## 2016-17 School Accountability Report Card Published in 2017-18 School Year

### SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### School Mission Statement

In accordance with the Twin Rivers Unified School District mission, Kohler PK-8 will inspire each student to extraordinary achievement every day. To accomplish this mission, Kohler PK-8 will:

1. Offer a rigorous educational program with high expectations for all students.
2. Value, respect, and engage with the diverse cultures represented within our school.
3. Create a family-friendly environment that fosters mutual respect, trust, and care.
4. Engage students, staff, families, and community with meaningful involvement in our schools and programs.

### District & School Profile (School Year 2017-18)

Twin Rivers Unified School District is California's newest unified school district, combining the former North Sacramento, Del Paso Heights, Rio Linda Union, and Grant Joint Union High School Districts. Started in the 2008-09 school year, Twin Rivers Unified School District is located in Sacramento County and has 30 elementary schools, 5 middle schools, and four high schools. Our district also offers families the option of two alternative schools, a special education center, an independent learning center, two adult education centers, one community day school, one opportunity school, preschools and three dependent charter schools.

## Enrollment By Ethnicity Or Student Group (School Year 2016-17)

This chart illustrates the enrollment trend by ethnicity or student group.

Enrollment by Student Group	
2016-17	
	Percentage
Black or African American	15.0%
American Indian or Alaska Native	0.8%
Asian	2.6%
Filipino	0.8%
Hispanic or Latino	48.4%
Native Hawaiian or Pacific Islander	1.2%
White	24.4%
Two or More Races	5.3%
EL Students	22.6%
Socioeconomically Disadvantaged	95.1%
Students with Disabilities	8.3%
Foster Youth	0.6%

## School Enrollment & Attendance (School Year 2016-17)

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at the school. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

Kohler School had a beginning enrollment of 508 students in grades kindergarten through eight for the 2016-17 school year.

This chart illustrates the enrollment trend by grade level for the past three school years.

Enrollment Trend by Grade Level			
	2014-15	2015-16	2016-17
K	60	66	66
1st	48	54	54
2nd	59	50	48
3rd	47	53	47
4th	58	46	50

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## Teacher Assignment

The district recruits and employs the most qualified credentialed teachers. This chart shows information about teacher credentials.

Teacher Credential Status				
	School			District
	15-16	16-17	17-18	17-18
Fully Credentialed	23	21	22	1256
Without Full Credentials	1	1	1	60
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	43

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Misassignments/Vacancies			
	15-16	16-17	17-18
Misassignments of Teachers of English Learners	0	0	0
Misassignments of Teachers (other)	0	0	0
<b>Total Misassignments of Teachers</b>	<b>0</b>	<b>0</b>	<b>0</b>
Vacant Teacher Positions	0	0	0

## Instructional Materials (School Year 2017-18)

Twin Rivers Unified held a public hearing on October 4, 2017, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in June 2017, about the quality, currency, and availability of the standards-aligned textbooks and the instructional materials used at the school.

District-Adopted Textbooks

### School Facilities & Safety (School Year 2017-18)

The school was constructed in 1958. The current school facilities contain 23 permanent classrooms, two preschool classrooms, a multipurpose room, a library/media center, administration offices, a staff lounge, and two playgrounds. Recent renovations included installing new carpet, document cameras and SMART boards to all classrooms.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

#### Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

#### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. One full-time and one part-time custodian ensures that all classrooms and facilities are in adequate condition. A work order process is used to ensure efficient service that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

#### Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems. For the 2017-18 school year, the district has budgeted \$1,896,380.00 for the deferred maintenance program. This represents 0.61% of the district's general fund budget.

### B. Pupil Outcomes State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

School Facility Conditions				
Date of Last Inspection: 08/21/2017				
Overall Summary of School Facility Conditions: Good				
Items Inspected	Facility Component System Status			Deficiency & Remedial Actions Taken or Planned
	Good	Fair	Poor	
Systems (Gas Leaks, Mech/HVAC, Sewer)	X

External (Grounds, Windows, Doors, Gates, Fences)	X			

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

## California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. There is also the optional Standards-based Tests in Spanish (STS) for Reading/Language Arts (RLA).

In the 2014-15 and 2015-16 school years, the Science assessments were paper-pencil tests for grades five, eight, and ten: the California Standards Tests (CSTs) for Science, the California Modified Assessment (CMA) for Science, and California Alternate Performance Assessment (CAPA) for Science. During the 2016-17 school year, the new California Science Test was pilot tested. This pilot test replaced the California Standards Tests and California Modified Assessment for Science. Because this was a pilot year, no Science scores will be disclosed.

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student's academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student's academic achievement, including such measures as District assessments, classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

For 2015-16 and 2016-17, this section includes the school, district, and state information on the percent of students meeting or exceeding the State standards on the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments and California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics for grades three through eight and grade eleven. It also displays Science scores (grades 5, 8, and 10) for 2014-15 and 2015-16.

California Assessment of Student Performance and Progress									
Percent of Students Meeting or Exceeding the State Standards									
Subject	School			District			State		
	2015	2016	2017	2015	2016	2017	2015	2016	2017
English Language Arts/Literacy (Grades 3-8 and 11)	--	30	26	--	31	32	--	48	48
Mathematics (Grades 3-8 and 11)	--	25	21	--	25	25	--	36	37
Science (Grades 5, 8, and 10)	47	48	--	43	40	--	56	54	--

The following table displays information on student achievement by student groups for the school in ELA and Mathematics with all grades combined (grades three through eight and eleven).

California Assessment of Student Performance and Progress							
Student Groups	English-Language Arts				Mathematics		
	Total Enrollment	Number Tested	Percent Tested	% Met or Exceeded CA Standard	Number Tested	Percent Tested	% Met or Exceeded CA Standard

White	87	79	90.80	32.91	86	98.85	23.26
Two or More Races	21	20	95.24	0	20	95.24	5
Socioeconomically Disadvantaged	334	312	93.41	26.28	328	98.20	20.73
English Learners	123	102	82.93	29.41	121	98.37	17.36
Students with Disabilities	44	42	95.45	4.76	42	95.45	7.14

Note: ELA test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

### Physical Fitness (School Year 2016-17)

In the spring of each year, Twin Rivers Unified schools are required by the state to administer a physical fitness test to all students in fifth, seventh and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students that meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ).

Percentage of Students in Healthy Fitness Zone			
2016-17			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	12.9%	9.7%	3.2%
7	-	-	-

*\*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

## C. Engagement State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Parent Involvement (School Year 2017-18)

In order to further engage parents/families in their children's education, the staff at Kohler does the following:

- Encourage parents/families to join our Parent Teacher Organization, volunteer in the school, to attend student functions and school meetings, participate in advisory school committees.
- Regularly communicate with families regarding events, homework, academics and behavior through a school wide weekly newsletter, individual classroom newsletters, the Blackboard Connect phone calling system, monthly parent meetings, progress reports each trimester, and individual phone calls home and home visits.

## Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Kohler School office at (916) 566-1850.

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension and expulsion rates; and
- Other local measures on the sense of safety.

### Discipline & Climate for Learning

Students at Kohler are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. We expect all students to follow the three R's. We are Respectful, Responsible and Ready to Learn. Consequences for not following school rules may include a warning, a parent conference, community service, time out, or suspension.

The suspensions and expulsions for the past three years are illustrated in the chart. Suspensions are reported as total number of incidents, not students suspended, as some students may have been suspended on multiple occasions. Suspensions and expulsions rates reflect incidents divided by total enrollment.

	Suspensions & Expulsions					
	Suspensions			Expulsions		
	14-15	15-16	16-17	14-15	15-16	16-17
School	9.60	8.45	12.21	0.00	0.00	0.00

State	3.79	3.65	3.65	0.09	0.09	0.09

### Safe School Plan (School Year 2017-18)

School safety is a primary concern of Kohler School. The school is always in compliance with all laws, rules and regulations pertaining to hazardous materials and state earthquake standards. Each classroom and office area has an Emergency Preparedness Guide. The school at large has regular fire drill, lockdown, and duck and cover procedure rehearsals. In recent years, we have increased playground supervision which has reduced the student to supervisory ratio on the yard. Our school can readily dispatch law enforcement through the district's Safe Schools Police Officer Program. The safety plan was most recently reviewed with staff in the spring of 2017.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Class Size

The table indicates the average class size by grade level or subject area, as well as the number of classrooms that fall into each size category.

Class Size Distribution												
Average Class Size	Classrooms Containing:

### Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in the city and county of Sacramento, which contain numerous computer workstations. Visit [www.saclibrary.org](http://www.saclibrary.org) for more information and directions to the nearest branch.

### Federal Intervention Program (School Year 2017-18)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not meet federal Annual Measurable Objective targets for two consecutive years in the same area or indicator, including English/Language Arts and Math testing participation rates, attendance rates, and graduation rates. After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not meet those goals.

Due to the flexibility allowed by the Every Student Succeeds Act (ESSA) that became law in December 2015 and reauthorized the ESEA, no LEA or school will be newly identified for PI in the 2017–18 school year. LEAs and schools that received Title I, Part A funds for the 2016–17 school year and were “In PI” in the 2016–17 school year will retain their same PI status and placement year for 2017–18. California elected not to require LEAs or schools to provide Supplemental Educational Services and Choice for the 2017–18 school year, as defined in Section 1116 of the ESEA.

LEAs and schools that received Title I, Part A funds for the 2016–17 school year and either had a status of “Not in PI” for the 2016–17 school year or did not receive Title I, Part A funds for the 2015–16 school year will have a status of “Not in PI” for the 2017–18 school year.

For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

% of Title I Schools Currently In PI	-	90.6%

### School Leadership

Leadership at Kohler School is a responsibility shared between district administration, the principal, instructional staff, students, and parents. The district’s emphasis is on a well-balanced and rigorous core curriculum at all grade levels. Instructional programs are aligned with state and district standards. Leadership duties are assigned and monitored by principal, Will Pope. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the school plan to ensure instructional programs are consistent with students’ needs and the school plan complies with district goals.

## Counseling & Support Staff (School Year 2016-17)

In addition to academics, the staff at Kohler School strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school values the importance of on-site counseling and has procedures in place to ensure that students receive the services they need.

The table lists the support service personnel available at Kohler School.

Some students have exceptional academic needs that can be met through the Resource Specialist Program (RSP). RSP students receive additional instruction in identified academic areas based on Individual Education Plans (IEPs). The school employs a full-time RSP teacher who provides instruction within the general education classroom and through pull-out groups.

A Gifted and Talented Education (GATE) program is available for those students who qualify, where students receive challenging supplemental instruction. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
Academic Counselor	1	0.50
Bilingual Paraeducators	1	0.50
Health Assistant	1	0.30

## Teacher Evaluation & Professional Development

### Teacher Evaluation & Professional Development

The teacher evaluation process is one of the most critical professional development opportunities we have with our staff. A well-constructed evaluation helps to promote high quality instruction and is a fundamental way to support growth. Staff evaluations are completed through formal, non-formal, and non-evaluative interactions. Temporary and probationary teachers are evaluated at least two times annually and tenured teacher evaluations alternate every other year and can be extended up to 5 years. Staff evaluations are conducted by trained administrators and the criteria used is closely linked to the California Standards for the Teaching Profession (CSTP). The CSTP domains are; Engaging and Supporting All Students in Learning, Creating and Maintaining Effective Environments, Understanding and Organizing Subject Matter, Planning Instruction and Designing Learning Experiences, Assessing Student Learning, and Developing as a Professional Educator.

Teachers and Certificated support personnel work to build skills and develop educational concepts through the participation in conferences and after school workshops throughout the year. In the 2016-2017 school year, Twin Rivers Unified School District offered 3 to 5 non-student professional development days for teachers depending on the grade level assignments. Professional Learning Communities (PLCs) were organized, met regularly, and collaborated during dedicated periods at each school site during early release days. Professional development sessions were focused on high quality first instruction, implementation of the Common Core Standards, Systems Thinking and leadership development, as well as numerous curricular support programs necessary to support student's continued growth. For the 2016-2017 year, the district also supported over 100 beginning teachers through our partnership with the Sacramento County Office of Education's Employee Induction Program.

## Curriculum Development

All curriculum development at Kohler School revolves around the California Common Core State Standards. The writing and implementation of the Twin Rivers Unified School District's curriculum is an ongoing process. The district's curriculum guides are updated regularly to align with the state standards, district goals, and the statewide assessment program. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

## Student Recognition

Students receive special recognition in their classrooms, as well as at weekly respect assemblies, monthly sing assemblies, and awards assemblies every trimester. Awards are intended to promote and recognize academic, behavior, and attendance achievements. In addition, we have student leadership positions awards, given weekly for positive phone calls home; weekly awards for the character trait of the month and a monthly lunch with students new to Kohler School, hosted by the principal and school counselor.

## Extracurricular Activities

Kohler School recognizes that extracurricular activities enrich the educational and social development and experiences of students. Extracurricular activities offered at Kohler include the following:

- After School YMCA
- Sports
- Science Fair
- 7th/8th Grade Dances

## School Site Teacher Salaries (Fiscal Year 2015-16)

The chart illustrates the average teacher salary at the school and compares it to the average teacher salary at the district and state.
