### Principal's Message

Garden Valley is a professional learning community. Parents are an important part of the community and attend Literacy and English classes on campus. Nurturing and developing a sense of shared community is important and creates an environment geared toward success for all.

### District & School Profile

Twin Rivers Unified School District is California's newest unified school district, combining the former North Sacramento, Del Paso Heights, Rio Linda Union, and Grant Joint Union High School Districts. Starting in the 2008-09 school year, Twin Rivers Unified School District is located in Sacramento County and has 34 elementary schools, six junior high schools, five high schools, six charter schools, and seven alternative education schools.

Garden Valley Elementary School had a beginning enrollment of 410 students in grades kindergarten through six for the 2007-08 school year. Student demographics are illustrated in the chart.

Student Enrollment by Ethnic Group	
2007-08	
	Percentage
African American	19.8%
American Indian	0.7%
Asian	5.6%
Caucasian	7.3%
Filipino	1.2%
Hispanic or Latino	59.8%
Pacific Islander	2.2%
Multiple or No Response	3.4%

### Discipline & Climate for Learning

Garden Valley Elementary School believes that meaningful learning must occur in a safe, disciplined, and positive environment. Students at Garden Valley Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others. The school follows a Progressive Discipline Model. The goal of Garden Valley Elementary School's discipline program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior. Parents and students are informed of discipline policies throughout the school year by way of the student/parent handbook, monthly bulletins in both English and Spanish, Back-to-School Night, the school and district websites, and in Monday Folder notices.

The Suspensions and Expulsions table illustrates total cases for the school and district at all grade levels, as well as the percentage of total enrollment (number of suspensions divided by total enrollment). Suspensions and expulsions are expressed in terms of total infractions, not total number of students, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives have been exhausted. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

Suspensions & Expulsions			
	School		
	05-06	06-07	07-08
Suspensions	76	65	68
Suspension Rate	18.0%	14.6%	16.6%
Expulsions	0	0	0
Expulsion Rate	0.0%	0.0%	0.0%

## Recognition Programs

A well-developed student recognition program contributes to the positive environment of the school. Student body assemblies are held each trimester to recognize students who have exhibited positive behavior, academic achievement, and Citizenship. As well as Back To School Nights, and Character Trait Trimester Award ceremonies. Individual classroom teachers provide students with incentives and awards as well.

## Extracurricular Activities

Garden Valley Elementary School recognizes that extracurricular activities enrich the educational and social development experiences of students. Extracurricular activities offered at Garden Valley Elementary School include the Student Leaders, an Extended Day program, Sacramento START Program, and a mentoring program. Each year the school hosts a Winter Program and Talent Show, as well as a multi-cultural health fair, and celebrates Black History month with "A Day in Africa."

## Homework

At Garden Valley Elementary School homework is a fundamental part of the learning process which helps to develop basic academic and study skills, as well as promote student responsibility and self-discipline. Homework is assigned on a regular basis for all grade levels and major subject areas, and each teacher determines the appropriate measure of homework for his or her students. Students are expected to complete their homework assignments in a timely manner and to the best of their ability. Parents are encouraged to provide a supportive environment for homework activities and to be responsible for reviewing homework assignments with their child. Intervention/tutoring programs are offered after school for students who demonstrate a need for additional assistance.

## School Attendance & Enrollment

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at Garden Valley Elementary School. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

This chart illustrates the enrollment trend by grade level for the past three school years.

Enrollment Trend by Grade Level			
	2005-06	2006-07	2007-08
K	40	60	58
1st	63	72	59
2nd	60	69	63
3rd	57	55	60
4th	64	63	45
5th	63	63	65
6th	75	64	60

## Class Size

Garden Valley Elementary School maintained a schoolwide average class size of 21.5 students and a pupil-to-teacher ratio of 19.5 for the 2007-08 school year. Students receive additional assistance within their respective classrooms from parent volunteers and certificated and classified staff. Each afternoon is dedicated to small group instruction. The table indicates the average class size by grade level or subject area, as well as the number of classes offered in reference to their enrollment.

	Class Size Distribution											
	Average Class Size			Classrooms Containing:								
	06	07	08	1-20 Students			21-32 Students			33+ Students		
	06	07	08	06	07	08	06	07	08	06	07	08
K	20	21	19	2	1	2	-	2	-	-	-	-
1	21	24	20	1	-	3	2	3	-	-	-	-
2	20	23	21	3	-	1	-	3	2	-	-	-
3	19	19	20	3	2	2	-	1	1	-	-	-
4	30	30	22	-	-	1	1	2	1	-	-	-
5	18	30	25	2	-	1	-	2	1	-	-	-
6	30	30	30	-	-	-	2	2	1	-	-	-
4-8	32	-	27	-	-	-	1	-	2	1	-	-

## Class Size Reduction

In 1996, state legislature approved implementation of the Class Size Reduction (CSR) program that provides funding to hire additional teachers to assist schools in reducing K-3 class sizes. Garden Valley Elementary School began implementing CSR for grades kindergarten through three in 1996-1997. The table displays the percentage of K-3 classrooms that participated in CSR for the past three school years.

	CSR Participation		
	2005-06	2006-07	2007-08
K	100%	33%	100%
1	33%	0%	100%
2	100%	0%	33%
3	100%	67%	67%

## Curriculum Development

Garden Valley Elementary School provides a balanced, comprehensive, and standards-aligned core curriculum to all students. Using standards aligned curriculum-embedded assessments, teachers plan and implement instruction and make informed modifications to continually improve their craft and advance student learning based on students' needs. Teacher collaboration is part of the school's commitment to academic excellence. Communication between grade levels and within the school community starts at the pre-school level and continues through the articulation of sixth graders into the middle school.

The teaching staff of Garden Valley Elementary School meet annually and evaluate both parent and teacher surveys. Grade level teams meet monthly, and academic conferences are held each fall. Twice yearly, test scores are analyzed, instructional materials are evaluated and instructional techniques are shared. Recently, teachers began Project GLAD Strategy Training.

## Instructional Materials

Twin Rivers Unified School District held a public hearing in June 2008, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

District-Adopted Textbooks					
Grade Levels	Subject	Publisher	Adoption Year	Sufficient	% Lacking
K-5	History/ Social Studies	Pearson Scott Foresman	2006	Yes	0.0%
6th	History/ Social Studies	Pearson/ Prentice Hall	2006	Yes	0.0%
K-6	Mathematics	McGraw-Hill	2001	Yes	0.0%
K-6	Reading Language Arts	Houghton Mifflin	2002	Yes	0.0%
K-6	Science	McGraw-Hill	2007	Yes	0.0%

## Computer Resources

Students receive computer-assisted instruction on a regular schedule. Each classroom has a minimum of four computers, all of which are Internet-connected. Garden Valley Elementary School has a computer lab with approximately 35 workstations. Computer skills and concepts are provided through various computer programs, including Reader Rabbit, Math Blaster, Keyboarding, and other New Century programs.

Computer Resources			
	05-06	06-07	07-08
Computers	89	118	80
Students per computer	4.7	3.8	5.1
Classrooms connected to Internet	89	19	16

## Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in the city and county of Sacramento, which contain numerous computer workstations. Visit [www.saclibrary.org](http://www.saclibrary.org) for more information and directions to the nearest branch.

## Parent & Community Involvement

Garden Valley Elementary School staff members recognize the importance of active parent participation in its programs and efforts. Each week the school hosts parenting and literacy classes, as well as monthly family nights, which include a variety of student performances, informational presentations, games and food. Weekly English classes are also provided for parents learning English as a second language. Core Parent Groups meet the first Wednesday of every month and are volunteers in classrooms. Parents are encouraged to visit classrooms, volunteer for school committees and participate in parent/teacher conferences. Garden Valley Elementary School has also partnered with CSU Sacramento and the National University for Student Teaching.

Garden Valley Elementary School receives support from several businesses within the community, including the Sacramento Kings, El Pollo Loco, In-N-Out Burger, Blockbuster Video, and McDonalds.

## Counseling & Support Staff

In addition to academics, the staff at Garden Valley Elementary School strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school values the importance of on-site counseling and has procedures in place to ensure that students receive the services they need. The table lists the support service personnel available at Garden Valley Elementary. *The pupil-to-counselor ratio is 410:1*. In addition, an Occupational Therapist is also available to students on an as-needed basis.

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
Bilingual Instructional Assistant	3	1.8
Bilingual Teacher	5	5.0
Computer Lab Aide	1	1.0
Counselor	1	1.0
Curriculum Coach	1	0.5
Health Aide	1	1.0
Intervention Teachers	1	1.0
Occupational Therapist	1	"As needed"
Psychologist	1	0.5
Resource Specialist Program (RSP) Teacher	1	1.0
Special Day Class (SDC) Teacher	1	1.0
Special Day Class Aides	2	2.0
Speech and Language Specialist	1	0.5

Garden Valley Elementary School teachers are sensitive to the unique needs of English Language Learner (ELL) students. ELL students are identified early and placed in classrooms where the teacher possesses the necessary certification for second language instruction (e.g. CLAD). All ELL students also receive 30 minutes a day of English Language Development.

Garden Valley Elementary School provides one Special Day Class (SDC) for students in grades four through six with severe disabilities. Some students have exceptional academic needs that can be met through the Resource Specialist Program (RSP). RSP students receive additional instruction in identified academic areas based on Individual Education Plans (IEPs). The school employs a full-time RSP teacher and full-time RSP Literacy Coach who provide instruction within the general education classroom and through pull-out groups.

A Gifted and Talented Education (GATE) program is available for identified fourth, fifth, and sixth grade students. Classroom teachers identify students in their classes who have demonstrated the need and ability for more challenging work. Teachers create a plan based on areas of Language Arts and Mathematical needs of their high achieving students which they share with parents and the school administration. Math Engineering Science Activities (MESA) are also available after school for students in grades three through six.

## Contact Information

Parents who wish to participate in Garden Valley Elementary School's leadership teams, school committees, school activities or become a volunteer may contact the school's office at (916) 643-8750.

## California Standards Test

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards). The combined percentage of students scoring at the Proficient and Advanced levels in English/Language Arts, Math, and Science, for the most recent three-year period, is shown. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district. For results on course specific tests, please see <http://star.cde.ca.gov>.**

\*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

## Federal Intervention Program

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

Year in PI (2008-09)	Year 3
# of Schools Currently in PI	-
% of Schools Identified for PI	-

## Adequate Yearly Progress

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- Percent proficient on the state's standards-based assessments in ELA and mathematics.
- API as an additional indicator.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school and district performance are displayed in the chart. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

Adequate Yearly Progress (AYP)		
Met Overall AYP	School	
	Yes	No
Met AYP Criteria	English - Language Arts	Mathematics
Participation Rate	Yes	Yes
Percent Proficient	No	Yes
API School Rate	Yes	
Graduation Rate	N/A	

### Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

**Statewide Rank:** Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

**Similar Schools Rank:** Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

	API School Results			2008 API Growth Score
	05-06	06-07	07-08	
Statewide Rank	1	1	1	
Similar Schools Rank	1	2	3	
All Students				
Actual Growth	24	12	34	683
Socioeconomically Disadvantaged				
Actual Growth	25	16	30	683
African American				
Actual Growth	23	53	-	-
Hispanic or Latino				
Actual Growth	13	2	34	682
English Learners				
Actual Growth	50	12	18	691

### Physical Fitness

In the spring of each year, Garden Valley Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students that meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ). During the 2007-08 school year, 4.9% of fifth grade students were in the HFZ.

## Teacher Assignment

Twin Rivers Unified recruits and employs the most qualified credentialed teachers. For the 2007-08 school year, Garden Valley Elementary School had 21 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

	Teacher Credential Status		
	School		
	05-06	06-07	07-08
Fully Credentialed	23	20	21
Without Full Credentials	1	1	0
Working Outside Subject	0	0	0

Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year.

	Misassignments/Vacancies		
	06-07	07-08	08-09
Misassignments of Teachers of English Learners	1	0	0
Misassignments of Teachers (other)	0	0	0
<b>Total Misassignments of Teachers</b>	<b>1</b>	<b>0</b>	<b>0</b>
Vacant Teacher Positions	0	0	0

## Highly Qualified Teachers

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified" no later than the end of the 2006-07 school year. Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

## Teacher Evaluation & Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations. Evaluation criteria are: Engaging and Supporting All Students in Learning, Understanding and Organizing Subject Matter for Student Learning, Assessing Student Learning, Creating and Maintaining Effective Environments for Student Learning, Planning Instruction and Designing Learning Experiences for All Students, and Developing as a Professional Educator.

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. The district offers 12 staff development days annually where teachers are offered a broad based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies.

## School Leadership

Leadership at Garden Valley Elementary School is a responsibility shared between district administration, the principal, instructional staff, students, and parents. The district's emphasis is on a well-balanced and rigorous core curriculum at all grade levels. Instructional programs are aligned with state and district standards. For the past 7 years, leadership duties were assumed by Principal Michele Williams. Principal Michele Williams has 33 years of experience in education with positions as a classroom teacher and resource teacher. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals. Opportunities for leadership include:

- SSC/ELAC
- Site Leadership Team
- Parent Group

## School Facilities & Safety

Garden Valley Elementary School was originally constructed in 1955 and underwent a complete modernization in 1994. The campus is currently comprised of 20 classrooms, a computer lab/library combination, a playground, two Special Education rooms, one counseling room, one staff lounge, and a cafeteria.

The safety of students and staff is a primary concern of Garden Valley Elementary School. The School Site Safety plan is evaluated and revised annually each fall by administrators, and members of the School Site Council; the revisions are then shared with the entire staff. Key elements to the safety plan include evacuation plans and drills, shelter-in-place and dismissal procedures, as well as lockdown and evacuation procedures.

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. All rooms with student access have posted a laminated blue card outlining school safety procedures for fire, evacuation and stay put procedures.

The table shows the results of the most recent school facilities inspection (as of January 2009). While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

**Cleaning Process and Schedule**

Currently all schools are on a daily cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

**Maintenance and Repair**

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. Two full-time custodians ensure that all classrooms and facilities are in adequate condition. A work order process is used to ensure efficient service that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

**Deferred Maintenance Budget**

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components.

Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems. For the 2008-09 school year, the district has budgeted \$1,200,000 for the deferred maintenance program. This represents 0.5% of the district's general fund budget. Please see the district for a complete list of deferred maintenance projects.

**School Site Teacher Salaries**

The chart illustrates the average teacher salary at the school and compares it to the average teacher salary at the district and state (based on FY 2006-07 financial statements). **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

Average Teacher Salaries	
School	
School	\$53,416
School & State	
All Unified School Districts	63,458
Percentage of Variation	15.8%

**Teacher & Administrative Salaries**

**Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

**Expenditures & Services Funded**

Based on 2006-07 FY audited financial statements, the table provides a comparison of a school's per pupil funding from unrestricted sources with other schools throughout the state. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

Expenditures per Pupil	
School	
Total Expenditures Per Pupil	\$6,877
From Restricted Sources	\$2,708
From Unrestricted Sources	\$4,169
State	
From Unrestricted Sources	\$5,300
Percentage of Variation between School & State	21.34%

**Data Sources**

Data within the SARC was provided by Twin Rivers Unified School District, retrieved from the 2007-08 SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.
