# Twin Rivers Unified School District

## Hagginwood Elementary School

1418 Palo Verde Avenue, Sacramento, CA 95815  
(916) 263-8366

### 2007-08 School Accountability Report Card

#### Principal's Message

Welcome to Hagginwood School's information report! The purpose of the School Accountability Report Card is to provide parents with information about Hagginwood's instructional programs, academic achievement, materials, facilities and staff. Information about the Twin Rivers Unified School District is also provided.

Parents and community play a very important role in our school. Understanding the school's educational program, student achievement, and curriculum development can help both school and community in ongoing program improvement. Our children will learn much if school and home work together. Students will bring their work home every day for parents to check. Parents should have a quiet time and place for homework. School will provide all the materials students need to succeed. Parent volunteers are always welcome at our school and in the classrooms. Together Everyone Achieves More (TEAM).

We have made a commitment to provide the best educational program possible for our students by implementing the Essential Program Components (EPC's). Our goal for this school year is to focus on academics and improving test scores. We are dedicated to ensuring that Hagginwood School is a welcoming, stimulating environment where students are actively involved in learning academics as well as positive values. We are very excited about our reading and math programs. Through our hard work together, our students will be challenged to reach their maximum potential. Thank you for being a part of the Hawk team!

#### District & School Profile

Twin Rivers Unified School District is California's newest unified school district, combining the former North Sacramento, Del Paso Heights, Rio Linda Union, and Grant Joint Union High School Districts. Starting in the 2008-09 school year, Twin Rivers Unified School District is located in Sacramento County and has 34 elementary schools, six junior high schools, five high schools, six charter schools, and seven alternative education schools.

Hagginwood Elementary School had a beginning enrollment of 430 students in grades kindergarten through six for the 2007-08 school year. Hagginwood Elementary School supports cultural awareness with an excellent bilingual program, a schoolwide dedication to showcase diversity and an annual multicultural event. We are proud to have the bilingual community actively support our programs. Student demographics are illustrated in the chart.

Student Enrollment by Ethnic Group	
2007-08	
	Percentage
African American	19.8%
American Indian	1.9%
Asian	14.9%
Caucasian	22.1%
Filipino	0.5%
Hispanic or Latino	37.7%
Pacific Islander	1.4%
Multiple or No Response	1.9%

#### Discipline & Climate for Learning

Students at Hagginwood Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others. The school's discipline philosophy, "Be Safe, Be Kind, Be Productive," promotes a safe school and a warm, friendly classroom environment, demonstrating that good discipline is a solid foundation on which to build an effective school. The goal of Hagginwood Elementary School's discipline program, BEST Practices (Building Effective Schools Together) is a philosophical framework for ensuring that all students receive the support needed to experience behavioral success. We have high expectations for students academically and behaviorally. Hagginwood Elementary School believes that children should be taught to be responsible citizens at school. They should realize that freedom and responsibility go hand in hand and that they have a responsibility to themselves and to others in their school relationships.

Parents and students are informed of discipline policies at the beginning of each school year through classroom orientation and individual student handbooks. Student uniforms contribute to the school's learning environment, and help remove distractions that may deter students from focusing on class work.

The Suspensions and Expulsions table illustrates the unduplicated number of students suspended as well as the percentage of enrollment (students suspended divided by enrollment). Expulsions occur only when required by law or when all other alternatives are exhausted. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

Suspensions & Expulsions			
	School		
	05-06	06-07	07-08
Suspensions	53	66	136
Suspension Rate	11.5%	16.2%	31.6%
Expulsions	0	0	0
Expulsion Rate	0.0%	0.0%	0.0%

## Recognition Programs

Hagginwood Elementary School's comprehensive student recognition program contributes to the positive environment of the school, and includes classroom and school-wide awards. Students receive Hawk Bucks on a daily basis for exhibiting the attributes of good citizenship. The student store is open bimonthly during lunch allowing students to spend their Hawk Bucks. Assemblies are held to recognize those students meeting high academic standards. Student of the Month awards are given to students demonstrating the characteristics of a Hagginwood Elementary School citizen and student.

## Extracurricular Activities

Hagginwood Elementary School recognizes that extracurricular activities enrich the educational and social development and experiences of students. The district encourages and supports student participation in extracurricular activities without compromising the integrity and purpose of the educational program. Extracurricular activities offered at Hagginwood include: Student Council (3rd-6th grade), Basketball, Chess Club, Soccer, Band and Drill Team.

## Homework

At Hagginwood Elementary School homework is a fundamental part of the learning process which helps to develop basic academic and study skills as well as promotes student responsibility and self-discipline. Homework is assigned on a regular basis for all grade levels and major subject areas, and each teacher determines the appropriate measure of homework for his or her students. Students are expected to complete their homework assignments in a timely manner and to the best of their ability. Parents are encouraged to provide a supportive environment for homework activities and to be responsible for reviewing homework assignments with their child. In addition, teachers provide tutoring services to students.

## School Enrollment & Attendance

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at Hagginwood Elementary School. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem. Hagginwood Elementary School encourages regular attendance by giving out periodic awards for perfect attendance and treating classrooms to parties. Senate Bill 65 established a new school-level position, known as the Outreach Consultant, to reduce school dropout rates by promoting school success of at-risk students. This individual coordinates school and community resources to meet the needs of high-risk students at the school.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school and district counseling are not effective. The SARB is composed of parents, representatives from the school district and members of the community, including representatives from law enforcement, welfare, probation and mental health. The members of the SARB, the referred students, and their parents or guardians meet regularly to work collaboratively to evaluate the student's situation and recommend alternative solutions to alleviate circumstances that contribute to specific truancy, attendance or behavior problems.

The chart illustrates the enrollment trend for the past three years.

### Enrollment Trend by Grade Level

	2005-06	2006-07	2007-08
K	77	58	61
1st	62	71	58
2nd	64	44	72
3rd	65	60	42
4th	66	65	61
5th	57	58	65
6th	69	51	71

## Class Size

Hagginwood Elementary School maintained a schoolwide average class size of 19.2 students and a pupil-to-teacher ratio of 17.9 for the 2007-08 school year. The table indicates the average class size by grade level or subject area, as well as the number of classes offered in reference to their enrollment.

### Class Size Distribution

	Average Class Size			Classrooms Containing:								
				1-20 Students			21-32 Students			33+ Students		
	06	07	08	06	07	08	06	07	08	06	07	08
K	20	20	20	4	3	3	-	-	-	-	-	-
1	16	19	20	4	3	3	-	-	-	-	-	-
2	16	20	18	4	2	4	-	-	-	-	-	-
3	17	19	21	4	3	2	-	-	1	-	-	-
4	21	28	18	1	-	3	2	2	-	-	-	-
5	13	28	19	1	-	3	1	1	-	-	-	-
6	21	26	21	1	-	1	2	1	1	-	-	-
K-3	-	18	-	-	1	-	-	-	-	-	-	-
4-8	-	27	-	-	-	-	-	2	-	-	-	-

## Class Size Reduction

In 1996, state legislature approved implementation of the Class Size Reduction (CSR) program that provides funding to hire additional teachers to assist schools in reducing K-3 class sizes. Hagginwood Elementary began implementing CSR for grades kindergarten through three in 1996-1997. The table displays the percentage of K-3 classrooms that participated in CSR for the past three school years.

### CSR Participation

	2005-06	2006-07	2007-08
K	100%	100%	100%
1	100%	100%	100%
2	100%	100%	100%
3	100%	100%	67%

## Curriculum Development

All curriculum development at Hagginwood Elementary School revolves around the California State Content Standards and Frameworks. The writing and implementation of the Twin Rivers Unified School District's curriculum is an ongoing process. The district's curriculum guides are updated regularly to align with the state standards, district goals, and the statewide assessment program. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

## Instructional Materials

Twin Rivers Unified School District held a public hearing in June 2008, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

District-Adopted Textbooks					
Grade Levels	Subject	Publisher	Adoption Year	Sufficient	% Lacking
K-6	English/ Language Arts	Open Court	2002	Yes	0.0%
K-6	Mathematics	Houghton Mifflin	2002	Yes	0.0%
4th-5th	Science	Harcourt Brace	2004	Yes	0.0%
6th	Science	McGraw-Hill	2004	Yes	0.0%
K-3	Science	Open Court	2004	Yes	0.0%
6th	Social Science/ History	MacMillan/ McGraw Hill	2006	Yes	0.0%
K-5	Social Science/ History	Scott Foresman	2006	Yes	0.0%

## Library Information

Hagginwood Elementary School's library is stocked with thousands of texts, both supplemental and recreational, which are available for students and parents to check out. The library is staffed by a Library Media Specialist. A full video library is also available to teachers for classroom use. Computer resources within the library and classrooms are connected to the Internet so students are able to access resources and information online to improve their research skills.

## Computer Resources

Computer skills and concepts integrated throughout standard curriculum prepare students for technological growth and opportunities. Software includes programs to develop critical thinking skills, technological skills and mathematical proficiency.

Computer Resources			
	05-06	06-07	07-08
Computers	0	74	138
Students per computer	0.0	5.5	3.1
Classrooms connected to Internet	0	18	22

## Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in the city and county of Sacramento, which contain numerous computer workstations. Visit [www.saclibrary.org](http://www.saclibrary.org) for more information and directions to the nearest branch.

## Counseling & Support Staff

It is the goal of Hagginwood Elementary School to assist students in their social and personal development as well as academics. The goal is to help students deal with problems and assist them to reach positive goals. When students require additional assistance, the support staff are available according to the full-time equivalent indicated in the chart.

Hagginwood Elementary School utilizes supplemental instruction and Resource Specialists for students with special needs. A Speech & Language Therapist provides additional support outside of traditional classrooms.

Students needing assistance in learning English receive special instruction from an English Language Resource teacher and Bilingual Para-professionals. A student is classified as fluent English speaking when he/she is able to progress in the instructional program without further language assistance.

A Gifted and Talented Education (GATE) program is available for those students who qualify, where students receive challenging supplemental instruction.

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
Bilingual Professional	4	4.0
Computer Teacher	1	1.0
English Language Resource Teacher	1	0.9
Library Media Specialist	1	1.0
Outreach Consultant	1	1.0
Psychologist	1	0.4
Resource Specialist Program (RSP) Teacher	1	1.0
RSP Aide	1	1.0

## Parent & Community Involvement

Parents and the community are very supportive of the educational programs in the Twin Rivers Unified School District. The Parent Teacher Student Association (PTSA) plays an active role in the community and at each school site through fundraising and special activities. Contributions by Costco add to the programs available at Hagginwood Elementary School.

## Contact Information

Parents who wish to participate in Hagginwood Elementary School's leadership teams, school committees, school activities, or become a volunteer, may contact the school's office at (916) 263-8366.

## California Standards Test

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards). The combined percentage of students scoring at the Proficient and Advanced levels in English/Language Arts, Math, and Science, for the most recent three-year period, is shown. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district. For results on course specific tests, please see <http://star.cde.ca.gov>.**

### California Standards Test (CST)

\*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

## Federal Intervention Program

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

### Federal Intervention Programs

	School
Program Improvement (PI) Status	In PI
First Year in PI	2004-2005
Year in PI (2008-09)	Year 3
# of Schools Currently in PI	-
% of Schools Identified for PI	-

## Adequate Yearly Progress

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- Percent proficient on the state's standards-based assessments in ELA and mathematics.
- API as an additional indicator.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school and district performance are displayed in the chart. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

### Adequate Yearly Progress (AYP)

Met Overall AYP	School	
	English - Language Arts	Mathematics
Met AYP Criteria	Yes	Yes
Participation Rate	Yes	Yes
Percent Proficient	No	No
API School Rate	Yes	
Graduation Rate	N/A	

## Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

**Statewide Rank:** Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

**Similar Schools Rank:** Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

## Physical Fitness

In the spring of each year, Hagginwood Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students that meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ). During the 2007-08 school year, 25.0% of fifth grade students were in the HFZ.

## Teacher Assignment

Twin Rivers Unified recruits and employs the most qualified credentialed teachers. For the 2007-08 school year, Hagginwood Elementary School had 24 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

### Teacher Credential Status

	School		
	05-06	06-07	07-08
Fully Credentialed	22	21	24
Without Full Credentials	0	0	0
Working Outside Subject	0	0	0

Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year.

### Misassignments/Vacancies

	06-07	07-08	08-09
Misassignments of Teachers of English Learners	0	1	0
Misassignments of Teachers (other)	1	0	0
<b>Total Misassignments of Teachers</b>	<b>1</b>	<b>1</b>	<b>0</b>
Vacant Teacher Positions	0	0	0

## Highly Qualified Teachers

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified" no later than the end of the 2006-07 school year. Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. **Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.**

NCLB Compliant Teachers		
	% of Core Academic Courses Taught By NCLB Compliant Teachers	% of Core Academic Courses Taught By Non-NCLB Compliant Teachers
School	100.0%	0.0%

## Teacher Evaluation & Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations. Evaluation criteria are: Engaging and Supporting All Students in Learning, Understanding and Organizing Subject Matter for Student Learning, Assessing Student Learning, Creating and Maintaining Effective Environments for Student Learning, Planning Instruction and Designing Learning Experiences for All Students, and Developing as a Professional Educator.

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. The district offers 12 staff development days annually where teachers are offered a broad based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies.

## School Leadership

Leadership at Hagginwood Elementary School is a responsibility shared between district administration, the principal, instructional staff, students, and parents. Primary leadership duties are assumed by Principal Alberto Becerra.

The education of children is a joint effort of home and school. Students, parents and teachers meet each trimester to plan, discuss and evaluate student objectives. These objectives enable teachers to adjust their teaching to the unique needs of every class. Staff and parents are encouraged to participate in a wide variety of leadership teams. Opportunities for leadership include:

- School Site Council
- Bilingual Advisory Committee
- Student Study Team
- Leadership Team
- Site Safety Committee
- II/USP Action Plan Team
- Categorical Programs Action Team
- BEST Practices Team

The Leadership Team is the primary body assigned to developing, refining, and implementing the school plan. This team is responsible for planning and monitoring the effectiveness of the school curriculum.

Parents are also invited to attend "Coffee and Conversation" once a month.

## School Facilities & Safety

The current facilities were built in 1915 and have 27 classrooms, 11 of which are portable, one multipurpose room, one library, one administration building, one computer lab, one staff room, and two playgrounds.

Teachers supervise students on campus before and after school and during recess, and noon-duty supervisors monitor students during lunchtime. All visitors must sign in at the principal's office and receive proper authorization to be at the school. Visitors are asked by the school site staff to display their pass at all times.

Hagginwood Elementary School's Safety Plan is revised annually each spring by the Site Safety Committee. Emergency drills are held on a regular basis; fire drills are held once a month; earthquake and lockdown drills are held twice a year.

The table shows the results of the most recent school facilities inspection (as of January 2009). While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

School Facility Conditions				
Date of Last Inspection: 09/05/2008				
Overall Summary of School Facility Conditions: Exemplary				
Items Inspected	Facility Component System Status			Deficiency & Remedial Actions Taken or Planned
	Good	Fair	Poor	
Gas Leaks	X			
Mechanical Systems	X			
Windows/Doors/Gates/Fences (Interior and Exterior)	X			
Interior Surfaces (Floors, Ceilings, Walls, and Window Casings)	X			
Hazardous Materials (Interior and Exterior)	X			
Structural Damage	X			
Fire Safety	X			
Electrical (Interior and Exterior)	X			
Pest/Vermin Infestation	X			
Drinking Fountains (Inside and Outside)	X			
Restrooms	X			
Sewer	X			
Roofs (observed from the ground, inside/outside the building)	X			
Playground/School Grounds	X			
Overall Cleanliness	X			

**Cleaning Process and Schedule**

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

**Maintenance and Repair**

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. Two full-time and one part-time custodians ensure that all classrooms and facilities are in adequate condition. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication, 100% of restrooms are in complete working order.

**Deferred Maintenance Budget**

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components.

Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving and floor systems. For the 2008-09 school year, the district has budgeted \$1,200,000 for the deferred maintenance program. This represents 0.5% of the district's general fund budget. Please see the district for a complete list of deferred maintenance projects.

**School Site Teacher Salaries**

The chart illustrates the average teacher salary at the school and compares it to the average teacher salary at the district and state (based on FY 2006-07 financial statements). *Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.*

Average Teacher Salaries	
School	
School	\$71,306
School & State	
All Unified School Districts	63,458
Percentage of Variation	11.01%

**Teacher & Administrative Salaries**

*Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.*

**Expenditures & Services Funded**

Based on 2006-07 FY audited financial statements, the table provides a comparison of a school's per pupil funding from unrestricted sources with other schools throughout the state. *Since the district opened in the 2008-09 school year there is no district data reported for the last three years. Being a new district it would not be appropriate to assign the performance of any of the old districts to the new district.*

Expenditures per Pupil	
School	
Total Expenditures Per Pupil	\$60,022
From Restricted Sources	\$2,177
From Unrestricted Sources	\$3,844
State	
From Unrestricted Sources	\$5,300
Percentage of Variation between School & State	27.47%

In addition to general state funding, Twin Rivers Unified School District receives state and federal funding for the following categorical funds and other support programs:

- Title I
- School and Library Improvement Block Grant
- High Priority School Grant
- After-School Intervention
- English Language Resource Program
- Discretionary Block Grant
- Charter School Fund
- Comprehensive Student Support
- Medi-Cal
- Targeted Instruction Improvement Block Grant
- Gifted and Talented Education
- EIA-LEP
- School Counselor Program
- Parent Outreach Workers
- Parent Involvement
- State Compensatory Education
- Quality Education Investment Act
- Healthy Start
- SIP
- Head Start
- EIA-SCE
- State Lottery
- PE Block Grant
- Neil Soto Grant
- Title IV
- ELAP
- Reading First

**Data Sources**

Data within the SARC was provided by Twin Rivers Unified School District, retrieved from the 2007-08 SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.
