2014-15 School Accountability Report Card

Published in 2015-16 School Year

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at http://www.cde.ca.gov/ta/ac/sa/.
- · View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents and community members should contact the school principal or the district office.

Principal's Message

One of my major goals is to increase the communication between our students home and the school. You can look forward to regular communication home through our weekly communication folder, monthly parent meetings, phone calls and parent-teacher conferences throughout the school year. If at any time you feel you are not receiving news from school in a timely manner, please contact the office.

Parents are always welcome at school. There are many ways for you to be involved in your children's education. Volunteering in a classroom, being a member of the School Site Council, and helping teachers with projects are just a few ways you can become involved.

Your presence on campus promotes a feeling of community and family that will only strengthen our efforts. As students see parents and teachers working together, they come to better understand the meaning of teamwork.

Mission Statement

At Del Paso Heights Elementary we believe that all students are capable of learning. We work to create an environment where students are provided the skills and support necessary to be successful at Del Paso Heights Elementary School, Junior High School and beyond.

District & School Profile (School Year 2015-16)

Twin Rivers Unified School District is California's newest unified school district, combining the former North Sacramento, Del Paso Heights, Rio Linda Union, and Grant Joint Union High School Districts. Started in the 2008-09 school year, Twin Rivers Unified School District is located in Sacramento County and has 30 elementary schools, 5 middle schools, and four high schools. Our district also offers families the option of two alternative schools, a special education center, an independent learning center, two adult education centers, one community day school, one opportunity school, preschools and three dependent charter schools.

School Enrollment & Attendance (School Year 2014-15)

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at the school. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

This chart illustrates the enrollment trend by grade level for the past three school years.

Enrol	lment Tre	nd by Gra	de Level
	2012-13	2013-14	2014-15
K	51	56	62
1st	83	58	77
2nd	65	79	60
3rd	75	72	82
4th	72	79	78
5th	68	66	79
6th	70	77	66

Enrollment By Ethnicity Or Student Group (School Year 2015-16)

This chart illustrates the enrollment trend by ethnicity or student group.

Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- · Pupils have access to standards-aligned instructional materials; and
- · School facilities are maintained in good repair.

Highly Qualified Teachers (School Year 2015-16)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified". Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: http://www.cde.ca.gov/nclb/sr/td/.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

Teacher Assignment

The district recruits and employs the most qualified credentialed teachers. This chart shows information about teacher credentials.

Teacher	Credentia	al Status		
		School		District
	13-14	14-15	15-16	15-16
Fully Credentialed	18	21	24	1270
Without Full Credentials	0	0	0	21
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	43

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Enrollment by Student G	iroup
2014-15	
	Percentage

Misassignments of Teachers (other)	0	0	0
Total Misassignments of Teachers	0	0	0
Vacant Teacher Positions	1	0	0

Instructional Materials (School Year 2015-16)

Twin Rivers Unified held a public hearing on October 6, 2015, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in June 2015, about the quality, currency, and availability of the standards-aligned textbooks and the instructional materials used at the school

	Di	istrict-Adopted	Textbooks		
Grade Levels	Subject	Publisher	Adoption Year	Sufficient	% Lacking
K-6	English/ Language Arts	MacMillan/ McGraw-Hill CA Treasures	2010	Yes	0.0%
6th	History/Social Science	Prentice Hall	2006	Yes	0.0%
K-5	History/Social Studies	Pearson Scott Foresman	2006	Yes	0.0%
K-6	Mathematics	Houghton Mifflin	2015	Yes	0.0%
K-6	Science	MacMillan/ McGraw Hill	2007	Yes	0.0%

School Facilities & Safety (School Year 2015-16)

Del Paso Heights Elementary School was originally constructed in 1939 and underwent a complete modernization in 1998. The campus is currently comprised of 23 classrooms, a library, a playground, one computer lab, one counseling room, one staff lounge and a cafeteria.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. One full-time and one part-time custodian ensure that all classrooms and facilities are in adequate condition. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems. For the 2015-16 school year, the district has budgeted \$1,775,000.00 for the deferred maintenance program. This represents 0.60% of the district's general fund budget.

S.	chool Fa	acility C	onditio	ns
Date	of Last I	nspectio	n: 08/31/	2015
Overall Sumn				nditions: Good
Items Inspected		ty Comp stem Sta		Deficiency & Remedial Actions Taken or Planned
	Good	Fair	Poor	
Systems (Gas Leaks, Mech/ HVAC, Sewer)	Х			
Interior		Х		Boys restroom by playground - the entry door has graffiti scratched on it; Classroom 11 (Kindergarten) - the cabinet in the classroom has an edge where the Formica is chipped and missing.
Cleanliness (Overall Cleanliness, Pest/Vermin Infestation)	Х			Room 13 - the carpet seam is coming apart and the carpet is dirty with stains on it
Electrical	Х			
Restrooms/Fountains		Х		Boys restroom by classroom 5 - the restroom has very low water pressure causing the toilets and urinals to require multiple flushes to work properly; Classroom 11 (Kindergarten) - the restroom in the classroom has a stall partition that is rusting in the back corner; Girls restroom by classroom 7 - the restroom has very low water pressure causing the toilets to require multiple flushes to work properly.
Safety (Fire Safety, Hazardous Materials)	x			Cafeteria - the permit is expired on the lift for the stage. Classroom 19 - there is paint peeling above the entry door.
Structural (Structural Damage, Roofs)	Х			
External (Grounds, Windows, Doors, Gates, Fences)	Х			

Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its predecessor the Standardized Testing and Reporting Program); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress

California EC Section 60640 authorized the replacement of the Standardized Testing and Reporting (STAR) Program with a new assessment program, referred to as the CAASPP. All students in grades three through eight and eleven were assessed using computer-based tests in English/Language Arts and Mathematics; students in grades five, eight, and ten were also tested in Science. Science assessments were paper-based and included California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). Students receive an overall score for each subject, ranging from 2,000 to 3,000.

Overall scores are reported within one of four levels:

- Performance Level 1: Standard not met Needs substantial improvement for success in future coursework.
- Performance Level 2: Standard nearly met May require further development for success in future coursework.
- Performance Level 3: Standard met Demonstrates progress toward mastery.
- Performance Level 4: Standard exceeded Demonstrates advanced progress toward mastery.

ELA results include information about the students' performance in the areas of reading, writing, listening, and research. Reports of mathematics results include information about students' performance in problem solving, using concepts and procedures, and communicating mathematical reasoning.

The table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English Language Arts/Literacy (grades 3-8 and 11) and math (grades 3-8 and 11).

The following tables display information on student achievement at each performance level in English/Language Arts and Mathematics for the school by student groups for grades three through eight and eleven.

California Assessment of Student Performance and Progress

Percent of Students Meeting or Exceeding the State Standards

Subject	School	District	State
English Language Arts/Literacy (Grades 3-8 and 11)	13	26	44
Mathematics (Grades 3-8 and 11)	16	21	33

Note: A student is defined as socioeconomically disadvantaged if the student was eligible for the free or reduced-price lunch program (also known as the National School Lunch Program or NSLP), migrant, foster youth or homeless, or neither of the student's parents was a high school graduate.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Standards Test

The California Standards Test (CST), a component of the CAASPP Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in science (for grades 5, 8, and 10), for the most recent three-year period. The second table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

California Standards Test Percentage of Students Meeting or Exceeding State Standards									
Subject	School			District			State		
	2013	2014	2015	2013	2014	2015	2013	2014	2015
Science (Grades 5, 8, and 10)	34	29	23	43	47	43	59	60	56

^{*}Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

For detailed information regarding the results for each grade and performance level, see the CDE CAASPP Results Web site at http://caaspp.cde.ca.gov/caaspp2015/Index.aspx.

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority:

• Pupil outcomes in the subject areas of English, mathematics, and physical education.

Physical Fitness (School Year 2014-15)

In the spring of each year, Twin Rivers Unified schools are required by the state to administer a physical fitness test to all students in fifth, seventh and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students that meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ).

Percentage of Students in Healthy Fitness Zone							
	2014-15						
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards				
5	15.0%	21.2%	17.5%				

*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Parent & Community Involvement (School Year 2015-16)

Del Paso Heights Elementary School staff members recognize the importance of active parent participation in its programs and efforts. Monthly parent meetings include opportunities for parents to meet directly with Principal Macias and participate in Parent University. Parents are encouraged to visit classrooms, volunteer for school committees, and participate in parent/teacher conferences.

Contact Information

Parents who wish to participate in Del Paso Heights Elementary School's leadership teams, school committees, school activities or become a volunteer may contact the school's office at (916) 566-3425.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- · Pupil suspension rates;
- · Pupil expulsion rates; and
- · Other local measures on the sense of safety.

Discipline & Climate for Learning

Del Paso Heights Elementary School believes that meaningful learning must occur in a safe, disciplined, and positive environment. Students at Del Paso Heights Elementary School are guided by specific rules and classroom expectations that promote respect, responsibility, and safety. The goal of Del Paso Heights Elementary School's discipline program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior.

The Suspensions and Expulsions table illustrates total cases for the school and district at all grade levels, as well as the percentage of total enrollment (number of suspensions divided by total enrollment). Suspensions and expulsions are expressed in terms of total infractions, not total number of students, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives have been exhausted.

Suspensions & Expulsions									
	Sı	spensio	ns	E	xpulsion	s			
	12-13	13-14	14-15	12-13	13-14	14-15			
School	10.4%	11.1%	10.1%	0.0%	0.0%	0.0%			
District	9.3%	8.8%	7.7%	0.0%	0.1%	0.0%			
State	5.1%	4.4%	3.8%	0.1%	0.1%	0.1%			

Safe School Plan (School Year 2015-16)

Del Paso Heights Elementary employs campus supervisors to monitor students during their lunch break. Teachers and the principal supervise students before school and during regularly scheduled breaks. All visitors to the campus must enter through the office and display a visitor's pass at all times.

The safety of students and staff is a primary concern at Del Paso Heights Elementary, The School Site Safety plan is reviewed annually in August. Key elements of the safety plan include evacuation plans and drills, shelter-in-place and dismissal procedures as well as lockdown procedures. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Adequate Yearly Progress (School Year 2014-15)

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- · Percent proficient on the state's standards-based assessments in ELA and mathematics.
- · Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school, district, and state performance are displayed in the chart.

Adequate Yearly Progress (AYP)								
	Sch	iool	Dis	trict	State			
Made AYP Overall	Ye	es	Ye	es	Y	es		
Met AYP Criteria	English - Language Arts	Mathematics	English - Language Arts	Mathematics	English - Language Arts	Mathematics

Federal Intervention Program (School Year 2015-16)

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

For detailed information about PI identification, see the CDE PI Status Determinations Web page: http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Class Size

The table indicates the average class size by grade level or subject area, as well as the number of classrooms that fall into each size category.

School Leadership

Leadership at Del Paso Heights Elementary is a responsibility shared between district administration, the principal, certificated and classified staff, students, and parents. The district's emphasis is on a well-balanced and rigorous core curriculum at all grade levels. Instructional programs are aligned with state and district standards. Javier Macias is the principal of Del Paso Heights Elementary. Principal Macias has 17 years of experience in education with positions as a teacher, learning coach, coordinator of curriculum and instruction, vice-principal, and principal. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals.

Opportunities include:

- · School Site Council
- · School Language Advisory Committee
- Instructional Learning Team

Counseling & Support Staff (School Year 2014-15)

In addition to academics, the staff at Del Paso Heights Elementary School strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school values the importance of on-site counseling and has procedures in place to ensure that students receive the services they need. The table lists the support service personnel available at Del Paso Heights Elementary School. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Del Paso Heights Elementary School teachers are sensitive to the unique needs of English Language Learner (ELL) students. ELL students are identified early and placed in classrooms where the teacher possesses the necessary certification for second language instruction (e.g. CLAD). ELL students may also receive in-class assistance from a Bilingual Aide. Del Paso Heights Elementary School provides a Special Day Class (SDC) for students in grades four through six with severe disabilities. Some students have exceptional academic needs that can be met through the Resource Specialist Program (RSP). RSP students receive additional instruction in identified academic areas based on Individual Education Plans (IEPs). The school employs an RSP teacher who provides instruction within the general education classroom and through pull-out groups.

A Gifted and Talented Education (GATE) program is available for identified fourth, fifth, and sixth grade students. Classroom teachers identify students in their classes who have demonstrated the need and ability for more challenging work. Teachers create a plan based on areas of Language Arts and Mathematical needs of their high achieving students which they share with parents and the school administration.

Teacher Evaluation & Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and both formal and non-formal, non-evaluative observations are designed to promote high quality instruction as well as comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Counseling & Support Services Staff					
	Number of Staff	Full Time Equivalent			
Academic Counselor	1	0.50			
Bilingual Paraeducators	3	3.0			
Health Assistant	1	0.50			
Library Technician	1	0.375			
Nurse	1	0.20			
Psychologist	1	0.50			
Resource Specialist Program (RSP) Teacher	1	1.0			
Special Day Class (SDC) Teacher	1	1			
Speech & Language Therapist	1	.33			
Student Learning Coach	1	1.0			

Evaluations are conducted by an administrator, who has been trained and certified for competency to perform teacher evaluations. Evaluation criteria are adapted from the California Standards for the Teaching Profession and address the following domains: Engaging and Supporting All Students in Learning, Creating and Maintaining Effective Environments, Understanding and Organizing Subject Matter, Planning Instruction and Designing Learning Experiences, Assessing Student Learning, and Developing as a Professional Educator.

Teachers and other certificated staff build skills and develop educational concepts through the participation in conferences and after school workshops throughout the year. In the 2014-2015 school year, Twin Rivers Unified School District offered 5 non-student professional development days for teachers. Professional Learning Communities (PLCs) were organized, met regularly, and collaborated during dedicated periods at each school site during late-start days. Professional development sessions were focused on Transitioning/Implementation of the Common Core Standards for all grade levels, 21st Century Learning Skills, and Implementation of PLCs. For the 2014-2015 year, the district supported approximately 100 beginning teachers through the district's BTSA program and coached a cohort of NBCT (National Board Certification of Teachers) candidates.

Curriculum Development

Del Paso Heights Elementary School provides a balanced, comprehensive, and standards-aligned core curriculum to all students. Using standards aligned curriculum-embedded assessments, teachers plan and implement instruction and make informed modifications to continually improve their craft and advance student learning based on students' needs. Teacher collaboration is part of the school's commitment to academic excellence. Communication between grade levels and within the school community starts at the pre-school level and continues through the articulation of sixth graders into the middle school.

The teaching staff of Del Paso Heights Elementary School meet annually and evaluate both parent and teacher surveys. Twice a year, Del Paso Heights Elementary School hosts a mini-conference. During this scheduled time, test scores are analyzed, instructional materials are evaluated, and instructional techniques are shared.

Library Information

Del Paso Heights Elementary School's library is stocked with text, supplemental and recreational reading books that are available for students and parents to check out. Students visit on a regular weekly basis. Computer resources within the computer lab are connected to the Internet so students are able to access resources and information online to improve their research skills.

Recognition Programs

A well-developed student recognition program contributes to the positive environment of the school. Student body assemblies are held each trimester to recognize students who exhibit positive behavior and academic achievement. Students always have the chance to win "Dragon Tickets" for positive behavior and academic achievement. Individual classroom teachers provide students with incentives and awards as well.

Extracurricular Activities

Del Paso Heights Elementary School recognizes that extracurricular activities enrich the educational and social development and experiences of students. Extracurricular activities offered at Del Paso Heights Elementary are currently made up of an after School Start Program and a multi-cultural dance festival to celebrate the diversity of the student body and the community.

Homework

At Del Paso Heights Elementary School, homework is a fundamental part of the learning process, which helps to develop basic academic and study skills, as well as promote student responsibility and self-discipline. Homework is assigned on a regular basis for all grade levels and major subject areas, and each teacher determines the appropriate measure of homework for his or her students. In addition to their regular homework, all students are encourage read for at least 20 minutes a day.

School Site Teacher Salaries (Fiscal Year 2013-14)

The chart illustrates the average teacher salary at the school and compares it to the average teacher salary at the district and state.

Average Teacher Salaries					
School & District					
School	\$74,246				
District	\$71,162				
Percentage of Variation	4.3%				
School & State					
All Unified School Districts	\$72,971				
Percentage of Variation	1.7%				

Teacher & Administrative Salaries (Fiscal Year 2013-14)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the districts budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE Web site, www.cde.ca.gov.

Average Salary Information							
Teachers - Principa	Teachers - Principal - Superintendent						
2013	3-14						
	District	State					
Beginning Teachers	\$40,800	\$43,165					
Mid-Range Teachers	\$55,607	\$68,574					
Highest Teachers	\$84,942	\$89,146					
Elementary School Principals	\$100,560	\$111,129					
Middle School Principals	\$105,080	\$116,569					
High School Principals	\$114,809	\$127,448					
Superintendent	\$205,358	\$234,382					
Salaries as a Percentage of Total Budget							
Teacher Salaries	32.0%	38.0%					
Administrative Salaries	5.0%	5.0%					

Expenditures & Services Funded (Fiscal Year 2013-14)

Based on 2013-14 FY audited financial statements, the table provides a comparison of a school's per pupil funding from unrestricted sources with other schools throughout the state.

Expenditures per Pupil					
School					
Total Expenditures Per Pupil	\$5,912				
From Supplemental/Restricted Sources	\$1,335				
From Basic/Unrestricted Sources	\$4,577				
District					
From Basic/Unrestricted Sources	\$5,201				
Percentage of Variation between School & District	-12.0%				
State					
From Basic/Unrestricted Sources	\$5,348				
Percentage of Variation between School & State	-14.4%				

Supplemental/Restricted expenditures come from money that is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at http://www.cde.ca.gov/ds/fd/ec/. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: http://www.ed-data.org.
