## ***2013-14 School Accountability Report Card***

### **Principal's Message**

In accordance with Proposition 98, every school in California is required to issue an annual "Accountability Report Card". We are proud of Woodlake Elementary School and welcome this opportunity to tell you more about us.

Woodlake Elementary School has an ongoing tradition of academic excellence. The school population consists of students and staff with rich multicultural and ethnically diverse backgrounds. The students, parents, staff, and community have joined together to ensure academic success for all students.

The staff at Woodlake Elementary School believes each child is unique and deserving of a rich educational environment. Each student has access to a rigorous core curriculum in language arts, mathematics, science and social science, science and art. Our goal is to have every student reading at grade level by the end of third grade.

Our staff is both skilled and dedicated to the success of all students. We are fortunate to have experienced and knowledgeable teachers eager to make a difference in the future of our students. We believe in a student-centered approach, which provides an atmosphere in which a child's social, emotional, and intellectual needs are equally important. All students have special talents and are given opportunities to develop those talents. We care about each one of our students.

Woodlake Elementary School staff prides itself on involving parents and community members in every aspect of our school. We welcome visitors on our campus. We believe that parents, community members, and staff must work together to influence the education for each student. We are very proud of our fine tradition at Woodlake Elementary School.

### **SARC Information**

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### **School Mission Statement**

It is the mission of Woodlake Elementary School to inspire each student to extraordinary achievement everyday.

### **District & School Profile (School Year 2014-15)**

Twin Rivers Unified School District is California's newest unified school district, combining the former North Sacramento, Del Paso Heights, Rio Linda Union, and Grant Joint Union High School Districts. Started in the 2008-09 school year, Twin Rivers Unified School District is located in Sacramento County and has 30 elementary schools, 5 middle schools, and four high schools. Our district also offers families the option of two alternative schools, a special education center, an independent learning center, two adult education centers, one community day school, one opportunity school, preschools and three dependent charter schools.

Woodlake Elementary School had a beginning enrollment of 468 students in grades kindergarten through six for the 2013-14 school year. There is a preschool on campus at Woodlake.

## Enrollment By Ethnicity Or Student Group (School Year 2013-14)

This chart illustrates the enrollment trend by ethnicity or student group.

Enrollment by Student Group	
2013-14	
	Percentage
African American	21.8%
American Indian	1.1%
Asian	1.9%
Filipino	0.6%
Hispanic or Latino	51.3%
Pacific Islander	1.9%
White	14.1%
Two or More	6.4%
None Reported	0.9%
English Learners	21.8%
Socioeconomically Disadvantaged	97.4%
Students with Disabilities	12.8%

## School Enrollment & Attendance (School Year 2013-14)

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at Woodlake Elementary School. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

This chart illustrates the enrollment trend by grade level for the past three school years.

Enrollment Trend by Grade Level			
	2011-12	2012-13	2013-14
K	83	74	75

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## Highly Qualified Teachers (School Year 2013-14)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified". Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

NCLB Compliant Teachers		
	% of Core Academic Courses Taught By NCLB Compliant Teachers	% of Core Academic Courses Taught By Non-NCLB Compliant Teachers
School	100.0%	0.0%
District	75.3%	24.7%
High-Poverty Schools in District	75.3%	24.7%
Low-Poverty Schools in District	N/A	N/A

## Teacher Assignment

The district recruits and employs the most qualified credentialed teachers. This chart shows information about teacher credentials.

	Teacher Credential Status			
	School			District
	12-13	13-14	14-15	14-15
Fully Credentialed	19	0	19	1181
Without Full Credentials	0	0	0	14
Working Outside Subject	0	0	0	53

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

## Instructional Materials (School Year 2014-15)

Twin Rivers Unified held a public hearing on October 7, 2014, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in June 2014, about the quality, currency, and availability of the standards-aligned textbooks and the instructional materials used at the school.

### School Facilities & Safety (School Year 2014-15)

The current facilities were built in 1953 and consists of 27 classrooms, 14 of which are portable, a multipurpose room, one administration building, one staff room, and one playground. Woodlake Elementary School received funding from the City of Sacramento to completely renovate the playing fields, expand the parking lot, and add buildings for a Community Partnership Center.

Woodlake Elementary strives to maintain a safe nurturing and orderly school campus. District administration and the Twin Rivers Unified School District's Board of Trustees have place a great emphasis on campus safety. Staff supervises students on campus before and after school as well as during recess. All visitors must sign in at the office and receive proper authorization to be on campus. For the safety of our students, visitors are asked by the school site staff to display their pass at all times.

Woodlake Elementary School's Safety Plan is evaluated by the Site Safety Committee and the Incident Management Team. Emergency drills are held on a regular basis. Earthquake and lockdown drills are held on a rotating basis and fire drills are held once per month.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

### Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. One full-time and one part-time custodian ensure that all classrooms and facilities are in adequate condition. A work order process is used to ensure efficient service that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

### Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems. For the 2014-15 school year, the district has budgeted \$1,775,000.00 for the deferred maintenance program. This represents 0.72% of the district's general fund budget.

## B. Pupil Outcomes State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its predecessor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## California Assessment of Student Performance and Progress/Standardized Testing and Reporting Results

California EC Section 60640 authorized the replacement of the Standardized Testing and Reporting (STAR) Program with a new assessment program, referred to as the CAASPP. On March 7, 2014, the U.S Department of Education (ED) approved California's waiver request for flexibility in assessment and accountability provisions of Title I of the Elementary and Secondary Education Act (ESEA). Science assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in science (for grades 5, 8, and 10), for the most recent three-year period.

## California Standards Test

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English/language arts, mathematics, and social science, for the most recent three-year period. NOTE: CST was last administered in 2012-13.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

California Standards Test (CST)									
Subject	School			District			State		
	2011	2012	2013	2011	2012	2013	2011	2012	2013

*\*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

## Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

**Statewide Rank:** Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

**Similar Schools Rank:** Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

Note: For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

The table displays the school's API ranks and actual API point changes by student group for the past three years.

## State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority:

- Pupil outcomes in the subject areas of English, mathematics, and physical education.

## Physical Fitness (School Year 2013-14)

In the spring of each year, Twin Rivers Unified schools are required by the state to administer a physical fitness test to all students in fifth, seventh and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students that meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ).

Percentage of Students in Healthy Fitness Zone			
2013-14			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	20.8%	13.2%	22.6%

*\*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

## Engagement State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

## Parent & Community Involvement (School Year 2014-15)

Parents and community members are very supportive of the educational programs in the Twin Rivers Unified School District. The Parent/Teacher Association (PTA) plays an active role in the community and at each school site through fundraising and special activities. Parent volunteers have logged many hours in support of schoolwide events such as the Scholastic Book Fair, fundraisers, Fall Carnival, Holiday Breakfast, Jog-a-Thon, Family Reading Night, Multicultural Night, Science Night, after-school programs and support in the classroom. Other opportunities for parent and community involvement include: School Site Council (SSC), District English Learner Advisory Committee (DELAC), Coffee & Conversation, and Watch Dogs.

## Contact Information

Parents who wish to participate in PTA, the School Site Council, school committees, school activities, or become a volunteer, may contact the school's office at (916) 566-2755.

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## Discipline & Climate for Learning

Students at Woodlake Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, responsibility, productivity, courtesy, and acceptance of others. The school's discipline philosophy "Be Safe, Be Kind, Be Responsible" promotes a safe school, a friendly classroom environment, and a sense of belonging and school pride. The goal of Woodlake Elementary School's discipline program, BEST Practices (Building Effective Schools Together), ensures that all students receive the support needed to be successful in all academic areas, citizenship and daily attendance.

Woodlake Elementary School staff believes that children should be taught to be responsible citizens. Students should realize that freedom and responsibility go hand in hand and that they have a responsibility to themselves and to others. Parents and students are informed of discipline policies at the beginning of each school year through classroom orientations and individual student handbooks. The school wide uniform policy contributes to the school's safe and positive learning environment and helps remove distractions that may deter students from focusing on class work.

The Suspensions and Expulsions table illustrates the unduplicated number of students suspended as well as the percentage of enrollment (students suspended divided by enrollment). Expulsions occur only when required by law or when all other alternatives are exhausted.

Suspensions & Expulsions						
	School			District		
	11-12	12-13	13-14	11-12	12-13	13-14
Suspensions	39	79	59	5588	5607	5513
Suspension Rate	8.4%	16.8%	12.6%	17.7%	17.8%	17.7%
Expulsions	0	0	0	18	12	20
Expulsion Rate	0.0%	0.0%	0.0%	0.1%	0.0%	0.1%

The three-year statewide rates for comparison are as follows:

2011-12: 5.7%  
 2012-13: 5.1%  
 2013-14: 4.4%

The statewide expulsion rate has been 0.1% for each of the last three years.

## Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

## Federal Intervention Program (School Year 2014-15)

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

## School Leadership

Leadership at Woodlake Elementary School is a responsibility shared between district administration, the principal, instructional staff, students, and parents. Primary leadership duties are assumed by Principal Micah Simmons.

The education of children is a joint effort of home and school. Parents and teachers meet weekly to discuss and evaluate student progress. Staff and parents are encouraged to participate in a wide variety of leadership teams. Opportunities for leadership include:

- School Site Council
- Leadership Team
- English Language Advisory Committee
- District English Language Advisory Committee
- Student Study Team
- Safety Committee
- BEST Practices Committee
- Grade Level Facilitators
- Crisis Management Team
- Coffee & Conversation
- Nutrition - Healthy School Committee

The Leadership Team is the primary body assigned to developing, refining, and implementing the school plan. This team is responsible for planning and monitoring the effectiveness of the school curriculum.

## Counseling & Support Staff (School Year 2013-14)

It is the goal of Woodlake Elementary School to assist students in their social and personal development as well as academics. The goal is to help students deal with problems and assist them to reach positive goals. When students require additional assistance, the support staff are available according to the full-time equivalent indicated in the chart.

Woodlake Elementary School serves special education students in a self contained class. A certificated teacher and an instructional assistant work with 15 students in second through six grades. The instructional program is specifically designed to meet the educational needs of the students. Additionally, Woodlake Elementary School has a half-time Resource Specialist and an instructional assistant who work with students eligible for the program. Woodlake students received services from a School Social Worker.

Several programs are in place to provide support to students. These include after-school tutoring offered by the MASTERS program, and childcare provided by the 4th R program. After-school support provided by the teaching staff in Reading, Language Arts and Math may be available.

Students needing assistance in learning English receive special instruction from the classroom teachers and bilingual paraeducators. A student is reclassified as a fluent English speaker when he/she is able to meet the criteria for redesignation.

A Gifted and Talented Education (GATE) program is available for those students that qualify. Students receive challenging standards based instruction.

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

## Teacher Evaluation & Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and both formal and non-formal, non-evaluative observations are designed to promote high quality instruction as well as comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by an administrator, who has been trained and certified for competency to perform teacher evaluations. Evaluation criteria are adapted from the California Standards for the Teaching Profession and address the following domains: Engaging and Supporting All Students in Learning, Creating and Maintaining Effective Environments, Understanding and Organizing Subject Matter, Planning Instruction and Designing Learning Experiences, Assessing Student Learning, and Developing as a Professional Educator.

Teachers and other certificated staff build skills and develop educational concepts through the participation in conferences and after school workshops throughout the year. In the 2013-2014 school year, Twin Rivers Unified School District offered 2 non-student professional development days for elementary teachers and secondary teachers. Professional Learning Communities (PLCs) were organized, met regularly, and collaborated during dedicated periods at each school site during late-start days. Professional development sessions were focused on Transitioning/Implementation of the Common Core Standards for all grade levels. These strategies include teaching practices for promoting 21st century skills. For the 2013-2014 year, the district supported approximately 73 beginning teachers through the district's BTSA program and coached a cohort of NBCT (National Board Certification for Teachers) candidates. TRUSD recognized 5 brand-new National Board Certified Teachers at the end of the year.

## Teacher & Administrative Salaries (Fiscal Year 2012-13)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the districts budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE Web site, [www.cde.ca.gov](http://www.cde.ca.gov).

## Curriculum Development

The writing and implementation of the Twin Rivers Unified School District's curriculum is an ongoing process. The district's Curriculum and Assessment Guides are updated regularly to align with the state Common Core standards, district goals, and the statewide assessment program.

All curriculum at Woodlake Elementary School is aligned with the California State Common Core Standards. Teachers differentiate instruction to ensure that all students meet or exceed state proficiency levels. Teachers meet weekly to analyze data and discuss specific needs of students.

A Student Study Team assists in providing resources and support for special needs students and families.

Curriculum planning is accomplished through a careful analysis of the state frameworks, instructional materials aligned with the State standards, district policies, assessment results, and research. Special curricula utilized at Woodlake Elementary School include: English Language Development support and the Language Program.

## Recognition Programs

Woodlake Elementary School's comprehensive student recognition program contributes to the positive environment of the school and includes classroom and school-wide awards. Assemblies are held each trimester to recognize students for achievement in academics, attendance, and citizenship. Classrooms that have no referrals for student behavior receive outstanding behavior awards. Woodlake Elementary School recognizes a "Student of the Week" from each of the classrooms every Monday.

## Extracurricular Activities

Woodlake Elementary School recognizes that extracurricular activities enrich the educational and social experiences of students. Twin Rivers School District encourages and supports student participation in extracurricular activities without compromising the integrity and purpose of the educational program.

Extracurricular activities include:

- Student Council
- Roberts Family Development Center
- Sports Day
- MASTERS Program
- Soccer
- Multicultural Night
- Student Community Service
- Stanford Settlement
- Jog-a-thon
- Basketball
- Talent Show
- Girl Scouts

## Homework

At Woodlake Elementary School, homework is a fundamental part of the learning process. Homework helps develop basic academic and study skills as well as promote student responsibility and self-discipline. Homework is assigned on a regular basis for all grade levels in major subject areas. Each teacher determines the appropriate measure of homework for his or her students.

Students are expected to complete their homework assignments in a timely manner and to the best of their ability. Parents are encouraged to provide a supportive environment for homework activities and to be responsible for reviewing homework assignments with their child. Students may participate in after-school program sessions in reading, math, music, sports and visual and performing arts that are offered.
