledge and skills learned in the classroom. Instructors have directed efforts toward establishing school-to-work structures within each curricular area for all students, including those with special needs.

Courses are identified as introductory, concentration or capstone. The following CTE courses are offered either at New Haven Unified School District or the Mission Valley Regional Occupation Program (ROP).

- · Auto Body Painting and Refinishing 1, 2
- Automotive Technology 1, 2
- Biotechnology 1, 2

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority:

• Pupil outcomes in the subject areas of English, mathematics, and physical education.

Physical Fitness (School Year 2014-15)

In the spring of each year, the school is required by the state to administer a physical fitness test to all students in grade five, seven, and nine. The physical fitness test is a standardized evaluation that tracks the development of high-quality fitness programs and assists students in establishing physical activity as part of their daily lives. Results of student performance are compared to other students statewide who took the test. Due to the moderate number of students tested, school scores are not disclosed.

California High School Exit Examination (CAHSEE) Results for All Grade Ten Students (School Year 2014-15)

The California High School Exit Exam is primarily used as a graduation requirement in California, but the results of this exam are also used to determine Adequate Yearly Progress (AYP) for high schools, as required by the Federal No Child Left Behind (NCLB) law. The CAHSEE has an English/language arts section and a math section and, for purposes of calculating AYP, three performance levels were set: Advanced, Proficient, and Not Proficient. The score a student must achieve to be considered Proficient is different than the passing score for the graduation requirement. The table displays the percent of students achieving at the Proficient or Advanced level for the past three years.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- · High school dropout rates; and
- High school graduation rates.

Completion of High School Graduation Requirements - Class of 2014

Beginning with the graduating class of 2006, students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2013-14 school year in the 12th grade, the table displays by student group the percent who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CDE website at http://www.cde.ca.gov/ta/tg/hs/.

Safe School Plan (School Year 2015-16)

Safety of students and staff is a primary concern of Decoto School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated in the fall by the School Safety Committee. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a monthly basis. Lockdown drills are held twice a year. Students are supervised before and after school by teachers and the principal. Visitors must sign in at the main office, and wear a badge while on campus.

Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Adequate Yearly Progress (School Year 2014-15)

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for mathematics and English/language arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/language arts (ELA) and mathematics.
- · Percent proficient on the state's standards-based assessments in ELA and mathematics.
- · Graduation rate (for secondary schools).

There are several consequences for Title I funded schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP's, and the former school would be required to provide the transportation to the new site. Results of school, district, and state performance are displayed in the chart.

Adequate Yearly Progress (AYP)

Federal Intervention Program (School Year 2015-16)

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/language arts or mathematics) or on the same indicator (graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

For detailed information about PI identification, see the CDE PI Status Determinations Web page: http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Counseling & Support Staff (School Year 2014-15)

It is the goal of Decoto School for Independent Study to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. The counselor to pupil ratio is 1:149. The table lists the support service personnel available at Decoto School for Independent Study. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Computer Resources

Decoto School has WiFi and each student in grades 6-12 are provided a Chromebook to use. Funding for Chromebooks came from the Race to the Top Grant

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the public libraries located throughout Alameda County, which contain numerous computer workstations. For information on hours and locations, please visit http://www.aclibrary.org/.

Staff Development

With the receipt of the Federal Race to the Top Grant, New Haven teachers, depending on school site, were able to receive professional development in Technology Integration, Math Studio, Comprehension at the Core, Reading Apprenticeship, Restorative Justice, Academic Parent Teacher Teams, and Oral Language Development. All of these opportunities pertained to supporting teachers with the implementation of the Common Core State Standards and 21st Century Education that prioritizes Critical Thinking, Collaboration, Communication, Creativity, and Cultural Competence. For the past three years, the district did not have any staff development days.

DataOuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
