Principal's Message

Welcome to the Home of the Wolves, San Ramon Valley High School (SRVHS). SRVHS serves students grades nine through twelve. Our school has a long standing tradition of excellence in education. SRVHS had its beginning in 1910. The present site was purchased in 1917 and it served as the only secondary school in the district until 1965.

San Ramon Valley High School has a strong college preparatory program that includes many honors and A.P. courses. Ninety-six percent of our students advance to post-secondary education. As a comprehensive high school, SRVHS offers courses in art, business, choral and instrumental music, drama, technology, and physical education. Students also have the opportunity to take accelerated classes at the University of California, Berkeley, Diablo Valley College, and Cal State East Bay. We suggest that our students explore these areas as well as courses offered by the Regional Occupation Program.

We encourage all students to become involved in the many co-curricular activities available, such as the boys' and girls' athletic programs, academic competitions, a variety of student clubs, many different visual arts programs, and student government.

The staff at San Ramon Valley High School is made up of excellent teachers, counselors, administrators, and support personnel who are dedicated to helping our students develop and achieve their goals.

Our high school is focused on student learning and is striving to become a professional learning community. We are currently answering four basic questions:

- What do we want our student to know and/or do?
- How do we know they have learned it/can demonstrate it?
- What do we do if they cannot?
- What do we do for those who can?

To find the answers to those questions, we have implemented the following steps:

Step One: We have established departmental and course level teams who are collaborating on what we want students to know and do. These teams are talking about and sharing ideas about curriculum and the pacing of that curriculum.

Step Two: Departments and course level teams have been asked to create formative assessments, to analyze the data generated by these assessments, and to make the necessary instructional adjustments to ensure student learning.

Step Three: Providing systematic intervention for those students who are not learning. Over the next year, we will be conducting departmental and school-wide brainstorming sessions as to which intervention strategies will work best at San Ramon Valley High School.

Sincerely,

Joseph A. Ianora, Principal

(Email jianora@srvhs.org)

Mission Statement

The San Ramon Valley High School community empowers students to achieve their educational potential.

Vision Statement

We are committed to foster the intellectual, physical and social development of each student; to teach all students how to learn so that intellectual growth may continue throughout life; to model tolerance and respect for self and others in order to promote team work and community effort in our multi-cultural society; and to help students link learning to personal visions and goals for self and for society so that they may help to shape the world in which they will live.

ESLRs

1. San Ramon Valley High School students will demonstrate curricular knowledge and skills.
2. San Ramon Valley High School students will demonstrate creative and complex thinking.
3. San Ramon Valley High School students will demonstrate effective communication.
4. San Ramon Valley High School students will demonstrate integrity and responsibility.

School Profile

San Ramon Valley High School, established in 1910, is a National Blue Ribbon school, a three-time State Distinguished school, and a fully WASC-accredited public high school. The school is located in downtown Danville, a Contra Costa County community approximately 35 miles east of San Francisco. The community is made up primarily of professional and upper management residents.

Student Enrollment by Ethnic Group	
2007-08	
	Percentage
African American	0.9%
American Indian	0.1%
Asian	6.7%
Caucasian	79.4%
Filipino	1.0%
Hispanic or Latino	3.8%
Pacific Islander	0.1%
Multiple or No Response	8.0%

Discipline & Climate for Learning

San Ramon Valley High School provides many events and activities that foster a positive learning environment and enthusiastic school culture. Notable among the many activities at SRVHS, serving a diverse student body, are the following:

- School Newspaper and Yearbook
- An Active and Involved Student Council
- An Outstanding Performing Arts Program
- An Extensive Athletic Program
- A Broad Range of Service Clubs
- National Honor Society
- California Scholarship Foundation
- Safe School Ambassadors
- Academic Letters
- Active Speech & Debate
- Academic Decathlon
- Renaissance Student Recognition Program
- Two Leadership Classes
- Over 30 Clubs
- Every 15 Minutes
- Senior Experience Program
- Environmental & Engineering Academy
- Youth & Government
- Good Will Hunters
- Model U.N.

SRVHS follows a progressive discipline plan. Students receive consequences based on their actions, beginning with a warning, and moving to suspension or expulsion if the action warrants based on ED Code. The safety of the school is our number one priority, with our discipline guidelines established to create a safe, caring campus mindful of the needs of our students.

	Suspensions & Expulsions					
	School			District		
	05-06	06-07	07-08	05-06	06-07	07-08
Suspensions	86	88	91	943	968	1141
Suspension Rate	4.0%	4.1%	4.3%	4.0%	3.9%	4.4%
Expulsions	0	1	2	5	10	26
Expulsion Rate	0.0%	0.0%	0.1%	0.0%	0.0%	0.1%

Class Size

Average class sizes vary by grade level and subject area taught. In addition to credentialed teachers, students may receive assistance in the classroom from other paraprofessionals. The type of "para" differs from site to site, depending on grade level, need, funding and staff discretion. The table indicates the average class size by grade level or subject area, as well as the number of classes offered in reference to their enrollment.

	Class Size Distribution											
	Average Class Size			Classrooms Containing:								
				1-20 Students			21-32 Students			33+ Students		
06	07	08	06	07	08	06	07	08	06	07	08	
English	26	27	26	28	31	34	49	19	36	5	29	15
Mathematics	26	26	26	29	31	32	29	18	21	16	24	21
Science	31	32	32	2	3	3	35	20	21	21	34	32
Social Science	33	33	33	2	2	4	15	23	23	46	43	38

Enrollment By Grade

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, students who attend school on a regular basis and are on time are more likely to be academically successful. Attendance and punctuality are emphasized so that the continuity of the educational program can be maintained. Our staff carefully monitors student attendance to identify those students exhibiting excessive absences and offers assistance when necessary.

	Enrollment Trend by Grade Level		
	2005-06	2006-07	2007-08
The total 2008-2009 enrollment at San Ramon Valley High School was 2080.			
9th	538	544	530
This chart illustrates the enrollment trend by grade level for the past 3 school years.			
10th	560	544	543
11th	521	546	528
12th	519	504	515

Curriculum Development

Leadership and decision making is a shared process at San Ramon Valley High School. Our present shared decision-making model revolves around two district group processes. Curriculum Leaders meet on a weekly basis with the school administrative team. Each department meets on a monthly basis to discuss schoolwide and departmental issues. Information, suggestions, and proposals are exchanged between department representatives, classified employees, parents, counselors, administrators, and students. Once proposals have gone through the steering committee and department channels, it is the goal of the staff to make policy decisions in the whole-staff meeting by consensus.

In addition, the School Site Council functions as a group of teachers, parents, classified employees and students to oversee the School Improvement Program (SIP).

Instructional Materials

Standards-aligned and Board of Education-approved textbooks and instructional materials are available to all students including English learners to use in the classroom and to take home to complete required homework assignments. SRVUSD curriculum adoptions are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education in the following areas: reading/language arts; mathematics; science, including grades 9-12 science laboratory equipment; history/social science; and world languages. Health curriculum was adopted in 2006, and the Social Studies curriculum in 2006-07. We have just completed the Science adoption in 2007-08 and are currently reviewing Math materials which will be implemented into the classroom curriculum in the fall of 2009.

For a complete list of textbooks and literature used by schools in the district, go to http://www.srvusd.k12.ca.us/apps/pages/index.jsp?dir=100%20Chart%20of%20Textbooks&id=6&termREC_ID=&n=8384091&leftDir=3&type=d&uREC_ID=42495

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in the cities of Danville and San Ramon, or any of the Contra Costa County libraries, all of which contain numerous computer workstations. (The Walnut Creek Library is currently in a demolition/construction phase.)

Science Lab Equipment

The school stocks an adequate supply of equipment for its students. Inventory includes, but is not limited to: microscopes, slides, ring stands, clamps, support rings, utility clamps, test tubes, test tube holders and brushes, tongs, flasks, beakers, and Bunsen burners. For more information, please call the school office.

College Entrance Info

California high school students have two options for attending 4-year public universities in the State: Universities of California (UC), or California State Universities (CSU). There are eight UC campuses statewide, and 28 CSU schools.

A college preparatory high school program includes a minimum of the following courses, referred to as the "A-G requirements."

- A: Two years of history/social science
- B: Four years of English
- C: Three years of college preparatory mathematics (Four recommended for UC)
- D: Two years of laboratory science (Three recommended for UC)
- E: Two years of a single language other than English (Three recommended for UC)
- F: One year of visual/performing arts
- G: One year of a college preparatory elective in one of the above subjects

All courses must be completed with a grade of "C" or better. The minimum GPA required for admission to a UC is 3.15, and 2.0 for the CSU system. For more information about admissions to UC schools, please visit www.ucop.edu/pathways. To prepare for entrance to a CSU school, visit www.csumentor.edu.

For students not ready for a 4-year university, California has a very good community college program. For information regarding entrance into the California Community College system, please visit <http://www.collegebound.net>.

Advanced Placement Classes

San Ramon Valley High encourages students to continue their education past high school. San Ramon Valley High offers Advanced Placement (AP) courses for those students seeking to qualify for college credit. Sophomores, juniors and seniors achieving a score of three, four, or five on the final AP exams qualify for college credit at most of the nation's colleges. During the 2007-08 school year, 785 AP Exams were taken. Of these, 598 scored a "3" or better (66%).

Advanced Placement Classes

	# of Courses	Enrollment
Computer Science	1	13
English	2	117
Foreign Language	2	61
Mathematics	2	185
Music	1	19
Science	4	252
Social Science	6	303
Totals	18	950
Percent of Students in AP Courses		7.5%

UC/CSU Course Completion

Students at San Ramon Valley High are encouraged to take University of California/California State University (UC/CSU) preparatory courses if they plan to attend a four-year university. All students must pass each course with a grade no lower than a 'C'.

UC/CSU Course Enrollment

	Percentage
% of Student Enrollment in Courses Required for UC/ CSU Admission	81.9%
% of Graduates Who Completed All Courses Required for UC/CSU Admission	71.7%

* Duplicated Count (one student can be enrolled in several courses).

Dropout & Graduation Rates

San Ramon Valley High believes that effective instruction consists of the continuous building of new concepts upon existing ones and requires regular attendance and participation. In hopes of preventing and reducing dropouts, the following programs are made available to students: Referrals to Del Amigo and Venture, 1802 Counseling, and tutoring services.

Graduation & Dropout Rates			
	04-05	05-06	06-07
Dropout Rate	0.10%	0.33%	0.42%
Graduation Rate	99.30%	99.00%	99.20%

Completion of High School Graduation Requirements

Students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2007-08 school year in the 12th grade, as evidenced by that school year's October CBEDS enrollment, this table displays by student group the percent who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CAHSEE Web page, <http://www.cde.ca.gov/ta/tg/hs/>. Note: "N/A" means that the student group is not numerically significant.

Completion of High School Graduation Requirements			
	School	District	State
African American	1.3%	2.0%	*
American Indian	0.0%	0.5%	*
Asian	7.2%	14.2%	*
Filipino	0.4%	2.1%	*
Hispanic or Latino	5.0%	5.8%	*
Pacific Islander	0.0%	0.3%	*
Caucasian	79.0%	70.0%	*
Multiple or No Response	6.3%	5.0%	*

* Data was not available at the time of publication.

California High School Exit Exam (CAHSEE)

The California High School Exit Exam (CAHSEE) is primarily used as a graduation requirement in California, but the results of this exam are also used to determine Adequate Yearly Progress (AYP) for high schools, as required by the Federal No Child Left Behind (NCLB) law. The CAHSEE has an English language-arts section and a math section and, for purposes of calculating AYP, three performance levels were set: Advanced, Proficient, and Not Proficient. The score a student must achieve to be considered Proficient is different than the passing score for the graduation requirement. The first table displays the percent of students achieving at the Proficient or Advanced level for the past three years. The second table displays the percent of students, by group, achieving at each performance level in English language-arts and math separately for the most recent testing period.

CAHSEE By Subject									
	2005-06			2006-07			2007-08		
	School	District	State	School	District	State	School	District	State
English	86.9	84.0	51.1	85.3	85.9	48.6	92.2	89.1	52.9

Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet. Statewide Rank: Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school). Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

California Standards Test

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards). The combined percentage of students scoring at the Proficient and Advanced levels in English/Language Arts, Math, Social Science, Science, for the most recent three-year period, is shown. Summative scores are not available for Math (grades 8-11), Science (available for grades 5 and 8 only), and grade 9 Social Science. For results on course specific tests, please see <http://star.cde.ca.gov>.

Adequate Yearly Progress

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014.

Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

The San Ramon Valley Unified School District has no schools in Program Improvement.

Federal Intervention Programs

	School	District
Program Improvement (PI) Status	Not in PI	Not in PI
First Year in PI	-	-
Year in PI (2008-09)	-	-
# of Schools Currently in PI	-	0
% of Schools Identified for PI	-	0.00%

Physical Fitness

In the spring of each year, schools in California are required by the state to administer a physical fitness test to all students in grades five, seven, and nine. The physical fitness test measures each student's ability to perform fitness tasks in six major areas: Aerobic Capacity, Body Composition, Trunk Extension Strength, Abdominal Strength, Upper Body Strength, and Flexibility. Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone" (HFZ). During the 2007-08 school year, 81% of fifth, seventh and ninth grade students in the San Ramon Valley Unified School District either met or exceeded state fitness standards. For this school's percentage comparisons, see the chart and data tables below.

Percentage of Students in Healthy Fitness Zone 2007-08 Test Results

9th Grade	
School	
School Overall	57.3%
School (Boys)	58.3%
School (Girls)	56.4%
District	
District Overall	60.5%
District (Boys)	59.2%
District (Girls)	61.7%
State	
State Overall	35.6%
State (Boys)	36.7%
State (Girls)	34.5%

*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- Percent proficient on the state's standards-based assessments in ELA and Mathematics.
- API as an additional indicator.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP's, and the former school would be required to provide the transportation to the new site. Results of school and district performance are displayed in the chart.

Adequate Yearly Progress (AYP)				
Made AYP Overall	School		District	
	English - Language Arts	Mathematics	English - Language Arts	Mathematics
Met AYP Criteria	Yes	Yes	Yes	Yes
Participation Rate	Yes	Yes	Yes	Yes
Percent Proficient	Yes	Yes	Yes	Yes
API School Results	Yes		Yes	
Graduation Rate	Yes		Yes	

Career Technical Education (CTE) Programs

Information about the degree to which pupils are prepared to enter the workforce, including: a list of career technical education (CTE) programs offered by the district that pupils at the school may participate in and that are aligned to the applicable model curriculum standards.

The Contra Costa County Office of Education's Regional Occupational Program offers courses through the San Ramon Valley Unified School District. They are available to district students 16 years or older at one of our three comprehensive high schools.

These ROP classes are:

Sports Medicine, Careers with Children, Restaurant/Catering, Automotive Technology, Introduction to Business, Exploratory Art & Design, Journalism, Art of Video Production, AP Environmental Science, Introduction to Law, AP Environmental Engineering, Photography, Computer Applications, Web Design, Careers in Teaching, Newspaper/Journalism, Digital Arts & Design for Web, TV Video Production, Fashion Design, Robotics, Engineering Technology, Marketing, Analytical Forensic Science and Fire Science.

Career Technical Education Participation

This table displays information about participation in the school's Career Technical Education (CTE) programs.

Enrollment & Program Completion in Career/ Technical Education (CTE) Programs (Carl Perkins Vocational and Technical Education Act)	
Question	Response
How many of the school's pupils participate in CTE?	701
What percent of the school's pupils complete a CTE program and earn a high school diploma?	35.0
What percent of the school's CTE courses are sequenced or articulated between the school and institutions of post secondary education?	100.0

Counseling & Support Staff

It is the goal of San Ramon Valley High to assist students in their social and personal development as well as academics.

The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. The counselor to pupil ratio is 1:364. The table lists some of the support service personnel available at San Ramon Valley High.

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
Academic Counselor	6	5.05
Campus Security Officers	1	1.0
Career Specialist	2	1.2
Librarian	1	1.0
Library Media Assistant	1	.49
Nurse	1	0.2
Psychologist	2	1.4
Resource Specialist	5	5.0
Resource Specialist Assistant	4	3.75
School Resource Officer	1	1.0
Speech/Language/Hearing Specialist	1	1.0

School Facilities

San Ramon Valley High School serves not only the San Ramon Valley High School community, but also the greater public of the San Ramon Valley through the many community activities staged at the school. The facility is maintained through the diligent efforts of the site custodial crew and district maintenance staff as well as an outside landscape corporation. The students leadership group formed "Captain Planet" a campus clean up program. The school community, through the Leadership class, Booster groups, and service groups, has also contributed to the care of the facility.

School Facility Conditions				
Date of Last Inspection: 06/30/2008				
Overall Summary of School Facility Conditions: Exemplary

A new 400 seat Performing Arts Theater was completed in 2002-03. Phase 1 construction which includes a new library/media center, cafeteria/commons was completed at the end of 2006. Phase 2 which includes a 2 story classroom building and a new small gym was started in the summer of 06 was completed for use in fall 08.

Deferred Maintenance

For the 2007-08 school year the district spent \$1,404,716 for district-wide deferred maintenance. This represents .5% of the district's general fund budget. In 2008, the SRVUSD governing board approved \$87,223 in deferred maintenance projects for this school, which included roofs for 9 classrooms, resurfacing the tennis courts, asphalt by the trash bins and breezeway repairs. In addition, the district targeted \$136,247 in projects at multiple sites, which included roof, paving and floor repairs, HVAC replacements and upgrades to the Energy Management Systems.

Safe School Plan

San Ramon Valley High School has long-established procedures that help assure a safe and orderly campus for students. During lunch juniors and seniors are allowed to leave campus; freshmen and sophomores must remain on the supervised campus. Visitors must check in at the office. A nurse is on duty one day per week. A recent survey indicates over 95% of our students, parents, and staff feels this is a safe environment. SRVHS is designated as a community shelter in case of a general emergency, and appropriate procedures and equipment are in place. The school safety plan is updated annually. A School Resource Office is a member of our staff. We also have two full time campus supervisors.

Highly Qualified Teachers

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified" no later than the end of the 2005-06 school year. Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

NCLB Compliant Teachers		
	% of Core Academic Courses Taught By NCLB Compliant Teachers	% of Core Academic Courses Taught By Non-NCLB Compliant Teachers
School	97.3%	2.7%
District	97.0%	3.0%
High-Poverty Schools in District	0.0%	0.0%
Low-Poverty Schools in District	97.0%	3.0%

Staff Development

Staff development is funded by the School Improvement Program. Release days for whole-staff professional training are made possible in SRVUSD through the School-Based Coordination Act. We have a total of three staff development days this year. An adjusted Tuesday morning schedule provides additional time for staff development to occur.

Substitute Teachers

Each teacher is responsible for contacting the substitute service when he/she is absent. The district has a substitute handbook, and the regular classroom teacher provides daily lesson plans. The district has made a significant effort to reduce the amount of time students are served by a substitute. At the same time, the district recognizes that there are many occasions when a substitute is necessary and has taken steps to insure an adequate pool of well-qualified substitutes is available.

Teacher Assignment

San Ramon Valley Unified recruits and employs the most qualified credentialed teachers. For the 2007-08 school year, San Ramon Valley High had 88 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

	Teacher Credential Status			District
	School	School	School	
	05-06	06-07	07-08	07-08
Fully Credentialed	90	89	88	1270
Without Full Credentials	6	8	10	64
Working Outside Subject	0	0	0	20

Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year.

	Misassignments/Vacancies		
	06-07	07-08	08-09
Misassignments of Teachers of English Learners	0	0	1
Misassignments of Teachers (other)	0	0	0
Total Misassignments of Teachers	0	0	1
Vacant Teacher Positions	0	2	0
