2014-15 School Accountability Report Card
Published in 2015-16 School Year

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at http://www.cde.ca.gov/ta/ac/sa/.
- · View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents and community members should contact the school principal or the district office.

Principal's Message

Welcome to Michael J. Castori Elementary as it was established as McClelland School in 1952. The school's name was changed in the 1980's to Michael J. Caastori. It was named after the long serving and beloved Elementary Principal Michael J. Castori. The school currently houses 60 students in four classes of 3-4 year old Pre-School students with approximately 715 Kindergarten through Sixth grade students. Castori students are provided a rigorous and rich academic curriculum augmented with Art and Music specialists. A vice-principal, school psychologist, counselor, and speech clinician also assist in meeting the needs of students at the school.

Students are provided Afterschool care through the ASES program afterschool as well as tutoring, intramural sports activities (Soccer, Basketball, Cheer, Kickball and Flag Football) for students in grades 4-6. Monthly award ceremonies occur to honor academic and citizenship of students in Kindergarten through Sixth grade. The school faculty host an annual Harvest/Multicultural Festival, Winter Sing, Art Night, Talent Show and Panther Reading Nights.

Parents are invited to attend Coffee and Conversation with the Principal and faculty the first Thursday of each month at 9:00 a.m. from September - June. Parents are sought out to volunteer in classrooms as well as being a part of school sponsored activities. We look forward to your involvement.

Go Panthers!

Martin Powers, Ed. D.

Mission Statement

Castori School believes that the development of student self-esteem should take place in a safe and orderly environment which allows for social, emotional, intellectual and physical growth so that all students can achieve their highest potential.

District & School Profile (School Year 2015-16)

Twin Rivers Unified School District is California's newest unified school district, combining the former North Sacramento, Del Paso Heights, Rio Linda Union, and Grant Joint Union High School Districts. Started in the 2008-09 school year, Twin Rivers Unified School District is located in Sacramento County and has 30 elementary schools, 5 middle schools, and four high schools. Our district also offers families the option of two alternative schools, a special education center, an independent learning center, two adult education centers, one community day school, one opportunity school, preschools and three dependent charter schools.

School Enrollment & Attendance (School Year 2014-15)

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at the school. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

This chart illustrates the enrollment trend by grade level for the past three school years.

Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- · Pupils have access to standards-aligned instructional materials; and
- · School facilities are maintained in good repair.

Highly Qualified Teachers (School Year 2015-16)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified". Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: http://www.cde.ca.gov/nclb/sr/tq/.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Instructional Materials (School Year 2015-16)

Twin Rivers Unified held a public hearing on October 6, 2015, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in June 2015, about the quality, currency, and availability of the standards-aligned textbooks and the instructional materials used at the school.

School Facilities & Safety (School Year 2015-16)

Built in 1941, two years ago the school was completely renovated as a part of the district modernization plan. The school is currently comprised of 20 stationary classrooms, 10 portable classrooms, a multipurpose room, a library, a computer lab, an administration center, and a cafeteria with stage a theater lights.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. Two full-time custodians ensure that all classrooms and facilities are in adequate condition. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems. For the 2015-16 school year, the district has budgeted \$1,775,000.00 for the deferred maintenance program. This represents 0.60% of the district's general fund budget.

Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its predecessor the Standardized Testing and Reporting Program); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress

California EC Section 60640 authorized the replacement of the Standardized Testing and Reporting (STAR) Program with a new assessment program, referred to as the CAASPP. All students in grades three through eight and eleven were assessed using computer-based tests in English/Language Arts and Mathematics; students in grades five, eight, and ten were also tested in Science. Science assessments were paper-based and included California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). Students receive an overall score for each subject, ranging from 2,000 to 3,000. Overall scores are reported within one of four levels:

- Performance Level 1: Standard not met Needs substantial improvement for success in future coursework.
- Performance Level 2: Standard nearly met May require further development for success in future coursework.
- Performance Level 3: Standard met Demonstrates progress toward mastery.
- Performance Level 4: Standard exceeded Demonstrates advanced progress toward mastery.

ELA results include information about the students' performance in the areas of reading, writing, listening, and research. Reports of mathematics results include information about students' performance in problem solving, using concepts and procedures, and communicating mathematical reasoning.

The table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English Language Arts/Literacy (grades 3-8 and 11) and math (grades 3-8 and 11).

The following tables display information on student achievement at each performance level in English/Language Arts and Mathematics for the school by student groups for grades three through eight and eleven.

California Assessment of Student Performance and Progress

Percent of Students Meeting or Exceeding the State Standards

Mathematics (Grades 3-8 and 11)	22	21	33
(Grades 3-8 and 11)			

Note: A student is defined as socioeconomically disadvantaged if the student was eligible for the free or reduced-price lunch program (also known as the National School Lunch Program or NSLP), migrant, foster youth or homeless, or neither of the student's parents was a high school graduate.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Standards Test

Education Services
Foster Youth

The California Standards Test (CST), a component of the CAASPP Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in science (for grades 5, 8, and 10), for the most recent three-year period. The second table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority:

• Pupil outcomes in the subject areas of English, mathematics, and physical education.

Physical Fitness (School Year 2014-15)

In the spring of each year, Twin Rivers Unified schools are required by the state to administer a physical fitness test to all students in fifth, seventh and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students that meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ).

Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Parent & Community Involvement (School Year 2015-16)

Parents and the community are very supportive of the educational programs in the Twin Rivers Unified School District. The Parent Teacher Association (PTA) plays an active role in the community and at each school site through fundraising and special activities. Numerous programs and activities are enriched by the generous contributions made by the following sources:

- · Grant High School
- USAA
- · Lions Club
- Toys for Tots

- Hagginwood Community Center
- Terkensha
- Elephant Bar
- Mimi's

- Franklin Templeton Investments
- · Del Norte Swin Club
- Junior Achievement

Contact Information

Parents who wish to participate in Castori Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the school's office at (916) 566-3420.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- · Pupil suspension rates;
- · Pupil expulsion rates; and
- · Other local measures on the sense of safety.

Discipline & Climate for Learning

Students at Castori Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others. The school's discipline philosophy "Be Safe, Be Kind, Be Productive," promotes a safe school and a warm, friendly classroom environment, and demonstrates that good discipline is a solid foundation on which to build an effective school.

The goal of Castori Elementary School's BEST Practices (Building Effective Schools Together) program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior. Weekly drawing such as Lunch with teacher or principal's assistant provide additional incentives for positive behavior. Parents and students are informed of discipline policies at the beginning of each school year through classroom orientation and individual student handbooks. A school newsletter, published twice a month, provides updates to school policies and noteworthy events.

The Suspensions and Expulsions table illustrates the unduplicated number of students suspended as well as the percentage of enrollment (students suspended divided by enrollment). Expulsions occur only when required by law or when all other alternatives are exhausted.

Safe School Plan (School Year 2015-16)

Teachers supervise students on campus before and after school and during recess, and noon duty supervisors monitor students during lunchtime. All visitors must sign in at the principal's office and receive proper authorization to be at the school. Visitors are asked by the school site staff to display their pass at all times.

Castori Elementary School's Safety Plan is revised annually each fall by the Site Safety Committee, which is comprised of the vice principal and the Incident Management Team. Revisions to the Safety Plan are communicated to all staff members annually. Emergency drills are held on a regular basis, fire drills are held once a month, earthquake and lockdown drills are held once each trimester.

Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Adequate Yearly Progress (School Year 2014-15)

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- Percent proficient on the state's standards-based assessments in ELA and mathematics.
- · Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school, district, and state performance are displayed in the chart.

Federal Intervention Program (School Year 2015-16)

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

For detailed information about PI identification, see the CDE PI Status Determinations Web page: http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Homework

At Castori Elementary School, homework is a fundamental part of the learning process which helps to develop basic academic and study skills, as well as promote student responsibility and self-discipline. Homework is assigned on a regular basis for all grade levels and major subject areas, and each teacher determines the appropriate measure of homework for his or her students. Students are expected to complete their homework assignments in a timely manner and to the best of their ability.

Parents are encouraged to provide a supportive environment for homework activities and to be responsible for reviewing homework assignments with their child. Teachers are also looking at new ways to deliver homework via the web and portable devices.

School Leadership

Leadership at Castori Elementary School is a responsibility shared between district administration, the principal, vice principal, instructional staff, students, and parents. Primary leadership duties are assumed by Principal Martin Powers.

The education of children is a joint effort of home and school. Parents and teachers meet each trimester to plan, discuss and evaluate student objectives. These objectives enable teachers to adjust their teaching to the unique needs of every class.

Staff and parents are encouraged to participate in a wide variety of leadership teams, such as the School Site Council, the Leadership Team, the Bilingual Advisory Committee and the Student Study Team. Parents are invited to attend a coffee and conversation group, facilitated by the school counselor.

The Leadership Team is the primary body assigned to developing, refining, and implementing the school plan. This team is responsible for planning and monitoring the effectiveness of the school curriculum. Other leadership teams for the staff at Castori Elementary School include the Safety Committee, the BEST Practices Team, Grade Level Facilitators, and the Curriculum Committee.

Counseling & Support Staff (School Year 2014-15)

It is the goal of Castori Elementary School to assist students in their social and personal development as well as academics. The goal is to help students deal with problems and assist them to reach positive goals.

Castori Elementary School utilizes supplemental instruction. A Resource Specialist program and Speech & Language Therapist provided support for students with special needs to ensure they are getting necessary specialized instruction.

The following support staff are available according to the full-time equivalent indicated in the chart: Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Counseling & Support Services Staff

Teacher Evaluation & Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and both formal and non-formal, non-evaluative observations are designed to promote high quality instruction as well as comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by an administrator, who has been trained and certified for competency to perform teacher evaluations. Evaluation criteria are adapted from the California Standards for the Teaching Profession and address the following domains: Engaging and Supporting All Students in Learning, Creating and Maintaining Effective Environments, Understanding and Organizing Subject Matter, Planning Instruction and Designing Learning Experiences, Assessing Student Learning, and Developing as a Professional Educator.

Teachers and other certificated staff build skills and develop educational concepts through the participation in conferences and after school workshops throughout the year. In the 2014-2015 school year, Twin Rivers Unified School District offered 5 non-student professional development days for teachers. Professional Learning Communities (PLCs) were organized, met regularly, and collaborated during dedicated periods at each school site during late-start days. Professional development sessions were focused on Transitioning/Implementation of the Common Core Standards for all grade levels, 21st Century Learning Skills, and Implementation of PLCs. For the 2014-2015 year, the district supported approximately 100 beginning teachers through the district's BTSA program and coached a cohort of NBCT (National Board Certification of Teachers) candidates.

Library Information

Castori Elementary School's library is staffed by a Media Technician and is stocked with thousands of text, supplemental and recreational reading books that are available for students and parents to check out. A full video library is also available for teachers to check out for classroom use. Computer resources within the computer lab are connected to the Internet so students are able to access resources and information online to improve their research skills.

Curriculum Development

All curriculum development at Castori Elementary School revolves around the California Common Core Frameworks. The writing and implementation of the Twin Rivers Unified School District's curriculum is an ongoing process. The district's curriculum guides are updated regularly to align with the state standards, district goals, and the statewide assessment program. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

Recognition Programs

Castori Elementary School's comprehensive student recognition program contributes to the positive environment of the school, and includes classroom and school-wide awards. Assemblies are held each trimester to recognize students for academic excellence.

The Principal's Honor Roll recognizes students for receiving all 'A's on their report card. The Honor Roll rewards students for receiving 'A' s and 'B's. Classrooms that have no referrals for student behavior receive an Honor Class ribbon. Classrooms with the most Honor Ribbons at the end of a trimester receive a pizza party.

Students may earn the Panther Pride/Student of the Month award once a month for academic and non-academic excellence. The Positive Purple Referral is given to students who receive no citations for the trimester.

Extracurricular Activities

Castori Elementary School recognizes that extracurricular activities enrich the educational and social development and experiences of students. The district encourages and supports student participation in extracurricular activities without compromising the integrity and purpose of the educational program. Extracurricular activities include:

- · Student Council (3rd-6th grade)
- After-School Enrichment
- Garden Club
- · Spelling Bee
- Soccer
- GATE
- Art Night
- Panther Patrol
- Red Ribbon Week
- · Michael Castori Festival
- PTA
- Family Fun Night
