### SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### Principal's Message

Skyridge School reflects a commitment that all students can learn and supports all students to be successful. Staff and parents work together to create a positive, encouraging, exciting learning environment to improve all student achievement.

Throughout the campus, there is a focus on standards-based education. During the school year, students are recognized for citizenship, academic achievement, responsibility, and attendance. Our staff, teachers, parents, students, and PTC will continue to work together for the advancement of the students in meeting academic, social, physical, and emotional growth. Skyridge displays great teamwork.

### Mission Statement

Each child in the Auburn Union School District will think analytically, solve problems, work cooperatively, explore creatively, and master common core standards. No matter their ability and background, students will be challenged and engaged, and obtain college and career readiness skills for a globally connected society.

### Vision Statement

We stand together to place each child at the heart of every decision.

### District & School Profile (School Year 2014-15)

Auburn Union School District serves the foothill community of Auburn, located 40 miles northeast of Sacramento on the western slope of the California High Sierra. AUSD educates students in grades kindergarten through eighth at three elementary schools, a charter school, and an education center.

### School Enrollment & Attendance (School Year 2013-14)

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement. Regular daily attendance is a priority at the school and student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of why and when students are absent. Auburn Union School District utilizes the ARIES Attendance Program and the Attendance Clerk to follow-up on student absences. After three unexcused absences/tardies, the principal sends letters home. Students with excessive absences are referred to the School Attendance and Review Board (SARB).

This chart illustrates the enrollment trend by grade level for the past three school years.

### Instructional Materials (School Year 2014-15)

Auburn Union Elementary School District held a Public Hearing on September 3, 2014, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English Language Learners (ELL), are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available.

Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information (as of October 2014) about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

## California Assessment of Student Performance and Progress/Standardized Testing and Reporting Results

California EC Section 60640 authorized the replacement of the Standardized Testing and Reporting (STAR) Program with a new assessment program, referred to as the CAASPP. On March 7, 2014, the U.S Department of Education (ED) approved California's waiver request for flexibility in assessment and accountability provisions of Title I of the Elementary and Secondary Education Act (ESEA). Science assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in science (for grades 5, 8, and 10), for the most recent three-year period.

Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English/language arts, mathematics, and social science, for the most recent three-year period. NOTE: CST was last administered in 2012-13.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

## Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

**Statewide Rank:** Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

**Similar Schools Rank:** Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

Note: For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

The table displays the school's API ranks and actual API point changes by student group for the past three years.

## State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority:

- Pupil outcomes in the subject areas of English, mathematics, and physical education.

## Physical Fitness (School Year 2013-14)

In the spring of each year, Skyridge Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to perform fitness tasks in six major areas: Aerobic Capacity, Body Composition, Trunk Extension Strength, Abdominal Strength, Upper Body Strength, and Flexibility. Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the Healthy Fitness Zone (HFZ).

### Safe School Plan (School Year 2014-15)

The safety of students and staff is a primary concern of Skyridge Elementary School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated in the Spring 2014 by the School Safety Committee and School Site Council. All revisions were communicated to both the classified and certificated staff. The schools disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year. During school hours, all visitors and volunteers sign in at the office and wear identification while on campus. All staff members wear picture-ID cards. Teachers and noon duty supervisors have regularly scheduled and clearly defined supervision duties on the playground and parking lots prior to the start of school, during school hours, and during dismissal.

An Auburn Police Officer is available to the school, serves as a member of the Safe School Committee, and attends Site Council and PTC meetings as appropriate. Helpful neighbors and the Auburn Police keep a watchful eye on the school during and after school hours.

### Discipline & Climate for Learning

Students at Skyridge Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. Parents are informed of school rules and discipline policies through the Parent Handbook, which is sent out at the beginning of the year and the weekly Falcon Flyer. School rules are posted in all rooms and are reviewed with students at assemblies and classroom meetings.

The suspensions and expulsions table illustrates total cases for the last three years, as well as a percentage of enrollment. Suspensions are expressed in terms of total infractions, not number of students suspended, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives are exhausted.

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

### School Leadership

Leadership at Skyridge Elementary School is a responsibility shared among district administration, the principal, instructional staff, students, and parents. The district's emphasis is on a well-balanced and rigorous core curriculum at all grade levels. Instructional programs are aligned with state and district standards. Beginning in the 2011-12 school year, leadership duties were assumed by Principal Jenn Lewandowski.

Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals. Leadership teams include: School Site Council, English Language Advisory Committee (ELAC), Leadership Team, and Parent Teacher Club.

They receive assistance in class from RSP teachers and aides or the students are pulled out for some individual help.

Skyridge Elementary School offers Gifted and Talented Education (GATE) program to those who qualify. GATE students are clustered in classrooms and receive differentiated instruction.

English language learners can be pulled out for some one-on-one or small group instruction. They also receive assistance within their regular classrooms.

## Library & Computer Resources

The school's library, staffed by one part-time library technician, provides an extensive variety of reference and special interest materials, in addition to hundreds of educational and recreational books. Students visit the library on a bi-weekly basis with their classes.

All classrooms have between one and fifteen computers, varying by grade level. Skyridge Elementary School also has one computer lab with 34 computers. Computer skills and concepts are integrated throughout standard curriculum, which helps to prepare students for technological growth and other opportunities.

## Additional Internet Access/Public Libraries

For additional research materials and internet availability, students are encouraged to visit the public libraries in Placer County, which contain numerous computer workstations. For more information on locations and hours please visit: [www.placer.ca.gov/Departments/Library.aspx](http://www.placer.ca.gov/Departments/Library.aspx).

## Staff Development

As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. The district offers three staff development "buy-back" days annually where staff members are offered professional growth opportunities in curriculum, teaching strategies, and methodologies. Staff development day topics included training on Common Core, Depth of Knowledge, PLCs, RTI, literacy, SDAIE strategies, Differentiated Instruction, Language Acquisition, Renaissance Learning, and 21st Century Skills.

## Data Sources

Data within the SARC was provided by Auburn Union School District, retrieved from the 2013-14 SARC template, Dataquest (<http://data1.cde.ca.gov/dataquest>), and/or Ed-Data website.

Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and the community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

## Extracurricular Activities

Students are encouraged to participate in the school's additional academic and extracurricular activities that are an integral part of the educational program. These schoolwide and classroom incentives promote positive attitudes, encourage achievement, and aid in the prevention of behavioral problems. Extracurricular activities, sports, and programs include:

- Jog-a-thon
- Morning Mile
- Enrichment Classes
- Carnival
- Science Fair
- Golf
- Skyridge Trekkers
- Chorus
- Skyridge Olympics
- Passport to Fun Reading

## Student Recognition

Skyridge Students receive recognition in many different ways. Falcon Feathers are given out when a student goes above and beyond by doing something positive or out of the ordinary during a given school day. Students are also recognized at award assemblies for their academic achievement/improvement and citizenship at the end of each trimester and throughout the school year. Good or excellent attendance is recognized monthly. Reading, running, physical education, attendance, academic achievement and positive leadership are also awarded to deserving students at an end of year assembly.

## Homework

Skyridge Elementary School believes homework is a fundamental part of the learning process that helps to develop basic academic and study skills as well as promote student responsibility and self-discipline. Homework is assigned to students on an individual basis by their teachers. The assignments may be nightly, weekly, or for an extended period of time. Nightly homework will never be new work to be learned, but will be a reinforcement of work presented in the classroom. Students are expected to complete their homework assignments in a timely manner and to the best of their ability. Parents are encouraged to provide a supportive environment for homework activities and to be responsible for reviewing homework assignments with their child.
