**MISSION STATEMENT**

To develop a sound academic foundation and physical and social skills for each student; provide a positive experience in a secure, supportive environment; and encourage students to become responsible citizens who contribute to the world around them.

**DISTRICT & SCHOOL PROFILE**

Auburn Union School District serves the foothill community of Auburn, located 40 miles northeast of Sacramento on the western slope of the California High Sierra. AUSD educates 2,230 students in grades kindergarten through eighth at three elementary schools and one middle school.

During the 2007-08 school year, E. V. Cain Middle School had 718 sixth through eighth grade students enrolled at the school. The table illustrates student demographics.

**Student Enrollment by Ethnic Group**

**2007-08**

	Percentage
African American	0.8%
American Indian	2.1%
Asian	2.2%
Caucasian	77.6%
Filipino	0.8%
Hispanic or Latino	15.3%
Pacific Islander	0.1%
Multiple or No Response	1.0%

**DISCIPLINE & CLIMATE FOR LEARNING**

Students at E. V. Cain Middle School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. Parents and students are informed of school rules and discipline policies through the Student/Parent Handbook, which is sent out at the beginning of the year, the monthly Cat Pause newsletters, touching bases, webpage, and Connect-Ed (autodialer). School rules are reviewed with students at assemblies and classroom meetings.

The Suspensions and Expulsions table illustrates total cases for the last three years, as well as a percentage of enrollment. Suspensions are expressed in terms of total infractions, not number of students suspended, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives are exhausted.

	<b>Suspensions &amp; Expulsions</b>					
	<b>School</b>			<b>District</b>		
	05-06	06-07	07-08	05-06	06-07	07-08

Expulsions	13	12	3	14	12	3
Expulsion Rate	1.5%	1.6%	0.4%	0.6%	0.5%	0.2%

**EXTRACURRICULAR ACTIVITIES**

Students are encouraged to participate in the school's additional academic and extracurricular activities that are an integral part of the educational program. These schoolwide and classroom incentives promote positive attitudes, encourage achievement, and aid in the prevention of behavioral problems.

Students can participate in lunch time intra-mural sports. The winning teams receive a school t-shirt and are recognized at rallies. Additional extracurricular activities, sports, and programs include:

- E.V. Cain Theatre Company
- Builders Club
- Volleyball (boys & girls)
- Basketball (boys & girls)
- Soccer
- Boys and Girls Club
- Musicals and Plays
- Cross Country
- Flag Football
- Choir
- Project Fit
- Cycling Club
- Wrestling
- Softball
- 4H
- Chess
- Photography
- Track

## STUDENT RECOGNITION

Certificates, ribbons, prizes, and various other awards are given to students at assemblies and special presentations throughout the school year. E. V. Cain Middle School holds rallies where students are recognized for Straight A's, Most Improved, sports, band, dance team, and musical participants. Students can also be recognized as the Student of the Month. Other recognitions and awards include:

- Lunch with the Principal
- Valedictorian (eighth grade)
- Wildcat Bucks (trimester drawings for gift certificates and IPOD)
- Perfect Attendance (trimester drawing for gift certificates)

## HOMWORK

E. V. Cain Middle School believes homework is a fundamental part of the learning process that helps to develop basic academic and study skills as well as promote student responsibility and self-discipline. Homework is assigned to students on an individual basis by their teachers. The assignments may be nightly, weekly, or for an extended period of time. Nightly homework will never be new work to be learned, but will be reinforcement of work presented in the classroom. Students are expected to complete their homework assignments in a timely manner and to the best of their ability. Parents are encouraged to provide a supportive environment for homework activities and to be responsible for reviewing homework assignments with their child.

Boys and Girls Club, in partnership with E.V. Cain Middle School staff, provides Power Hour, a complete after school tutoring program. Power Hour is offered five days a week and teachers are available to help students with math, writing, reading, science, social studies, organization, and study skills.

E.V. Cain Middle School also offers lunchtime tutoring four days a week. The school also has a Zap Program. In the Zap Program students who regularly do not complete their homework do so before they eat their lunch at lunch time.

## CLASS SIZE

The table indicates the average class size by subject area, as well as the number of classes offered in reference to their enrollment.

## CURRICULUM DEVELOPMENT

All curriculum development in the Auburn Union Elementary School District is based on the California State Content Standards and Frameworks. Curriculum guides are updated regularly to align with the state standards, district goals, and the statewide assessment program.

## SCHOOL ENROLLMENT & ATTENDANCE

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement. Regular daily attendance is a priority at E.V. Cain Middle School and student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of why and when students are absent. The attendance secretary makes daily phone calls home when a student is absent. E.V. Cain Middle School offers Travel Study, where work packets are sent with the students if they will be gone for five or more school days.

After three unexcused absences/tardies, the principal sends letters home. Students with excessive absences are referred to the School Attendance and Review Board (SARB).

This chart illustrates the enrollment trend by grade level for the past three school years.

### Enrollment Trend by Grade Level

## INSTRUCTIONAL TIME

For the 2007-08 school year, E. V. Cain Middle School offered 180 days of instruction, comprised of 169 regular days and 11 minimum days, which are utilized for parent conferences, site-level professional development activities, and grade level instruction planning time. All instructional time exceeded the daily instructional minute requirements specified in the California Education Code. The table displays a comparison of the number of instructional minutes offered at the school as compared to the state requirement for each grade level.

### Instructional Minutes By Grade Level

	Minutes Required	Actual Minutes
6th	54,000	60,672
7th	54,000	60,672
8th	54,000	60,672

## SCHOOL FACILITIES & SAFETY

E. V. Cain Middle School was originally constructed in 1949 and is currently comprised of 40 classrooms, a multipurpose room/cafeteria, library, gym, a staff lounge, two computer labs, two baseball diamonds, soccer and football fields, and a blacktop with 10 basketball courts. At the time of publication, 100% of restrooms were in good working condition. Facility information is current as of November 2008.

The safety of students and staff is a primary concern of E. V. Cain Middle School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated in May 2008 by the School Safety Committee, police, fire department, and School Site Council. All revisions were communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year. During school hours all visitors and volunteers sign in at the office and wear identification while on campus. The school resource officer is based three days a week on E.V. Cain campus, serves as a member of the Safe School Committee, and attends Site Council and PTC meetings as appropriate. Staff performs duties on the campus before and after school to monitor student behavior and safety issues. Boys and Girls Club, in partnership with E.V. Cain, provides a supervised after school program which includes tutoring and physical activities.

### Cleaning Process

The principal works daily with the custodial staff of three to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

## Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

## Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. For the 2008-09 school year the district allocated \$84,520 for the deferred maintenance program. This represents .5% of the district's general fund budget.

During the 2008-09 school year, the district's governing board approved the following deferred maintenance projects for the school: Electrical, painting projects, and HVAC.

## CONTACT INFORMATION

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the E. V. Cain Middle School at (530) 823-6106.

## COUNSELING & SUPPORT STAFF

It is the goal of E. V. Cain Middle School to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. The table lists the support service personnel available at E. V. Cain Middle School.

E. V. Cain Middle School provides programs and services to meet student's needs that are identified in the Individualized Education Plan (IEP). Students with special needs receive services from the instructional staff through a Learning Lab approach. E.V. Cain Middle School also has a Special Day Class for students with learning handicaps.

GATE students have the option of being in a GATE class or cluster.

Hampton Brown materials are used in the English learner classes for seventh and eighth grade students. An English learner aide works with individual students and small groups of six, seven, and eighth graders in reading and math.

## PHYSICAL FITNESS

In the spring of each year, E. V. Cain Middle School is required by the state to administer a physical fitness test to all students in grade seven. The physical fitness test is a standardized evaluation that tracks the development of high-quality fitness programs and assists students in establishing physical activity as part of their daily lives. E.V. Cain Middle School has a brand new fitness room for student use. During the 2007-08 school year, 23.4% of seventh grade students met all six fitness standards.

# CALIFORNIA STANDARDS TEST

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards). The combined percentage of students scoring at the Proficient and Advanced levels in English/Language Arts, Math, Social Science, and Science, for the most recent three-year period, is shown. Summative scores are not shown for Math (grade 8). For results on course specific tests, please see <http://star.cde.ca.gov>.

## FEDERAL INTERVENTION PROGRAM

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

## CAT/6

The California Achievement Test (CAT/6) is a standardized norm-referenced test (NRT), which indicates how the student or group of students compares with that of a norm group and other students from around the country. In August of 2004 the governor signed legislation reauthorizing the STAR Program. Prior to the reauthorization the California Achievement Tests, Sixth Edition Survey (CAT/6 Survey) were administered to all students in grades two through eleven. The reauthorization program requires administering the CAT/6 Survey only to students in grades three and seven. Students in grades three and seven were tested in reading, language, spelling, and mathematics. The purpose of administering the CAT/6 Survey is to determine how well California students are achieving academically compared to a national sample of students tested in the same grade at the same time of the school year. The CAT/6 chart reflects the percentages of students scoring at or above the 50th percentile, or those students performing at average/above average level, in Reading and Math.

## ADEQUATE YEARLY PROGRESS

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/ Language Arts (ELA) and Mathematics.
- Percent proficient on the state's standards-based assessments in ELA and Mathematics.
- API as an additional indicator.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school and district performance are displayed in the chart.

## ACADEMIC PERFORMANCE INDEX

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

**Statewide Rank:** Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

**Similar Schools Rank:** Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

## INSTRUCTIONAL MATERIALS

Auburn Union Elementary School District held a Public Hearing on September 10, 2008, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

## LIBRARY INFORMATION

The school's library provides an extensive variety of reference and special interest materials, in addition to hundreds of educational and recreational books. Students visit the library on a regular basis with their classes and are encouraged to visit during lunch.

## ADDITIONAL INTERNET ACCESS/ PUBLIC LIBRARIES

For additional research materials and Internet availability, students are encouraged to visit the public libraries in Placer County, which contain numerous computer workstations. For more information on locations and hours please visit: [www.placer.ca.gov/Departments/Library.aspx](http://www.placer.ca.gov/Departments/Library.aspx).

## COMPUTER RESOURCES

All classrooms have two computers that are connected to the Internet through our campus wide wireless network. E. V. Cain Middle School also has two computer labs with 30 computers in each. One computer lab is staffed by a teacher and the other lab is open to all teachers to bring their class in. Computer skills and concepts are integrated throughout standard curriculum.

## PARENT INVOLVEMENT & COMMUNITY

Parental involvement is available through our school's Parent-Teacher Club which has regular meetings and many opportunities to assist students and staff. Parents provide great support at E.V. Cain Middle School. The PTC and parent volunteers give assistance in many areas: financial support to teachers, help with field trips, classroom activities, end of the year activities, book fair, assemblies, drama productions, and classroom volunteers. The PTC focus the past three years has been technology. They have provided a new computer and printer for every classroom and hired a Web-master to maintain and update information daily. They have provided great support to our students and staff. The School Site Council oversees the School Site Plan and addresses the areas of academics, school safety, and intervention programs.

E.V. Cain Middle School also benefits from partnerships with the Auburn Education Foundation, Mother Lode Foundation, Kiwanas, and Rotary Club.

## TEACHER ASSIGNMENT

Auburn Union Elementary School District recruits and employs the most qualified credentialed teachers. For the 2007-08 school year, E. V. Cain Middle School had 33 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year.

## HIGHLY QUALIFIED TEACHERS

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified" no later than the end of the 2006-07 school year. Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

## TEACHER EVALUATION & PROFESSIONAL DEVELOPMENT

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year. Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations. Teachers are evaluated on the following criteria: Engaging and Supporting All Students in Learning, Understanding and Organizing Subject Matter for Student Learning, Assessing Student Learning, Creating and Maintaining Effective Environments for Student Learning, Planning Instruction and Designing Learning Experiences for All Students, and Developing as a Professional Educator.

Auburn Union Elementary offers programs to assist teachers, such as Beginning Teacher Support and Training (BTSA) and Peer Assistance and Review (PAR). BTSA is for new, credentialed teachers. Peer Assistance and Review (PAR) is lead by credentialed teachers who help recent California Basic Education Skills Test (CBEST) graduates who have yet to pass a specific subject exam. The PAR mentors also help Emergency Teaching Certificate teachers, as well as any teacher who may have received a poor evaluation from the principal.

As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. The district offers three staff development "buy-back" days annually where staff members are offered professional growth opportunities in curriculum, teaching strategies, and methodologies.

## SCHOOL LEADERSHIP

Leadership at E. V. Cain Middle is a responsibility shared between district administration, the principal, instructional staff, students, and parents. For the past two years, leadership duties were assumed by Principal Randy Ittner. Mr. Ittner has 22 years of experience in education with positions as a teacher and assistant principal. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals. Leadership teams include: Principal's Advisory Committee, Leadership Team, STAR Test Committee, Grade Level Teams, Department Teams, Discipline Committee, School Site Council, and Parent Teacher Club.

## DATA SOURCES

Data within the SARC was provided by Auburn Union Elementary School District, retrieved from the 2007-08 SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and the community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.
