2013-14 School Accountability Report Card

Principal's Message

Rio Linda Preparatory Academy is in its fifth year of existence and working to develop a unique culture that fosters academic excellence in a safe and optimistic learning environment.

Our school is a 5th through 8th grade middle school configuration in the Twin Rivers Unified School District. The students, teachers, parents, community members, volunteers and district personnel are very excited and optimistic about the school's academic potential. We have had a year of successful collaboration with Dry Creek Elementary and Rio Linda High School (RLHS) to grow our MESA and AVID students by continuous academic development. We expect to triple the number of RLPA students taking high school classes at RLHS. The objective of our three schools is to prepare our students for college and the work force. Our long term goal is to foster a seamless kindergarten through twelfth grade program with our neighboring feeder schools. We welcome students from outside our district and neighboring schools as well.

Rio Linda Preparatory Academy is committed to meeting the needs of all our students while raising students, parents, staff, volunteers, and community members' academic capacity. Our school offers MESA, Project Lead the Way (Engineering Program), Honors/GATE, and school wide AVID and early access to high school classes which prepares all students for a successful high school experience.

Our 8th grade students have the opportunity to take classes at Rio Linda High School such as Pre-Agriculture, Band, Choir, Geometry, Junior ROTC, and other classes. Taking classes at the high school while at Rio Linda Preparatory Academy gives students the opportunity to acquire high school credits while attending middle school.

Parent and family involvement is a key to the success of our students and school. Registered volunteers are at school on a daily basis to support student learning. We also have a Parent Center that families can utilize for classroom support as well as checking their student's progress using School Loop. Our volunteer parents work along with the teachers, administration, and our after school program support our students in their academic growth. Rio Linda Preparatory Academy also welcomes community volunteers to support students.

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

School Mission Statement

Mission Statement

Rio Linda Preparatory Academy will develop a learning partnership that includes students, families and the school community to engage students as lifelong learners in a safe and caring environment.

Vision Statement

Rio Linda Preparatory Academy, in partnership with the community, will provide students exploratory experiences and skills that enable them to reach their fullest potential as independent thinkers and lifelong learners. By providing a diversified curriculum and a school environment that fosters civic pride, citizenship, self-esteem and respect for individual differences, we seek to address the unique needs of the early adolescent in a changing society.

District & School Profile (School Year 2014-15)

Twin Rivers Unified School District is California's newest unified school district, combining the former North Sacramento, Del Paso Heights, Rio Linda Union, and Grant Joint Union High School Districts. Started in the 2008-09 school year, Twin Rivers Unified School District is located in Sacramento County and has 30 elementary schools, 5 middle schools, and four high schools. Our district also offers families the option of two alternative schools, a special education center, an independent learning center, two adult education centers, one community day school, one opportunity school, preschools and three dependent charter schools.

Rio Linda Preparatory Academy had a beginning enrollment of 420 students in grades five through eight for the 2013-14 school year.

Enrollment By Ethnicity Or Student Group (School Year 2013-14)

This chart illustrates the enrollment trend by ethnicity or student group.

School Enrollment & Attendance (School Year 2013-14)

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at Rio Linda Preparatory Academy. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

This chart illustrates the enrollment trend by grade level for the past three school years.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Highly Qualified Teachers (School Year 2013-14)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified". Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

NCLB Compliant Teachers		
	% of Core Academic Courses Taught By NCLB Compliant Teachers	% of Core Academic Courses Taught By Non-NCLB Compliant Teachers
School	100.0%	0.0%
District	75.3%	24.7%
High-Poverty Schools in District	75.3%	24.7%
Low-Poverty Schools in District	N/A	N/A

Teacher Assignment

The district recruits and employs the most qualified credentialed teachers. This chart shows information about teacher credentials.

Fully Credentialed	20	0	18	1181
Without Full Credentials	1	0	2	14
Working Outside Subject	3	0	1	53

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Instructional Materials (School Year 2014-15)

Twin Rivers Unified held a public hearing on October 7, 2014, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in June 2014, about the quality, currency, and availability of the standards-aligned textbooks and the instructional materials used at the school.

School Facilities & Safety (School Year 2014-15)

The current facilities were built in 1952, and consists of 31 classrooms, a gym, a library, three computer rooms, and a staff lounge. There are also two carts that provide students with access to laptops.

The Safety Plan is evaluated and revised annually in the fall by school site staff members. Revisions to the Safety Plan are communicated to all staff members annually. Key elements to the safety plan include evacuation plans, drills, shelter-in-place, and dismissal procedures. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

School Facility Conditions				
Date of Last Inspection: 09/09/2014				
Overall Summary of School Facility Conditions: Good				
Items Inspected	Facility Component System Status			Deficiency & Remedial Actions Taken or Planned

External (Grounds, Windows, Doors, Gates, Fences)	X			

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. The custodians ensure that all classrooms and facilities are in adequate condition.

A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems. For the 2014-15 school year, the district has budgeted \$1,775,000.00 for the deferred maintenance program. This represents 0.72% of the district's general fund budget.

B. Pupil Outcomes State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its predecessor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress/Standardized Testing and Reporting Results

California EC Section 60640 authorized the replacement of the Standardized Testing and Reporting (STAR) Program with a new assessment program, referred to as the CAASPP. On March 7, 2014, the U.S Department of Education (ED) approved California's waiver request for flexibility in assessment and accountability provisions of Title I of the Elementary and Secondary Education Act (ESEA). Science assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in science (for grades 5, 8, and 10), for the most recent three-year period.

**Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

California Standards Test

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English/language arts, mathematics, and social science, for the most recent three-year period. NOTE: CST was last administered in 2012-13.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

California Standards Test (CST)									
Subject	School			District			State		
	2011	2012	2013	2011	2012	2013	2011	2012	2013

**Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

Statewide Rank: Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

Note: For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

The table displays the school's API ranks and actual API point changes by student group for the past three years.

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority:

- Pupil outcomes in the subject areas of English, mathematics, and physical education.

Physical Fitness (School Year 2013-14)

In the spring of each year, Twin Rivers Unified schools are required by the state to administer a physical fitness test to all students in fifth, seventh and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students that meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ).

Percentage of Students in Healthy Fitness Zone			
2013-14			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	24.2%	19.4%	-
7	24.1%	19.7%	2.2%

**Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

Engagement State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Parent & Community Involvement (School Year 2014-15)

Parents play an integral role at Rio Linda Preparatory Academy through participation and involvement in the School Site Council, the Parent Teacher Association (PTA), English Language Advisory Committee (ELAC) and District Advisory Committee. Parents are also encouraged to volunteer in classrooms, school activities and as field trip chaperones. In addition, Rio Linda Preparatory Academy has daily community members who volunteer in various capacities. Thanks to the effort of our parents there are now more opportunities for them to work with students and staff to assist RLPA to increase student achievement.

Contact Information

Parents who wish to participate in Rio Linda Preparatory Academy leadership teams, school committees, school activities or become a volunteer may contact the school's office at (916) 566-2720.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Discipline & Climate for Learning

Rio Linda Preparatory Academy fosters an atmosphere that is conducive to learning, both on campus and at school related activities. The school places emphasis on the safety and well being of everyone at the school and believes that students have a right to learn and teachers have a right to teach. School rules and policies, dress code, attendance, and disciplinary procedures, are sent home to parents and students at the beginning of the school year as well as upon enrollment for new students. The rules, policies and procedures are reviewed at the beginning of school each year with the students as well as ongoing correspondence sent home to parents. Morning announcements are given daily at the start of each day to keep everyone informed about daily events. In addition, the morning announcements remind students about a variety of rules throughout the year.

The suspensions and expulsions for the past three years are illustrated in the chart.

Suspensions are reported as total number of incidents, not students suspended, as some students may have been suspended on multiple occasions. Rio Linda Preparatory Academy believes in fostering the whole student. The latter being the case, when necessary, students who have been suspended are counseled and when appropriate, tailored interventions are put into place to support students' growth towards personal maturity. Suspensions and expulsions rates reflect incidents divided by total enrollment. Suspensions are a last resort consequence unless the education code states otherwise.

The three-year statewide rates for comparison are as follows:

2011-12: 5.7%

2012-13: 5.1%

2013-14: 4.4%

The statewide expulsion rate has been 0.1% for each of the last three years.

Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2014-15)

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

Counseling & Support Staff (School Year 2013-14)

In addition to academics, the staff at Rio Linda Preparatory Academy strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school values the importance of on-site counseling and has procedures in place to ensure that students receive the services they need. The chart below lists support staff that are available to all students at Rio Linda Preparatory Academy.

Students with special education needs are accommodated with a variety of options and in the least restrictive environment. The support staff develops an Individual Education Plan (IEP) for any student with emotional, social, and/or developmental disabilities. The IEP defines the individualized instruction a special needs student will receive, which may include placement in one of the Special Day Classes, the Resource Specialist Program, and/or sessions with the Speech/Language Specialist.

Rio Linda Preparatory Academy offers support to better prepare students whose primary language is not English and who have limited proficiency in English to meet the state's academic content and performance standards. Students are identified as English Learners through the California English Language Development Test (CELDT). A three-period block of English Language Development instruction is offered for students in grades seven and eight to help students achieve fluency in English.

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

School Leadership

Beginning in the school year 2010-11 Maria C. Sevilla assumed the leadership of Rio Linda Preparatory Academy. Ms. Sevilla's prior professional experiences include working as a vice principal at Foothill Farms Junior High, Rio Linda High School and Sacramento High School. Prior to serving in administration, Ms. Sevilla has had vast experience teaching at the elementary, secondary and college levels.

Leadership at Rio Linda Preparatory is a responsibility shared between site administrators, staff and parents. Staff members participate on Site Leadership Team and other school committees. They contribute in the decision making process affecting student growth academically, behaviorally and socially.

Opportunities for leadership include:

- Professional Learning Community (PLC)
- Site Leadership Team
- BEST Practices
- School Site Council (SSC)
- English Language Advisory Committee (ELAC)
- Student Leadership Advisory

At Risk Interventions

Rio Linda Preparatory Academy provides after-school tutoring in English/ Language Arts and Mathematics for those students performing below grade-level standards or who are at risk of retention.

Teacher Evaluation & Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and both formal and non-formal, non-evaluative observations are designed to promote high quality instruction as well as comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by an administrator, who has been trained and certified for competency to perform teacher evaluations.

Evaluation criteria are adapted from the California Standards for the Teaching Profession and address the following domains: Engaging and Supporting All Students in Learning, Creating and Maintaining Effective Environments. Understanding and Organizing Subject Matter, Planning Instruction and Designing Learning Experiences, Assessing Student Learning, and Developing as a Professional Educator.

Teachers and other certificated staff build skills and develop educational concepts through the participation in conferences and after school workshops throughout the year. In the 2013-2014 school year, Twin Rivers Unified School District offered 2 non-student professional development days for elementary teachers and secondary teachers. Professional Learning Communities (PLCs) were organized, met regularly, and collaborated during dedicated periods at each school site during late-start days. Professional development sessions were focused on Transitioning/ Implementation of the Common Core Standards for all grade levels. These strategies include teaching practices for promoting 21st century skills. For the 2013-2014 year, the district supported approximately 73 beginning teachers through the district's BTSA program and coached a cohort of NBCT (National Board Certification for Teachers) candidates. TRUSD recognized 5 brand-new National Board Certified Teachers at the end of the year.

Teacher & Administrative Salaries (Fiscal Year 2012-13)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the districts budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE Web site, www.cde.ca.gov.

Curriculum Development

Rio Linda Preparatory Academy is a middle school providing access to California State Content Standards in all core subjects. Students are provided intervention through the use of a support class that teaches the underlying skills needed to reinforce concepts necessary for success in the standards-based class.

Student learning is monitored in an ongoing basis through a variety of formative benchmark assessments which are also mapped to quarterly and summative assessments. Core curriculum classes have established quarterly assessments and/or summatives. All assessment is tied to the California State Content Standards.

Student Recognition

A well-developed student recognition program contributes to the positive environment of the school. Student body assemblies are held each trimester to recognize students who exhibit positive behavior and academic achievement. In addition, our school has a Renaissance program that motivates our students to focus on academics and to grow socially. Students with perfect attendance also receive recognition.

Other opportunities for recognition at Rio Linda Preparatory Academy include:

- Squire of the Month
- Most Improved Squire of the Month
- Trimester Grade Point Average Recognition
- Squire Quest Renaissance Program
- Honor Student and Sport Team recognition assemblies
- Monthly Individual Letters to Students
