2016-17 School Accountability Report Card Published in 2017-18 School Year

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

Principal's Message

It is with great pride that we present to you all that Grant Union High School offers in this course description catalog. In developing this document, the Site Leadership Team and our many departments are presenting the multitude of programs and opportunities available for students at our school.

When students graduate from Grant Union High School in the Twin Rivers Unified School District, we want to make sure they are college and career ready. As adults, we know that students need a strong academic background if they are going to go to college, or directly into work. The catalog shows how many classes are considered necessary for entrance into the California State University System, and the University of California.

We expect students to take as many of these classes as possible. In order to support the rigor of these classes, Grant offers programs such as AVID during the school day, supporting students academically to get to college. We also have tutoring programs such as L.E.A.P., which are also described within.

Grant High School offers a wide range of career and technical pathways. We have the Criminal Justice Academy, ARTS Academy, Health Sports Academy, the Environmental Science and Design Academy, many different Business and CTE classes, as well as classes in Computer Programming, Web Design, Electronics, and Video Production. Each of these are exceptional programs with outstanding instructors, connecting students with real life skills.

In addition, we want students involved. Grant has clubs, Leadership, Athletics, Cheerleading, and other activities for students. It is a fact that students that are involved do better in school. It is also a fact that our programs help make school more enjoyable, help students learn a variety of skills including leadership and dedication, and character as well.

Finally, the Grant Union High School Mission is the aggressive and unrelenting pursuit of excellence. The best way we can do this is together. We hope to see students and their parents at Grant Union High School. If you have any questions, please stop by, or call us at 566-3450. We know that the school, working together with the family is in the best interest of the student, and we dedicate ourselves to the students of Grant High.

Sincerely,

Darris Hinson, Principal
Grant Union High School

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

School Mission Statement

The aggressive and unrelenting pursuit of academic, social, artistic, athletic, and vocational excellence is the Mission of Grant Union High School. To that end, we will provide a safe and orderly learning environment. We will instill multicultural awareness. We will model and develop positive values, self-esteem, and personal responsibility. We will motivate students to achieve their maximum potential as life-long learners.

District & School Profile (School Year 2017-18)

Twin Rivers Unified School District is California's newest unified school district, combining the former North Sacramento, Del Paso Heights, Rio Linda Union, and Grant Joint Union High School Districts. Started in the 2008-09 school year, Twin Rivers Unified School District is located in Sacramento County and has 30 elementary schools, 5 middle schools, and four high schools. Our district also offers families the option of two alternative schools, a special education center, an independent learning center, two adult education centers, one community day school, one opportunity school, preschools and three dependent charter schools.

Enrollment By Ethnicity Or Student Group (School Year 2016-17)

This chart illustrates the enrollment trend by ethnicity or student group.

Enrollment by Student Group	
2016-17	
	Percentage
Black or African American	20.5%
American Indian or Alaska Native	0.5%
Asian	16.2%
Filipino	0.9%
Hispanic or Latino	50.2%
Native Hawaiian or Pacific Islander	2.4%
White	5.2%
Two or More Races	3.2%
EL Students	14.4%
Socioeconomically Disadvantaged	87.8%
Students with Disabilities	14.2%
Foster Youth	0.2%

School Enrollment & Attendance (School Year 2016-17)

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at the school. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

Grant School had a beginning enrollment of 1,903 students in grades nine through twelve for the 2016-17 school year.

This chart illustrates the enrollment trend by grade level for the past three school years.

Enrollment Trend by Grade Level			
	2014-15	2015-16	2016-17

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Assignment

The district recruits and employs the most qualified credentialed teachers. This chart shows information about teacher credentials.

Teacher Credential Status				
	School			District
	15-16	16-17	17-18	17-18
Fully Credentialed	94	92	94	1256
Without Full Credentials	4	3	5	60
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	43

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Misassignments/Vacancies			
	15-16	16-17	17-18
Misassignments of Teachers of English Learners	0	0	0
Misassignments of Teachers (other)	0	1	1
Total Misassignments of Teachers	0	1	1
Vacant Teacher Positions	3	3	0

Science Lab Equipment

The school stocks an adequate supply of equipment for its students. Inventory includes, but is not limited to: microscopes, slides, ring stands, clamps, support rings, utility clamps, test tubes, test tube holders and brushes, tongs, flasks, beakers, and Bunsen burners. For more information, please call the school office.

Instructional Materials (School Year 2017-18)

Twin Rivers Unified held a public hearing on October 4, 2017, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the

school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in June 2017, about the quality, currency, and availability of the standards-aligned textbooks and the instructional materials used at the school.

External (Grounds, Windows, Doors, Gates, Fences)	X			Room D7 - the window sill needs painting.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. Seven full-time custodians ensure that all classrooms and facilities are in adequate condition.

A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems. For the 2017-18 school year, the district has budgeted \$1,896,380.00 for the deferred maintenance program. This represents 0.61% of the district's general fund budget.

B. Pupil Outcomes State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. There is also the optional Standards-based Tests in Spanish (STS) for Reading/Language Arts (RLA).

In the 2014-15 and 2015-16 school years, the Science assessments were paper-pencil tests for grades five, eight, and ten: the California Standards Tests (CSTs) for Science, the California Modified Assessment (CMA) for Science, and California Alternate Performance Assessment (CAPA) for Science. During the 2016-17 school year, the new California Science Test was pilot tested. This pilot test replaced the California Standards Tests and California Modified Assessment for Science. Because this was a pilot year, no Science scores will be disclosed.

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student's academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student's academic achievement, including such measures as District assessments, classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

For 2015-16 and 2016-17, this section includes the school, district, and state information on the percent of students meeting or exceeding the State standards on the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments and California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics for grades three through eight and grade eleven. It also displays Science scores (grades 5, 8, and 10) for 2014-15 and 2015-16.

California Assessment of Student Performance and Progress									
Percent of Students Meeting or Exceeding the State Standards									
Subject	School			District			State		
	2015	2016	2017	2015	2016	2017	2015	2016	2017
English Language Arts/Literacy (Grades 3-8 and 11)	--	42	34	--	31	32	--	48	48
Mathematics (Grades 3-8 and 11)	--	11	11	--	25	25	--	36	37
Science (Grades 5, 8, and 10)	25	25	--	43	40	--	56	54	--

The following table displays information on student achievement by student groups for the school in ELA and Mathematics with all grades combined (grades three through eight and eleven).

California Assessment of Student Performance and Progress							
Student Groups	English-Language Arts				Mathematics		
	Total Enrollment	Number Tested	Percent Tested	% Met or Exceeded CA Standard	Number Tested	Percent Tested	% Met or Exceeded CA Standard
All Students	410	391	95.37	33.76	388	94.63	10.62
Male	246	235	95.53	31.33	231	93.90	12.61
Female	164	156	95.12	37.42	157	95.73	7.69
Black or African American	86	83	96.51	25.61	81	94.19	7.41

White	19	17	89.47	41.18	17	89.47	17.65
Two or More Races	13	13	100.00	46.15	13	100.00	23.08
Socioeconomically Disadvantaged	364	346	95.05	32.65	344	94.51	10.53
English Learners	124	115	92.74	14.04	115	92.74	4.39
Students with Disabilities	67	61	91.04	11.48	60	89.55	3.33

Note: ELA test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

UC/CSU Course Completion

Students at Grant High School are encouraged to take University of California/California State University (UC/CSU) preparatory courses if they plan to attend a four-year university. All students must pass each course with a grade no lower than a 'C'.

UC/CSU Course Enrollment	
	Percentage
Students Enrolled in Courses Required for UC/CSU Admission (2016-17)	96.6%
Graduates Who Completed All Courses Required for UC/CSU Admission (2015-16)	39.3%

** Duplicated Count (one student can be enrolled in several courses).*

Workforce Preparation (School Year 2016-17)

It is the goal of Grant Union High School that students understand the importance of academic subjects and experience how employees apply subject learning to work situations. The school's programs focus on preparing students to think conceptually, communicate effectively, and apply skills in real-world contexts. Curriculum and instructional strategies to foster critical thinking, problem solving, leadership, and academic skills ensure work-readiness skills. Jackie White is the primary contact for Twin Rivers School District's Career Technical Committee.

Grant Union High School has a significant number of Career Technical Education Programs. The programs often articulate with postsecondary institutions, as well as with industry and agencies such as Sacramento PD. The staff of the Vocational Education Department at Grant Union High School is constantly seeking ways to improve educational opportunities better to prepare students for the world of work. The school offers the following courses:

- Web Design
- Television/Video Production
- Electricity
- Copier Repair
- Criminal Justice
- Digital Media

- Environmental Science
- Computer and Business Technology
- Electronics Technology

The students are evaluated in the courses through grades, projects, portfolios, interviews, and worksite evaluation.

Grant Union High School offers a variety of programs to help students explore career and employment options. Regional Occupational Program (ROP) classes provide advanced training and employment opportunities with local businesses. ROP classes are available in:

- Maritime Careers • Marketing
- Retail Sales • Electronics
- Advanced Digital Media • Computer Assisted Design
- Environmental Horticulture • Nursery and Floriculture
- Law

The table displays questions and answers about student participation in Grant Union High School's Career Technical Education (CTE) programs.

Enrollment & Program Completion in Career/Technical Education (CTE) Programs (Carl Perkins Vocational and Technical Education Act)	
Question	Response
How many of the school's pupils participated in CTE programs?	879
What percentage of the school's pupils completed a CTE program and earned a high school diploma?	11.7%
What percentage of the school's CTE courses are sequenced or articulated between the school and institutions of post secondary education?	8.0%

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

Physical Fitness (School Year 2016-17)

In the spring of each year, Twin Rivers Unified schools are required by the state to administer a physical fitness test to all students in fifth, seventh and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students that meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ).

Percentage of Students in Healthy Fitness Zone 2016-17			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	23.8%	25.6%	12.1%

**Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

C. Engagement State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Parent & Community Involvement (School Year 2017-18)

Opportunities for parent and community involvement include: School Site Council (SSC), Parent Advisory Council (PAC), English Language Advisory Committee (ELAC), Booster Club, and schoolwide volunteer opportunities.

Contact Information

Parents who wish to participate in Grant Union High School's leadership teams, school committees, school activities or become a volunteer may contact the school's office at (916) 566-3450.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension and expulsion rates; and
- Other local measures on the sense of safety.

Discipline & Climate for Learning

Grant Union High School fosters an atmosphere that is conducive to learning, both on campus and at related activities. The school places emphasis on the safety and well-being of everyone at the school and believes that students have a right to learn and teachers have a right to teach. School rules and policies outlining dress code, attendance, school rules, and disciplinary procedures, are sent home to parents and students each summer, and are printed in binder dividers. These rules are reviewed at the Ninth Grade Parent Orientation, and Back-to-School Night, as well as in the school newsletter and memos sent home to parents. Policies are also discussed with future students during visits to the middle school.

The suspensions and expulsions for the past three years are illustrated in the chart. Suspensions are reported as total number of incidents, not students suspended, as some students may have been suspended on multiple occasions. Suspensions and expulsions rates reflect incidents divided by total enrollment.

	Suspensions & Expulsions					
	Suspensions			Expulsions		
	14-15	15-16	16-17	14-15	15-16	16-17
School	10.36	10.38	11.43	0.00	0.05	0.00

State	3.79	3.65	3.65	0.09	0.09	0.09

Safe School Plan (School Year 2017-18)

The School Site Safety Plan is evaluated and revised annually in the fall by school site staff members. Revisions to the Safety Plan are communicated to all staff members annually. Key elements to the Safety Plan include evacuation plans, drills, shelter-in-place, and dismissal procedures. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout & Graduation Rates (Four-Year Cohort Rate)

Grant Union High School believes that effective instruction consists of the continuous building of new concepts upon existing ones and requires regular attendance and participation. In hopes of preventing and reducing dropouts, the following programs are made available to students: LEAP/Charge, Power Forward, SST, and Attendance and Behavior.

Note: The National Center for Education Statistics graduation rate as reported in AYP is provided in the table.

	Graduation & Dropout Rates					
	Dropout			Graduation		
	13-14	14-15	15-16	13-14	14-15	15-16
School	11.1%	5.8%	6.3%	85.4%	92.4%	89.3%

State	11.5%	10.7%	9.7%	81.0%	82.3%	83.8%

Completion of High School Graduation Requirements

Beginning with the graduating class of 2006, students in California public schools must pass both the English-Language Arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2016-2017 school year in the 12th grade, the table displays by student group the percent who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/hs/>.

Completion of High School Graduation Requirements

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2017-18)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not meet federal Annual Measurable Objective targets for two consecutive years in the same area or indicator, including English/Language Arts and Math testing participation rates, attendance rates, and graduation rates. After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not meet those goals.

Due to the flexibility allowed by the Every Student Succeeds Act (ESSA) that became law in December 2015 and reauthorized the ESEA, no LEA or school will be newly identified for PI in the 2017–18 school year. LEAs and schools that received Title I, Part A funds for the 2016–17 school year and were “In PI” in the 2016–17 school year will retain their same PI status and placement year for 2017–18. California elected not to require LEAs or schools to provide Supplemental Educational Services and Choice for the 2017–18 school year, as defined in Section 1116 of the ESEA.

LEAs and schools that received Title I, Part A funds for the 2016–17 school year and either had a status of “Not in PI” for the 2016–17 school year or did not receive Title I, Part A funds for the 2015–16 school year will have a status of “Not in PI” for the 2017–18 school year.

For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

School Leadership

Leadership at Grant High School is a responsibility shared between district administration, the principal, instructional staff, students, and parents. Primary leadership duties are assumed by Principal Darris Hinson. Opportunities for leadership include:

- School Advisory Committee
- ELAC
- School Site Council
- Leadership Team

All staff members have the opportunity to sit on the Leadership Team, which is comprised of department chairs, administrators, and other staff. The team is responsible for advising the School Site Council on the development, implementation and monitoring of the site plan.

Counseling & Support Staff (School Year 2016-17)

In addition to academics, the staff at Grant Union High School strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school values the importance of on-site counseling and has procedures in place to ensure that students receive the services they need. The counselor to pupil ratio is 1:380. The chart lists support staff that are available to all students at Grant Union High School.

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Teacher Evaluation & Professional Development

Teacher Evaluation & Professional Development

The teacher evaluation process is one of the most critical professional development opportunities we have with our staff. A well-constructed evaluation helps to promote high quality instruction and is a fundamental way to support growth. Staff evaluations are completed through formal, non-formal, and non-evaluative interactions. Temporary and probationary teachers are evaluated at least two times annually and tenured teacher evaluations alternate every other year and can be extended up to 5 years. Staff evaluations are conducted by trained administrators and the criteria used is closely linked to the California Standards for the Teaching Profession (CSTP). The CSTP domains are; Engaging and Supporting All Students in Learning, Creating and Maintaining Effective Environments, Understanding and Organizing Subject Matter, Planning Instruction and Designing Learning Experiences, Assessing Student Learning, and Developing as a Professional Educator.

Teachers and Certificated support personnel work to build skills and develop educational concepts through the participation in conferences and after school workshops throughout the year. In the 2016-2017 school year, Twin Rivers Unified School District offered 3 to 5 non-student professional development days for teachers depending on the grade level assignments. Professional Learning Communities (PLCs) were organized, met regularly, and collaborated during dedicated periods at each school site during early release days. Professional development sessions were focused on high quality first instruction, implementation of the Common Core Standards, Systems Thinking and leadership development, as well as numerous curricular support programs necessary to support student's continued growth. For the 2016-2017 year, the district also supported over 100 beginning teachers through our partnership with the Sacramento County Office of Education's Employee Induction Program.

Curriculum Development

All curriculum development at Grant Union High School revolves around the California State Common Core Standards. The writing and implementation of the Twin Rivers Unified School District's curriculum is an ongoing process. The district's curriculum guides are updated regularly to align with the state standards, district goals, and the statewide assessment program. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.
