2014-15 School Accountability Report Card Published in 2015-16 School Year

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at http://www.cde.ca.gov/ta/ac/sa/.
- · View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents and community members should contact the school principal or the district office.

Principal's Message

Keema High School is an Independent Study School which offers an alternative educational model for grades 7th through 12th within Twin Rivers Unified School District (TRUSD). Students are provided a rigorous educational program designed in alignment with the State and TRUSD curriculum standards.

There is intensive instruction with our teaching staff along with a variety of instructional resources to support, reinforce and enhance student learning. Our on-line learning program provides on-line instruction in several classes for students including A-G courses. There is an academic tutoring lab to provide academic subject assistance whenever needed throughout the school year. Included in the academic lab is a "Parent Corner" where parents along with their child may obtain additional academic support from certificated teachers. Also, there is a parent room available for parents with a variety of resource information on the computers for the parents and students to access while visiting the school site.

Keema has CAHSEE labs available for students needing assistance in passing one or both English Language Arts or mathematics or ping for other tests. We have an ELD program for English Learning students that provide intensive instruction and daily support. During the time spent at Keema sites, students who qualify for the free and reduced lunch program can get free and reduced priced breakfasts and lunches from the food vending machine each day of the week.

In addition to our main campus at McClellan, we have a satellite Keema campus located at the corner of 6th Avenue and "M" Streets in Rio Linda. We have formed a partnership with the county of Sacramento's library so that our students have access to all of their services. In addition to the newly built library on site, there is a childcare program on the site.

We look forward to another exciting school year for all of our students, staff and our entire school community. Elmena Nelson, Principal

School Misson Statement

The mission at Elwood J. Keema High School is to provide students an individualized path to success through a caring and safe environment.

Vison Statement

Empowering students to take on all challenges and to realize their own potential.

District & School Profile (School Year 2015-16)

Twin Rivers Unified School District is California's newest unified school district, combining the former North Sacramento, Del Paso Heights, Rio Linda Union, and Grant Joint Union High School Districts. Started in the 2008-09 school year, Twin Rivers Unified School District is located in Sacramento County and has 30 elementary schools, 5 middle schools, and four high schools.

Our district also offers families the option of two alternative schools, a special education center, an independent learning center, two adult education centers, one community day school, one opportunity school, preschools and three dependent charter schools.

Enrollment By Ethnicity Or Student Group (School Year 2015-16)

This chart illustrates the enrollment trend by ethnicity or student group.

Enrollment by Student Group								
2014-15								
	Percentage							
Black or African American	13.3%							
American Indian or Alaska Native	1.6%							
Asian	4.8%							
Filipino	0.6%							
Hispanic or Latino	44.4%							
Native Hawaiian or Pacific Islander	1.6%							
White	29.5%							
Two or More Races	4.2%							
English Learners	16.3%							
Socioeconomically Disadvantaged	76.1%							
Students with Disabilities	3.6%							
Foster Youth	0.8%							

School Enrollment & Attendance (School Year 2014-15)

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at the school. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

This chart illustrates the enrollment trend by grade level for the past three school years.

Enrol	Enrollment Trend by Grade Level								
	2012-13	2013-14	2014-15						
7th	7	10	10						
8th	14	16	17						
9th	24	27	40						
10th	90	80	80						
11th	200	134	135						
12th	281	306	235						

Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- · School facilities are maintained in good repair.

Highly Qualified Teachers (School Year 2015-16)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified". Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: http://www.cde.ca.gov/nclb/sr/tq/.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

NCLB Complia	nt Teachers	
	% of Core Academic Courses Taught By Highly Qualified Teachers	% of Core Academic Courses Taught By Non-Highly Qualified Teachers
School	92.4%	7.6%
All Schools in District	78.5%	21.5%
High-Poverty Schools in District	78.5%	21.5%
Low-Poverty Schools in District	N/A	N/A

Teacher Assignment

The district recruits and employs the most qualified credentialed teachers. This chart shows information about teacher credentials.

Teacher Credential Status									
		School		District					
	13-14	14-15	15-16	15-16					
Fully Credentialed	0	0	28	1270					
Without Full Credentials	0	0	0	21					
Teaching Outside Subject Area of Competence (with full credential)	0	39	28	43					

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Misassignments/Vacancies						
	13-14	14-15	15-16			
Misassignments of Teachers of English Learners	0	0	0			
Misassignments of Teachers (other)	0	0	0			
Total Misassignments of Teachers	0	0	0			
Vacant Teacher Positions	0	0	1			

Instructional Materials (School Year 2015-16)

Twin Rivers Unified held a public hearing on October 6, 2015, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in June 2015, about the quality. currency, and availability of the standards-aligned textbooks and the instructional materials used at the school.

Science Lab Equipment

The school stocks an adequate supply of equipment for its students. Inventory includes, but is not limited to: microscopes, slides, ring stands, clamps, support rings, utility clamps, test tubes, test tube holders and brushes, tongs, flasks, beakers, and Bunsen burners. For more information, please call the school office.

School Facilities & Safety (School Year 2015-16)

Keema High School was originally constructed in 1951. The campus is currently comprised of 1 large classroom, 3 computer labs, and a Counseling and Enrollment facility.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. One part-time custodian ensure that all classrooms and facilities are in adequate condition. A work order process is used to ensure efficient service that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems. For the 2015-16 school year, the district has budgeted \$1,775,000.00 for the deferred maintenance program. This represents 0.60% of the district's general fund budget.

Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its predecessor the Standardized Testing and Reporting Program); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress

California EC Section 60640 authorized the replacement of the Standardized Testing and Reporting (STAR) Program with a new assessment program, referred to as the CAASPP. All students in grades three through eight and eleven were assessed using computer-based tests in English/Language Arts and Mathematics; students in grades five, eight, and ten were also tested in Science. Science assessments were paper-based and included California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). Students receive an overall score for each subject, ranging from 2,000 to 3,000.

Overall scores are reported within one of four levels:

- Performance Level 1: Standard not met Needs substantial improvement for success in future coursework.
- Performance Level 2: Standard nearly met May require further development for success in future coursework.
- Performance Level 3: Standard met Demonstrates progress toward mastery.
- · Performance Level 4: Standard exceeded Demonstrates advanced progress toward mastery.

ELA results include information about the students' performance in the areas of reading, writing, listening, and research. Reports of mathematics results include information about students' performance in problem solving, using concepts and procedures, and communicating mathematical reasoning.

The table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English Language Arts/Literacy (grades 3-8 and 11) and math (grades 3-8 and 11).

The following tables display information on student achievement at each performance level in English/Language Arts and Mathematics for the school by student groups for grades three through eight and eleven.

Note: A student is defined as socioeconomically disadvantaged if the student was eligible for the free or reduced-price lunch program (also known as the National School Lunch Program or NSLP), migrant, foster youth or homeless, or neither of the student's parents was a high school graduate.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Standards Test

The California Standards Test (CST), a component of the CAASPP Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in science (for grades 5, 8, and 10), for the most recent three-year period. The second table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

California Standa	California Standards Test Percentage of Students Meeting or Exceeding State Standards							te	
Subject	Subject School District							State	
	2013	2014	2015	2013	2014	2015	2013	2014	2015

^{*}Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

For detailed information regarding the results for each grade and performance level, see the CDE CAASPP Results Web site at http://caaspp.cde.ca.gov/caaspp2015/Index.aspx.

UC/CSU Course Completion

Students at Keema High School are encouraged to take University of California/California State University (UC/CSU) preparatory courses if they plan to attend a four-year university. All students must pass each course with a grade no lower than a 'C'.

UC/CSU Course Enrollment							
	Percentage						
Students Enrolled in Courses Required for UC/CSU Admission (2014-15)	94.6%						
Graduates Who Completed All Courses Required for UC/ CSU Admission (2013-14)	-

Socioeconomically Disadvantaged	12

^{*}Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority:

• Pupil outcomes in the subject areas of English, mathematics, and physical education.

Physical Fitness (School Year 2014-15)

In the spring of each year, Twin Rivers Unified schools are required by the state to administer a physical fitness test to all students in fifth, seventh and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students that meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ).

Percentage of Students in Healthy Fitness Zone 2014-15								
Grade Level Four of Six Five of Six Six of Six Standards Standards Standards								
7	18.2%	9.1%	27.3%					
9	10.5%	5.3%	31.6%					

^{*}Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

CaliforniaHigh School Exit Examination (CAHSEE) Results for All Grade Ten Students (School Year 2014-15)

The California High School Exit Exam is primarily used as a graduation requirement in California, but the results of this exam are also used to determine Adequate Yearly Progress (AYP) for high schools, as required by the Federal No Child Left Behind (NCLB) law. The CAHSEE has an English language/ arts section and a math section and, for purposes of calculating AYP, three performance levels were set: Advanced, Proficient, and Not Proficient. The score a student must achieve to be considered Proficient is different than the passing score for the graduation requirement.

The first table displays the percent of students achieving at the Proficient or Advanced level for the past three years.

CAHSEE By Subject for All Grade Ten Students												
	2012-13				2013-14			2014-15

Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Parent & Community Involvement (School Year 2015-16)

Parents play an important role at Keema High School through active participation and involvement in the School Site Council, Parent Advisory Committee and the Parent Project which offers parents the opportunity to participate in parenting skills training on a monthly basis. Parents are given the opportunity to participate in their child's individualized instruction.

Contact Information

Parents who wish to participate in Keema High School's leadership teams, school committees, school activities or become a volunteer may contact the school's office at (916) 566-3410.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- · Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Discipline & Climate for Learning

Keema High School fosters an atmosphere that is conducive to learning, both on campus and at related activities. The school places emphasis on the safety and well-being of everyone at the school and believes that students have a right to learn and teachers have a right to teach. School rules and policies outlining dress code, attendance, school rules, and disciplinary procedures, are sent home to parents and students each summer and are printed in binder dividers. These rules are reviewed at the time of initial enrollment and at the re-signing of the enrollment Parent Compact at the beginning of each semester.

Published: February 2016

The suspensions and expulsions for the past three years are illustrated in the chart. Suspensions are reported as total number of incidents, not students suspended, as some students may have been suspended on multiple occasions. Suspensions and expulsions rates reflect incidents divided by total enrollment.

Safe Scho	ool Plan	(School	l Year	2015-16)
-----------	----------	---------	--------	---------	---

The Safety Plan is revised annually in the fall by school site staff members. Revisions to the Safety Plan are communicated to all staff members annually. Key elements to the safety plan include evacuation plans, drills, shelter-in-place, and dismissal procedures. The new plan is approved by the Board of Trustees. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

Suspensions & Expulsions										
	Sı	ıspensio	ns	E	xpulsion	s				
	12-13	13-14	14-15	12-13	13-14	14-15				
School	0.2%	0.0%	0.1%	0.0%	0.0%	0.0%				
District	9.3%	8.8%	7.7%	0.0%	0.1%	0.0%				
State	5.1%	4.4%	3.8%	0.1%	0.1%	0.1%				

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- · High school dropout rates; and
- · High school graduation rates.

Dropout & Graduation Rates (Four-Year Cohort Rate)

Elwood J. Keema High School believes that effective instruction consists of the continuous building of new concepts upon existing ones and requires regular attendance and participation. In hopes of preventing and reducing dropouts, the following programs are made available to students: CAHSEE prep lab and Sacramento Urban League.

Note: The National Center for Education Statistics graduation rate as reported in AYP is provided in the table.

Completion of High School Graduation Requirements - Class of 2014

Beginning with the graduating class of 2006, students in California public schools must pass both the English-Language Arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2013-2014 school year in the 12th grade, the table displays by student group the percent who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CDE Web site at http://www.cde.ca.gov/ta/tg/hs/.

Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2015-16)

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

For detailed information about PI identification, see the CDE PI Status Determinations Web page: http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Federal Intervention Programs								
	School	District						
Program Improvement (PI) Status	Not in PI	In PI						
First Year in PI	-	2010-11						
Year in PI (2015-16)	-	Year 3						
# of Title I Schools Currently In PI	-	51						
% of Title I Schools Currently In PI	-	100%						

Graduation & Dropout Rates											
	Dropout Graduation										
	11-12	12-13	13-14	11-12	12-13	13-14					
School	34.0%	34.2%	31.2%	46.3%	46.1%	49.5%					
District	19.4%	16.4%	15.3%	72.3%	75.3%	77.6%					
State	13.1%	11.4%	11.5%	78.9%	80.4%	81.0%					

Completion of High School Graduation Requirements								
	School	District	State					
All Students	62.8%	65%	84.6%					
African American/Black	48.8%	51.9%	76%					
American Indian or Alaska Native	25%	56.3%	78.1%					
Asian	66.7%	74.1%	92.6%					
Filipino	100%	82.6%	96.5%					
Hispanic or Latino	62.6%	62.2%	81.3%					
Native Hawaiian or Pacific Islander	66.7%	68%	83.6%					
White	73.7%	73.1%	89.9%					
Two or More Races	11.1%	58.2%	82.8%					
English Learners	47.3%	48.9%	50.8%					
Socioeconomically Disadvantaged	61.1%	64.3%	81.4%					
Students with Disabilities	62.5%	52%	61.3%					

Adequate Yearly Progress (School Year 2014-15)

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- · Participation rate on the state's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- · Percent proficient on the state's standards-based assessments in ELA and mathematics.
- · Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school, district, and state performance are displayed in the chart.

Adequate Yearly Progress (AYP)											
	Sch	nool	Dis	trict	State						
Made AYP Overall	٨	lo	Y	es	Y	es					
Met AYP Criteria	English - Language Arts	Mathematics	English - atics Language Mathematics Arts		English - Language Arts	Mathematics					
Participation Rate	No	No	Yes	Yes	Yes	Yes					
Percent Proficient	N/A	N/A	N/A N/A		N/A	N/A					
Met Attendance Rate	N/A		Yes		Yes						
Met Graduation Rate	Yes		Yes		Yes						

Class Size

The table indicates the average class size by grade level or subject area, as well as the number of classrooms that fall into each size category.

School Leadership

Leadership at Keema High School is a responsibility shared among district administration, site administration, instructional staff and parents. Primary leadership duties have been assumed by Mrs. Elmena Nelson. Staff members participate on Department Teams, the School Advisory Committee and the Leadership Team, which ensure that expected school wide performance standards are achieved.

Class Size Distribution												
					C	lassro	oms	Con	tainiı	ng:		
	Average Class Size		1-20 Students			21-32 uder	_	St	33+ uden	ıts

Social Science	3	3	3	234	234	180	-	-	-	-	-	2

Counseling & Support Staff (School Year 2014-15)

In addition to academics, the staff at Keema High School strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school values the importance of on-site counseling and has procedures in place to ensure that students receive the services they need. The counselor-to-pupil ratio is 1:517. The table lists the support service personnel available at Keema High School. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Additional hours are given to students requiring additional lab work in math and English Language Arts.

Keema High School teachers are sensitive to the unique needs of English Language Learner (ELL) students. ELL students are identified early and receive supplemental instruction in math and English Language Arts.

Counseling & Support Services Staff							
Number of Full Tin Staff Equivale							
Academic Counselor	1	1.0					
Nurse	1	0.20					

Teacher Evaluation & Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and both formal and non-formal, non-evaluative observations are designed to promote high quality instruction as well as comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by an administrator, who has been trained and certified for competency to perform teacher evaluations. Evaluation criteria are adapted from the California Standards for the Teaching Profession and address the following domains: Engaging and Supporting All Students in Learning, Creating and Maintaining Effective Environments, Understanding and Organizing Subject Matter, Planning Instruction and Designing Learning Experiences, Assessing Student Learning, and Developing as a Professional Educator.

Teachers and other certificated staff build skills and develop educational concepts through the participation in conferences and after school workshops throughout the year. In the 2014-2015 school year, Twin Rivers Unified School District offered 5 non-student professional development days for teachers.

Professional Learning Communities (PLCs) were organized, met regularly, and collaborated during dedicated periods at each school site during late-start days. Professional development sessions were focused on Transitioning/Implementation of the Common Core Standards for all grade levels, 21st Century Learning Skills, and Implementation of PLCs. For the 2014-2015 year, the district supported approximately 100 beginning teachers through the district's BTSA program and coached a cohort of NBCT (National Board Certification of Teachers) candidates.

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work.

For general admissions requirements, please visit the UC Admissions Information Web page at http://www.universityofcalifornia.edu/admissions/.

California State University:

Eligibility for admission to the California State University (CSU) is determined by three factors:

- Specific high school courses
- · Grades in specified courses and test scores
- · Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the CSU Web page at http://www.calstate.edu/admission/admission.shtml.

Curriculum Development

All curriculum development at Keema High School revolves around the California State Common Core Standards and Frameworks. The writing and implementation of the Twin Rivers Unified School District's curriculum is an ongoing process. The district's curriculum guides are updated regularly to align with the state standards, district goals, and the statewide assessment program. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

School Site Teacher Salaries (Fiscal Year 2013-14)

The chart illustrates the average teacher salary at the school and compares it to the average teacher salary at the district and state.

Average Teacher Salaries			
School & District			
School	\$59,467		
District	\$71,162		
Percentage of Variation	-16.4%		
School & State			
All Unified School Districts	\$72,971		
Percentage of Variation	-18.5%		

Teacher & Administrative Salaries (Fiscal Year 2013-14)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the districts budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE Web site, www.cde.ca.gov.

Average Salary Information Teachers - Principal - Superintendent 2013-14

	District	State
Beginning Teachers	\$40,800	\$43,165
Mid-Range Teachers	\$55,607	\$68,574
Highest Teachers	\$84,942	\$89,146
Elementary School Principals	\$100,560	\$111,129
Middle School Principals	\$105,080	\$116,569
High School Principals	\$114,809	\$127,448
Superintendent	\$205,358	\$234,382

Salaries as a Percentage of Total Budget			
Teacher Salaries	32.0%	38.0%	
Administrative Salaries	5.0%	5.0%	

Expenditures & Services Funded (Fiscal Year 2013-14)

Based on 2013-14 FY audited financial statements, the table provides a comparison of a school's per pupil funding from unrestricted sources with other schools throughout the state.

Expenditures per Pupil	
School	
Total Expenditures Per Pupil	\$4,595
From Supplemental/Restricted Sources	\$128
From Basic/Unrestricted Sources	\$4,467
District	
From Basic/Unrestricted Sources	\$5,201
Percentage of Variation between School & District	-14.1%
State	
From Basic/Unrestricted Sources	\$5,348
Percentage of Variation between School & State	-16.5%

Supplemental/Restricted expenditures come from money that is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at http://www.cde.ca.gov/ds/fd/ec/. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: http://www.ed-data.org.

District Revenue Sources (Fiscal Year 14-15)

In addition to general state funding, Twin Rivers Unified School District receives state and federal funding for the following categorical funds and other support programs:

- Targeted Instruction Improvement Block Grant**
- PE Block Grant**
- School and Library Improvement Block Grant**
- EIA-LEP
- Gifted and Talented Education
- EIA-SCE
- Carl Perkins
- Healthy Start
- Quality Education Investment Act
- Medi-Cal
- · After School Education & Safety
- Head Start
- State Lottery
- English Language Acquisition Program
- Title II
- · CA Partnership Academies
- Title I
- · Charter School Fund
- Title III
- Special Education
- · Pupil Retention Block Grant
