2014-15 School Accountability Report Card Published in 2015-16 School Year

### SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at http://www.cde.ca.gov/ta/ac/sa/.
- · View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at http://www.cde.ca.gov/fg/aa/ lc/.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### Principal's Message

Welcome to Pioneer School, home of the Panthers. I would like to extend a warm welcome to all our families. You are an integral part of our school community and very important to the success of your child(ren). Your active support and cooperation, combined with our best professional efforts will ensure academic success for your child.

I am proud of our staff and students and invite you to be involved in all aspects of our school. Please visit our classrooms, school office, library, cafeteria, and playground. I encourage you to join the P.T.A., be involved in the School Site Council, and the English Learner Advisory Committee. There is a spirit of cooperation and progress at our school that we would love to share with you.

Our goal at Pioneer School is to provide each student with a challenging and rigorous academic program. I believe that every child can achieve academic success. Every child will be provided with a quality instructional program which recognize, support, and maintain high expectations for all students.

At Pioneer School, children are encouraged to learn in a safe, nurturing environment that promotes literacy, fosters self-esteem, and challenges students to succeed.

Sincerely,

KelleyJean Rhoads, Principal

### School Mission Statement

Pioneer is a safe learning community in which members work together for high quality academic and social success.

### District & School Profile (School Year 2015-16)

Twin Rivers Unified School District is California's newest unified school district, combining the former North Sacramento, Del Paso Heights, Rio Linda Union, and Grant Joint Union High School Districts. Started in the 2008-09 school year, Twin Rivers Unified School District is located in Sacramento County and has 30 elementary schools, 5 middle schools, and four high schools. Our district also offers families the option of two alternative schools, a special education center, an independent learning center, two adult education centers, one community day school, one opportunity school, preschools and three dependent charter schools.

### Enrollment By Ethnicity Or Student Group (School Year 2015-16)

This chart illustrates the enrollment trend by ethnicity or student group.

### School Enrollment & Attendance (School Year 2014-15)

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at the school. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

This chart illustrates the enrollment trend by grade level for the past three school years.

# Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- · Pupils have access to standards-aligned instructional materials; and
- · School facilities are maintained in good repair.

### Highly Qualified Teachers (School Year 2015-16)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified". Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: http://www.cde.ca.gov/nclb/sr/tq/.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

### Teacher Assignment

The district recruits and employs the most qualified credentialed teachers. This chart shows information about teacher credentials.

Teacher Credential Status											
		School

Fully Credentialed	0	28	29	1270							
Without Full Credentials	0	1	0	21							
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	43							

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

### Instructional Materials (School Year 2015-16)

Twin Rivers Unified held a public hearing on October 6, 2015, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in June 2015, about the quality, currency, and availability of the standards-aligned textbooks and the instructional materials used at the school.

### School Facilities & Safety (School Year 2015-16)

The school contains 21 classrooms, a multipurpose room, a library/media center, a staff lounge, and two playgrounds.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

#### **Cleaning Process and Schedule**

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

#### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. One full-time and one part-time custodian ensure that all classrooms and facilities are in adequate condition.

A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

#### **Deferred Maintenance Budget**

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems. For the 2015-16 school year, the district has budgeted \$1,775,000.00 for the deferred maintenance program. This represents 0.60% of the district's general fund budget.

## Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its predecessor the Standardized Testing and Reporting Program); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### California Assessment of Student Performance and Progress

California EC Section 60640 authorized the replacement of the Standardized Testing and Reporting (STAR) Program with a new assessment program, referred to as the CAASPP. All students in grades three through eight and eleven were assessed using computer-based tests in English/Language Arts and Mathematics; students in grades five, eight, and ten were also tested in Science. Science assessments were paper-based and included California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA).Students receive an overall score for each subject, ranging from 2,000 to 3,000. Overall scores are reported within one of four levels:

- Performance Level 1: Standard not met Needs substantial improvement for success in future coursework.
- Performance Level 2: Standard nearly met May require further development for success in future coursework.
- · Performance Level 3: Standard met Demonstrates progress toward mastery.
- Performance Level 4: Standard exceeded Demonstrates advanced progress toward mastery.

ELA results include information about the students' performance in the areas of reading, writing, listening, and research. Reports of mathematics results include information about students' performance in problem solving, using concepts and procedures, and communicating mathematical reasoning.

The table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English Language Arts/Literacy (grades 3-8 and 11) and math (grades 3-8 and 11).

The following tables display information on student achievement at each performance level in English/Language Arts and Mathematics for the school by student groups for grades three through eight and eleven.

Note: A student is defined as socioeconomically disadvantaged if the student was eligible for the free or reduced-price lunch program (also known as the National School Lunch Program or NSLP), migrant, foster youth or homeless, or neither of the student's parents was a high school graduate.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### California Standards Test

The California Standards Test (CST), a component of the CAASPP Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in science (for grades 5, 8, and 10), for the most recent three-year period. The second table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

### State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority:

• Pupil outcomes in the subject areas of English, mathematics, and physical education.

### Physical Fitness (School Year 2014-15)

In the spring of each year, Twin Rivers Unified schools are required by the state to administer a physical fitness test to all students in fifth, seventh and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students that meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ).

### Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Parent & Community Involvement (School Year 2015-16)

The Pioneer School Site Council consists of elected parents, staff, and community members. It serves in an advisory role for school programs and budget. In addition we have an English Learner Advisory Committee to help students not yet proficient in English feel welcome to our school. Pioneer has a P.T.A. that provides a variety of community events and financial support for the school. The P.T.A. holds monthly meetings that are open to all interested community members.

Sponsored events include:

- Spring Festival
- School Assemblies
- Skate Nights

Pioneer encourages parents to join the PEP Program which stands for Parents as Educational Partners. A PEP volunteer is a mother, father, grandparent, guardian, or other interested adult or community member who is willing to give their time and talent to help out at school. We encourage parents to become involved in their child's education by volunteering at any time.

### Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Pioneer School at 916-566-1940.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Discipline & Climate for Learning

Students at Pioneer School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. Pioneer has established a schoolwide Student Rules and Behavior Plan. Copies are sent to all parents at the beginning of the year, or when the child enrolls. Wednesday folders are sent home weekly and they remind parents and students of the rules. Teachers establish and maintain classroom rules and positive behavior expectations. We work to teach students problem-solving techniques incorporated with the Mega-skill character traits. At weekly assemblies students are recognized for displaying positive behaviors.

The suspensions and expulsions for the past three years are illustrated in the chart. Suspensions are reported as total number of incidents, not students suspended, as some students may have been suspended on multiple occasions. Suspensions and expulsions rates reflect incidents divided by total enrollment.

Suspensions & Expulsions									
	Si	uspensio	ns	Expulsions					
	12-13	13-14	14-15	12-13	13-14	14-15

State	5.1%	4.4%	3.8%	0.1%	0.1%	0.1%			

### Safe School Plan (School Year 2015-16)

School safety is a primary concern of Pioneer School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Each classroom and office area has an Emergency Preparedness Guide. The school at large has regular fire drills, lockdown, and duck and cover procedure rehearsals. In recent years we have increased playground supervision which has reduced the student to supervisory ratio on the yard. Our school can readily dispatch law enforcement through the district's Safe Schools Police Officer program. The School Site Safety Plan is evaluated yearly by the school leadership team.

# Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Adequate Yearly Progress (School Year 2014-15)

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- Percent proficient on the state's standards-based assessments in ELA and mathematics.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school, district, and state performance are displayed in the chart.

Adequate Yearly Progress (AYP)									
	Sch	nool	Dis	trict	State				
Made AYP Overall	Yes		Ye	es	Yes

### Federal Intervention Program (School Year 2015-16)

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

For detailed information about PI identification, see the CDE PI Status Determinations Web page: http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

### School Leadership

Leadership at Pioneer is a responsibility shared between district administration, the principal, instructional staff, students, and parents. The district's emphasis is on a well-balanced and rigorous core curriculum at all grade levels. Instructional programs are aligned with state and district standards. Leadership duties were assumed by Principal KelleyJean Rhoads. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the school plan to ensure the instructional programs are consistent with students' needs and the school plan complies with district goals.

### Counseling & Support Staff (School Year 2014-15)

It is the goal of Pioneer School to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. The table lists the support service personnel available at Pioneer School.

Pioneer School offers extended day Academy Classes to students who are below the proficient level in reading and math. Students attend the program for one hour after school, three times per week. The program runs for four weeks at a time. Most importantly, the Academy Classes are taught by Pioneer teachers, in surroundings familiar to Pioneer students - a wonderful atmosphere that extends the students' learning day.

Pioneer School utilizes supplemental instruction and Resource Specialists for students with special needs. A Speech & Language Therapist provides additional support outside of traditional classrooms. A Gifted and Talented Education (GATE) program is available for those students who qualify, where students receive challenging supplemental instruction.

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Counseling & Support Services Staff

### Teacher Evaluation & Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and both formal and non-formal, non-evaluative observations are designed to promote high quality instruction as well as comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by an administrator, who has been trained and certified for competency to perform teacher evaluations. Evaluation criteria are adapted from the California Standards for the Teaching Profession and address the following domains: Engaging and Supporting All Students in Learning, Creating and Maintaining Effective Environments, Understanding and Organizing Subject Matter, Planning Instruction and Designing Learning Experiences, Assessing Student Learning, and Developing as a Professional Educator.

Teachers and other certificated staff build skills and develop educational concepts through the participation in conferences and after school workshops throughout the year. In the 2014-2015 school year, Twin Rivers Unified School District offered 5 non-student professional development days for teachers. Professional Learning Communities (PLCs) were organized, met regularly, and collaborated during dedicated periods at each school site during late-start days. Professional development sessions were focused on Transitioning/Implementation of the Common Core Standards for all grade levels, 21st Century Learning Skills, and Implementation of PLCs. For the 2014-2015 year, the district supported approximately 100 beginning teachers through the district's BTSA program and coached a cohort of NBCT (National Board Certification of Teachers) candidates.

### Curriculum Development

All curriculum development at Pioneer School revolves around the California Common Core Standards. The writing and implementation of the Twin Rivers Unified School District's curriculum is an ongoing process. The district's curriculum guides are updated regularly to align with the state standards, district goals, and the statewide assessment program. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

### Student Recognition

Pioneer School's comprehensive student recognition program contributes to the positive environment of the school and includes classroom and schoolwide awards. There is a schoolwide focus on achievement and citizenship. Students are recognized for the following:

- Student of the Month
- Student of the Week
- Academic Achievement Award
- Principal's Award
- Perfect Attendance
- Panther Pride Awards

#### Extracurricular Activities

Pioneer School recognizes that extracurricular activities enrich the educational and social development and experiences of students. Extracurricular activities offered at Pioneer School include the following:

- After School Math Academies
- Master's After School Program
- Basketball
- Student Government
- After School Language Arts Academies
- Spirit Days
- Spring Festival
- Field Days
