2015-16 School Accountability Report Card Published in 2016-17 School Year

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at http://www.cde.ca.gov/ta/ac/sa/.
- View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at http://www.cde.ca.gov/fg/aa/ lc/.
- For additional information about the school, parents and community members should contact the school principal or the district office.

Principal's Message

In accordance with Proposition 98, every school in California is required to issue an annual "Accountability Report Card". We are proud of Woodlake Elementary School and welcome this opportunity to tell you more about us.

Woodlake Elementary School has an ongoing tradition of academic excellence. The school population consists of students and staff with rich multicultural and ethnically diverse backgrounds. The students, parents, staff, and community have joined together to ensure academic success for all students.

The staff at Woodlake Elementary School believes each child is unique and deserving of a rich educational environment. Each student has access to a rigorous core curriculum in language arts, mathematics, science and social science, science and art. Our goal is to have every student reading at grade level by the end of third grade.

Our staff is both skilled and dedicated to the success of all students. We are fortunate to have experienced and knowledgeable teachers eager to make a difference in the future of our students. We believe in a student-centered approach, which provides an atmosphere in which a child's social, emotional, and intellectual needs are equally important. All students have special talents and are given opportunities to develop those talents. We care about each one of our students.

Woodlake Elementary School staff prides itself on involving parents and community members in every aspect of our school. We welcome visitors on our campus. We believe that parents, community members, and staff must work together to influence the education for each student. We are very proud of our fine tradition at Woodlake Elementary School.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

School Mission Statement

It is the mission of Woodlake Elementary School to inspire each student to extraordinary achievement everyday.

District & School Profile (School Year 2016-17)

Twin Rivers Unified School District is California's newest unified school district, combining the former North Sacramento, Del Paso Heights, Rio Linda Union, and Grant Joint Union High School Districts. Started in the 2008-09 school year, Twin Rivers Unified School District is located in Sacramento County and has 30 elementary schools, 5 middle schools, and four high schools. Our district also offers families the option of two alternative schools, a special education center, an independent learning center, two adult education centers, one community day school, one opportunity school, preschools and three dependent charter schools.

Enrollment By Ethnicity Or Student Group (School Year 2015-16)

This chart illustrates the enrollment trend by ethnicity or student group.

Enrollment by Student Group									
2015-16									
	Percentage								
Black or African American	21.3%								
American Indian or Alaska Native	1.1%								
Asian	2.8%								
Filipino	-								
Hispanic or Latino	48.6%								
Native Hawaiian or Pacific Islander	1.3%								
White	13.1%								
Two or More Races	9.2%								
EL Students	23.9%								
Socioeconomically Disadvantaged	97.0%								
Students with Disabilities	8.4%								
Foster Youth	1.1%								

School Enrollment & Attendance (School Year 2015-16)

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at the school. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

Woodlake Elementary School had a beginning enrollment of 465 students in grades kindergarten through six for the 2015-16 school year.

This chart illustrates the enrollment trend by grade level for the past three school years.

Enrollment Trend by Grade Level								
	2013-14	2014-15	2015-16					
К	75	84	89					
1st	64	72	73					
2nd	90	67	71					
3rd	65	75	63					
4th	66	60	58					
5th	54	60	60					
6th	54	56	51					

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- · Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Highly Qualified Teachers (School Year 2016-17)

Federal law requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified." Minimum qualifications include:

- · Possession of a Bachelor's Degree;
- · Possession of an appropriate California teaching credential; and
- Demonstrated competence in core academic subjects.

For more information, see the CDE Improving Teacher and Principal Quality Web page at: http://www.cde.ca.gov/nclb/sr/tq/.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

Highly Qualified Teachers							
	% of Core Academic Courses Taught By Highly Qualified Teachers	% of Core Academic Courses Taught By Non-Highly Qualified Teachers					
School	95.2%	4.8%					
All Schools in District	79.1%	20.9%					
High-Poverty Schools in District	79.1%	20.9%					
Low-Poverty Schools in District	N/A	N/A					

Teacher Assignment

The district recruits and employs the most qualified credentialed teachers. This chart shows information about teacher credentials.

Teacher Credential Status									
		District							
	14-15	15-16	16-17	16-17					
Fully Credentialed	19	19	19	1257					
Without Full Credentials	0	0	1	46					
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	52					

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Misassignments/Vacancies								
	14-15	15-16	16-17					
Misassignments of Teachers of English Learners	0	0	0					
Misassignments of Teachers (other)	0	0	0					
Total Misassignments of Teachers	0	0	0					
Vacant Teacher Positions	1	0	0					

Instructional Materials (School Year 2016-17)

Twin Rivers Unified held a public hearing on October 4, 2016, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in June 2016, about the quality, currency, and availability of the standards-aligned textbooks and the instructional materials used at the school.

District-Adopted Textbooks										
Grade Levels	Subject	Publisher	Adoption Year	Sufficient	% Lacking					
Pre K & K	English/Language Arts	MacMillan/ McGraw Hill	2012	Yes	0.0%					
K-6	English/Language Arts	MacMillan/McGraw-Hill CA Treasures	2010	Yes	0.0%					
6th	History/Social Studies	MacMillan/ McGraw Hill	2007	Yes	0.0%					
K-5	History/Social Studies	Pearson Scott Foresman	2006	Yes	0.0%					
K-6	Mathematics	Houghton Mifflin	2015	Yes	0.0%					
Pre K & K	Mathematics	Pearson Scott Foresman	2012	Yes	0.0%					
6th	Science	Houghton Mifflin	2007	Yes	0.0%					
K-5	Science	Pearson Scott Foresman	2007	Yes	0.0%					

For a complete list, visit http://www.axiomadvisors.net/livesarc/files/34765056033450Textbooks_1.pdf

School Facilities & Safety (School Year 2016-17)

The current facilities were built in 1953 and consists of 27 classrooms, 14 of which are portable, a multipurpose room, one administration building, one staff room, and one playground. Woodlake Elementary School received funding from the City of Sacramento to completely renovate the playing fields, expand the parking lot, and add buildings for a Community Partnership Center.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. One full-time and one parttime custodian ensure that all classrooms and facilities are in adequate condition. A work order process is used to ensure efficient service that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems. For the 2016-17 school year, the district has budgeted \$1,896,380.00 for the deferred maintenance program. This represents 0.61% of the district's general fund budget.

School Facility Conditions										
Date of Last Inspection: 08/30/2016										
Overall Summary of School Facility Conditions: Good										
Items Inspected		ty Comp stem Sta		Deficiency & Remedial Actions Taken or Planned						
	Good	Fair	Poor							
Systems (Gas Leaks, Mech/ HVAC, Sewer)	х									
Interior	Х									
Cleanliness (Overall Cleanliness, Pest/Vermin Infestation)	х									
Electrical			х	Kindergarten Room - the electric panel is blocked; Kindergarten Room 5 - there is one light out; Kitchen/ Cafeteria - there is one light out; Library - there is one light out; Room 27 - there are three lights out and there is a blocked electric panel; Room 9 - there is one light out.						
Restrooms/Fountains	х			Kindergarten Room 1 - the faucet is loose.						
Safety (Fire Safety, Hazardous Materials)	х			Kindergarten Room 1 - the fire extinguisher is not hung.						
Structural (Structural Damage, Roofs)	х									
External (Grounds, Windows, Doors, Gates, Fences)	х									

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based and paper-pencil assessments. The computerbased assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. The paper-pencil assessments include the Science assessments for grades five, eight, and ten: the California Standards Tests (CSTs) for Science, the California Modified Assessment (CMA) for Science, and California Alternate Performance Assessment (CAPA) for Science. There is also the optional Standards-based Tests in Spanish (STS) for Reading/Language Arts (RLA).

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student's academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student's academic achievement, including such measures as classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

This table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11) and Math (grades 3-8 and 11) for the past two school years.

California Assessment of Student Performance and Progress										
Percent of Students Meeting or Exceeding the State Standards										
Subject	School			District			State			
	2014	2015	2016	2014	2015	2016	2014	2015	2016	
English Language Arts/Literacy (Grades 3-8 and 11)		15	21		28	31		44	48	
Mathematics (Grades 3-8 and 11)		15	15		23	25		34	36	
Science (Grades 5, 8, and 10)	58	18	18	47	43	40	60	56	54	

The following table displays school-wide data for all students who took the Science assessment in grade eight broken down by student group.

California Assessment of Student Performance and Progress - Science									
			Science						
Student Groups	Total Enrollment	Number Tested	Percent Tested	% Met or Exceeded CA Standard					
All Students	59	57	96.61	17.54

English Learners	14	13	92.86		13	92.86			

California Assessment of Student Performance and Progress - Grade 6

		English-Language Arts			Mathematics		
Student Groups	Total Enrollment	Number Tested	Percent Tested	% Met or Exceeded CA Standard	Number Tested	Percent Tested	% Met or Exceeded CA Standard
All Students	60	56	93.33	25.45	56	93.33	12.5
Male	30	26	86.67	7.69	26	86.67	11.54
Female	30	30	100	41.38	30	100	13.33
Black or African American	14	12	85.71	16.67	12	85.71	8.33
Hispanic or Latino	28	27	96.43	30.77	27	96.43	11.11
White	11	10	90.91	20	10	90.91	20
Socioeconomically Disadvantaged	60	56	93.33	25.45	56	93.33	12.5
English Learners	13	12	92.31	16.67	12	92.31	8.33

Note: ELA test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

• Pupil outcomes in the subject area of physical education

Physical Fitness (School Year 2015-16)

In the spring of each year, Twin Rivers Unified schools are required by the state to administer a physical fitness test to all students in fifth, seventh and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students that meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ).

Percentage of Students in Healthy Fitness Zone							
	2015-16						
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards				
5	10.3%	6.9%	-				

*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Parent & Community Involvement (School Year 2016-17)

Parents and community members are very supportive of the educational programs in the Twin Rivers Unified School District. The Parent/Teacher Association (PTA) plays an active role in the community and at each school site through fundraising and special activities. Parent volunteers have logged many hours in support of schoolwide events such as the Scholastic Book Fair, fundraisers, Fall Carnival, Holiday Breakfast, Jog-a-Thon, Family Reading Night, Multicultural Night, Science Night, after-school programs and support in the classroom. Other opportunities for parent and community involvement include: School Site Council (SSC), District English Learner Advisory Committee (DELAC), Coffee & Conversation, and Watch Dogs.

Contact Information

Parents who wish to participate in PTA, the School Site Council, school committees, school activities, or become a volunteer, may contact the school's office at (916) 566-2755.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

• Pupil suspension and expulsion rates; and

Other local measures on the sense of safety.

Discipline & Climate for Learning

Students at Woodlake Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, responsibility, productivity, courtesy, and acceptance of others. The school's discipline philosophy "Be Safe, Be Kind, Be Responsible" promotes a safe school, a friendly classroom environment, and a sense of belonging and school pride. The goal of Woodlake Elementary School's discipline program, BEST Practices (Building Effective Schools Together), ensures that all students receive the support needed to be successful in all academic areas, citizenship and daily attendance.

Woodlake Elementary School staff believes that children should be taught to be responsible citizens. Students should realize that freedom and responsibility go hand in hand and that they have a responsibility to themselves and to others. Parents and students are informed of discipline policies at the beginning of each school year through classroom orientations and individual student handbooks. The school wide uniform policy contributes to the school's safe and positive learning environment and helps remove distractions that may deter students from focusing on class work.

The Suspensions and Expulsions table illustrates the unduplicated number of students suspended as well as the percentage of enrollment (students suspended divided by enrollment). Expulsions occur only when required by law or when all other alternatives are exhausted.

Suspensions & Expulsions							
	Si	uspensio	ns	Expulsions			
	13-14	14-15	15-16	13-14	14-15	15-16	
School	6.0%	16.0%	11.0%	0.0%	0.0%	0.0%	
District	9.0%	8.0%	8.0%	0.0%	0.0%	0.0%	
State	4.0%	4.0%	4.0%	0.0%	0.0%	0.0%	

Safe School Plan (School Year 2016-17)

Woodlake Elementary strives to maintain a safe nurturing and orderly school campus. District administration and the Twin Rivers Unified School District's Board of Trustees have place a great emphasis on campus safety. Staff supervises students on campus before and after school as well as during recess. All visitors must sign in at the office and receive proper authorization to be on campus. For the safety of our students, visitors are asked by the school site staff to display their pass at all times.

Woodlake Elementary School's Safety Plan is evaluated by the Site Safety Committee and the Incident Management Team. Emergency drills are held on a regular basis. Earthquake and lock down drills are held on a rotating basis and fire drills are held once per month.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in the city and county of Sacramento, which contain numerous computer workstations. Visit www.saclibrary.org for more information and directions to the nearest branch.

Federal Intervention Program (School Year 2016-17)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not meet federal Annual Measurable Objective targets for two consecutive years in the same area or indicator, including English/Language Arts and Math testing participation rates, attendance rates, and graduation rates. After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not meet those goals. For detailed information about PI identification, see the CDE PI Status Determinations Web page: http://www.cde.ca.gov/ta/ac/ay/tidetermine. asp.

Federal Intervention Programs

Homework

At Woodlake Elementary School, homework is a fundamental part of the learning process. Homework helps develop basic academic and study skills as well as promote student responsibility and self-discipline. Homework is assigned on a regular basis for all grade levels in major subject areas. Each teacher determines the appropriate measure of homework for his or her students.

Students are expected to complete their homework assignments in a timely manner and to the best of their ability. Parents are encouraged to provide a supportive environment for homework activities and to be responsible for reviewing homework assignments with their child. Students may participate in after-school program sessions in reading, math, music, sports and visual and performing arts that are offered.

School Leadership

Leadership at Woodlake Elementary School is a responsibility shared between district administration, the principal, instructional staff, students, and parents. Primary leadership duties are assumed by Principal Micah Simmons.

The education of children is a joint effort of home and school. Parents and teachers meet weekly to discuss and evaluate student progress. Staff and parents are encouraged to participate in a wide variety of leadership teams. Opportunities for leadership include:

- School Site Council
- Leadership Team
- English Language Advisory Committee
- District English Language Advisory Committee
- Student Study Team
- Safety Committee
- BEST Practices Committee
- Grade Level Facilitators
- Crisis Management Team
- Coffee & Conversation
- Nutrition Healthy School Committee

The Leadership Team is the primary body assigned to developing, refining, and implementing the school plan. This team is responsible for planning and monitoring the effectiveness of the school curriculum.

Counseling & Support Staff (School Year 2015-16)

It is the goal of Woodlake Elementary School to assist students in their social and personal development as well as academics. The goal is to help students deal with problems and assist them to reach positive goals. When students require additional assistance, the support staff are available according to the full-time equivalent indicated in the chart.

Woodlake Elementary School serves special education students in a self contained class. A certificated teacher and an instructional assistant work with 15 students in second through six grades. The instructional program is specifically designed to meet the educational needs of the students. Additionally, Woodlake Elementary School has a half-time Resource Specialist and an instructional assistant who work with students eligible for the program. Woodlake students received services from a School Social Worker.

Several programs are in place to provide support to students. These include after-school tutoring offered by the MASTERS program, and childcare provided by the 4th R program. After-school support provided by the teaching staff in Reading, Language Arts and Math may be available.

Students needing assistance in learning English receive special instruction from the classroom teachers and bilingual paraeducators. A student is reclassified as a fluent English speaker when he/she is able to meet the criteria for redesignation.

A Gifted and Talented Education (GATE) program is available for those students that qualify. Students receive challenging standards based instruction.

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Counseling & Support Services Staff					
	Number of Staff	Full Time Equivalent			
Nurse	1	0.167			
Psychologist	1	0.4			
Resource Specialist Program (RSP) Teacher	1	1.0			
RSP Aide	1	0.75			
Speech and Language Specialist	1	0.5			
Student Learning Coach	1	1.0			

Teacher Evaluation & Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations that are formal, non-formal, and non-evaluative observations are designed to promote high quality instruction for our students. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year. Evaluations are conducted by trained administrators, and criteria is adapted from the California Standards for the Teaching Profession and addressing the following domains: Engaging and Supporting All Students in Learning, Creating and Maintaining Effective Environments, Understanding and Organizing Subject Matter, Planning Instruction and Designing Learning Experiences, Assessing Student Learning, and Developing as a Professional Educator.

Teachers and Certificated support personnel work to build skills and develop educational concepts through the participation in conferences and after school workshops throughout the year. In the 2015-2016 school year, Twin Rivers Unified School District offered 3 to 5 non-student professional development days for teachers depending on the grade level assignments. Professional Learning Communities (PLCs) were organized, met regularly, and collaborated during dedicated periods at each school site during late-start days. Professional development sessions were focused on high quality instruction, restorative practices, implementation of the Common Core Standards, Systems Thinking and leadership development, as well as numerous curricular support programs necessary to support student's continued growth. For the 2015-2016 year, the district also supported over 100 beginning teachers through the district's BTSA program and coached a cohort of NBCT (National Board Certification of Teachers) candidates.

Curriculum Development

The writing and implementation of the Twin Rivers Unified School District's curriculum is an ongoing process. The district's Curriculum and Assessment Guides are updated regularly to align with the state Common Core standards, district goals, and the statewide assessment program.

All curriculum at Woodlake Elementary School is aligned with the California State Common Core Standards. Teachers differentiate instruction to ensure that all students meet or exceed state proficiency levels. Teachers meet weekly to analyze data and discuss specific needs of students.

A Student Study Team assists in providing resources and support for special needs students and families. Curriculum planning is accomplished through a careful analysis of the state frameworks, instructional materials aligned with the State standards, district policies, assessment results, and research. Special curricula utilized at Woodlake Elementary School include: English Language Development support and the Language Program.

Recognition Programs

Woodlake Elementary School's comprehensive student recognition program contributes to the positive environment of the school and includes classroom and school-wide awards. Assemblies are held each trimester to recognize students for achievement in academics, attendance, and citizenship. Classrooms that have no referrals for student behavior receive outstanding behavior awards. Woodlake Elementary School recognizes a "Student of the Week" from each of the classrooms every Monday.

Extracurricular Activities

Woodlake Elementary School recognizes that extracurricular activities enrich the educational and social experiences of students. Twin Rivers School District encourages and supports student participation in extracurricular activities without compromising the integrity and purpose of the educational program.

Extracurricular activities include:

- Student Council
- Student Community Service
- Roberts Family Development Center
- Stanford Settlement
- Sports Day
- Jog-a-thon
- MASTERS Program
- Basketball
- Soccer
- Talent Show
- Multicultural NightGirl Scouts
- Giri Scoui

School Site Teacher Salaries (Fiscal Year 2014-15)

The chart illustrates the average teacher salary at the school and compares it to the average teacher salary at the district and state.

Average Teacher Salaries					
School & District					
School	\$68,614				
District	\$71,399				
Percentage of Variation	-3.9%				
School & State					
All Unified School Districts	\$75,837				
Percentage of Variation	-9.5%				

Teacher & Administrative Salaries (Fiscal Year 2014-2015)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the districts budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE Web site, www.cde.ca.gov.

Average Salary Information Teachers - Principal - Superintendent 2014-15					
_	District	State			
Beginning Teachers	\$41,616	\$45,092			
Mid-Range Teachers	\$54,748	\$71,627			
Highest Teachers	\$88,311	\$93,288			
Elementary School Principals	\$100,647	\$115,631			
Middle School Principals	\$104,639	\$120,915			
High School Principals	\$111,719	\$132,029			
Superintendent	\$240,000	\$249,537			
Salaries as a Percentage of Total Budget					
Teacher Salaries	36.0%	37.0%			
Administrative Salaries	6.0%	5.0%			

District Expenditures (Fiscal Year 2014-15)

Based on 2014-15 FY audited financial statements, the table provides a comparison of a school's per pupil funding from unrestricted sources with other schools throughout the state.

Supplemental/Restricted expenditures come from money that is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at http://www.cde.ca.gov/ds/fd/ec/. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: http://www.ed-data.org.

Expenditures per Pupil				
School				
Total Expenditures Per Pupil	\$5,960			
From Supplemental/Restricted Sources	\$735			
From Basic/Unrestricted Sources	\$5,225			
District				
From Basic/Unrestricted Sources	\$5,756			
Percentage of Variation between School & District	-9.2%			
State				
From Basic/Unrestricted Sources	\$5,677			
Percentage of Variation between School & State	-8.0%
