2013-14 School Accountability Report Card

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

School Mission Statement

Our mission is to provide a safe and supportive environment in which all children can develop the tools necessary to achieve their individual goals.

District & School Profile (School Year 2014-15)

Twin Rivers Unified School District is California's newest unified school district, combining the former North Sacramento, Del Paso Heights, Rio Linda Union, and Grant Joint Union High School Districts. Started in the 2008-09 school year, Twin Rivers Unified School District is located in Sacramento County and has 30 elementary schools, 5 middle schools, and four high schools. Our district also offers families the option of two alternative schools, a special education center, an independent learning center, two adult education centers, one community day school, one opportunity school, preschools and three dependent charter schools.

Pathways School had a beginning enrollment of 23 students in grades kindergarten through six for the 2013-14 school year. Student demographics are illustrated in the chart.

Enrollment By Ethnicity Or Student Group (School Year 2013-14)

This chart illustrates the enrollment trend by ethnicity or student group.

Enrollment by Student Group	
2013-14	
	<u>Percentage</u>
African American	26.1%

Students with Disabilities	30.4%

School Enrollment & Attendance (School Year 2013-14)

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at Pathways Community Day School. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

This chart illustrates the enrollment trend by grade level for the past three school years.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Highly Qualified Teachers (School Year 2013-14)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified". Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

NCLB Compliant Teachers		
	% of Core Academic Courses Taught By NCLB Compliant Teachers	% of Core Academic Courses Taught By Non-NCLB Compliant Teachers
School	100.0%	0.0%
District	75.3%	24.7%
High-Poverty Schools in District	75.3%	24.7%
Low-Poverty Schools in District	N/A	N/A

Teacher Assignment

The district recruits and employs the most qualified credentialed teachers. This chart shows information about teacher credentials.

	Teacher Credential Status			District 14-15
	School 12-13	School 13-14	School 14-15	
Fully Credentialed	6	0	8	1181
Without Full Credentials	0	0	0	14
Working Outside Subject	1	0	0	53

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Misassignments/Vacancies

Instructional Materials (School Year 2014-15)

Twin Rivers Unified held a public hearing on October 7, 2014, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in June 2014, about the quality, currency, and availability of the standards-aligned textbooks and the instructional materials used at the school.

District-Adopted Textbooks

School Facilities & Safety (School Year 2014-15)

The current facilities were built in 2000. The school consists of 2 classrooms located on the Vineland campus.

School safety is a primary concern of Pathways School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Each classroom and office area has an Emergency Preparedness Guide. The school at large has regular fire drills, lockdown, and duck and cover procedure rehearsals. The Safety Plan is evaluated annually and revisions are communicated to all staff members.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. Two full-time custodians shared with Vineland Preschool ensures that all classrooms and facilities are in adequate condition.

A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems. For the 2014-15 school year, the district has budgeted \$1,775,000.00 for the deferred maintenance program. This represents 0.72% of the district's general fund budget.

B. Pupil Outcomes State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its predecessor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress/Standardized Testing and Reporting Results

California EC Section 60640 authorized the replacement of the Standardized Testing and Reporting (STAR) Program with a new assessment program, referred to as the CAASPP. On March 7, 2014, the U.S Department of Education (ED) approved California's waiver request for flexibility in assessment and accountability provisions of Title I of the Elementary and Secondary Education Act (ESEA). Science assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in science (for grades 5, 8, and 10), for the most recent three-year period.

The second table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

California Standards Test

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English/language arts, mathematics, and social science, for the most recent three-year period. NOTE: CST was last administered in 2012-13.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

**Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

Statewide Rank: Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

Note: For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

The table displays the school's API ranks and actual API point changes by student group for the past three years.

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority:

- Pupil outcomes in the subject areas of English, mathematics, and physical education.

Physical Fitness (School Year 2013-14)

In the spring of each year, Twin Rivers Unified schools are required by the state to administer a physical fitness test to all students in fifth, seventh and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students that meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ).

Percentage of Students in Healthy Fitness Zone			
2013-14			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	-	-	-

**Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

Engagement State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Parent & Community Involvement (School Year 2014-15)

Parents are invited to participate in any part of their child's day. Parents are invited to attend a minimum of two parent conferences and/or review meetings regarding their child's progress toward exiting the Community Day School program. Barbeque events, parent education nights and fieldtrips are opportunities for parents to be involved. Home visits are conducted once or twice a year to continue building relationships with students and parents.

A schedule of bi-monthly events called Family Fun Nights bring parents to the school to eat dinner, visit with one another and the faculty and to focus on student learning in different disciplines. We have scheduled Math Night, and Make and Take Night, along with traditional Open House and Back to School Nights.

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Pathways Community Day School at (916) 566-1980.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Discipline & Climate for Learning

Another major role of education is to help prepare children to become responsible citizens. Pathways Community Day School's purpose is to help to reinforce the concept of self-discipline and personal responsibility. Working together, parents and teachers help students understand and follow school expectations. Through this effort, we can all help each student live a safe, orderly, and enjoyable life at school, home and in the community.

High expectations are necessary for positive discipline. In order to maintain an environment conducive to the highest quality of education, there must be certain disciplinary policies relating to student conduct. All school personnel are mutually responsible for managing student conduct, safety, and the enforcement of school policies and regulations.

The suspensions and expulsions for the past three years are illustrated in the chart. Suspensions are reported as total number of incidents, not students suspended, as some students may have been suspended on multiple occasions. Suspensions and expulsions rates reflect incidents divided by total enrollment.

The three-year statewide rates for comparison are as follows:

2011-12: 5.7%
2012-13: 5.1%
2013-14: 4.4%

The statewide expulsion rate has been 0.1% for each of the last three years.

Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2014-15)

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

School Leadership

Leadership at Pathways Community Day is a responsibility shared between district administration, the principal, instructional staff, students, and parents. The district's emphasis is on a well-balanced and rigorous core curriculum at all grade levels. Instructional programs are aligned with state and district standards. Primary leadership duties were assumed by Principal Axel Hannemann. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the school plan to ensure the instructional program is consistent with students' needs and the school plan complies with district goals.

Counseling & Support Staff (School Year 2013-14)

It is the goal of Pathways Community Day School to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. The table lists the support services personnel available at Pathways Community Day School.

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
Nurse	1	0.6
Psychologist	1	0.92
SDC Teacher	5	5.0
Speech and Language Specialist	2	2.34

Teacher Evaluation & Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and both formal and non-formal, non-evaluative observations are designed to promote high quality instruction as well as comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by an administrator, who has been trained and certified for competency to perform teacher evaluations. Evaluation criteria are adapted from the California Standards for the Teaching Profession and address the following domains: Engaging and Supporting All Students in Learning, Creating and Maintaining Effective Environments, Understanding and Organizing Subject Matter, Planning Instruction and Designing Learning Experiences, Assessing Student Learning, and Developing as a Professional Educator.

Teachers and other certificated staff build skills and develop educational concepts through the participation in conferences and after school workshops throughout the year. In the 2013-2014 school year, Twin Rivers Unified School District offered 2 non-student professional development days for elementary teachers and secondary teachers. Professional Learning Communities (PLCs) were organized, met regularly, and collaborated during dedicated periods at each school site during late-start days. Professional development sessions were focused on Transitioning/Implementation of the Common Core Standards for all grade levels. These strategies include teaching practices for promoting 21st century skills. For the 2013-2014 year, the district supported approximately 73 beginning teachers through the district's BSA program and coached a cohort of NBCT (National Board Certification for Teachers) candidates. TRUSD recognized 5 brand-new National Board Certified Teachers at the end of the year.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Curriculum Development

All curriculum development at Pathways Community Day School revolves around the California State Common Core Standards. The writing and implementation of the Twin Rivers Unified School District's curriculum is an ongoing process. The district's curriculum guides are updated regularly to align with the state standards, district goals, and the statewide assessment program. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

Student Recognition

Pathways Community Day School's comprehensive student recognition program contributes to the positive environment of the school and includes classroom and schoolwide awards. There is a schoolwide focus on achievement and citizenship. Students are recognized for the following:

- Monthly Attendance Awards
- Trimester Perfect Attendance Awards

Extracurricular Activities

Pathways Community Day School recognizes that extracurricular activities enrich the educational and social development and experiences of students. Extracurricular activities offered at Pathways Community Day School include the following:

- Guest Speakers
- Say No to Drugs
- Gang Awareness
