School Accountability Report Card

Principal's Message

The School Report Card, to be issued annually by local school boards for each elementary and secondary school in the state, provides a variety of information about the school, its resources, its successes, and the areas in which improvements are needed. Coast Union High School has a solid academic record and one whose strength is drawn from a dedicated, professional, caring faculty committed to meeting the needs of each student. Coast Union offers a secure environment where the students have opportunities to grow and achieve to the utmost of their individual abilities.

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Coast Union High at 927-3889.

School Profile

Coast Union High is one of 2 high schools in the Coast Unified. Curriculum is focused on meeting High School graduation and UC/CSU college entrance requirements. The school supports cultural awareness on a daily basis through its diverse literature selections and classroom instruction.

During the 2006/07, 320 9th-12th grade students were enrolled at the school, with classes arranged on an alternating block schedule and traditional school calendar.

Mission Statement

Coast Union High School is committed to the success of each individual student by promoting a healthy school environment which fosters the development of academic, social, and physical skills, including the development of positive self-esteem, through the combined efforts of students, faculty, staff, parents, administration and the community.

Parent Involvement

Coast Union High greatly benefits from its supportive parents who regularly work with students and staff to support Coast programs. Parents are also welcome to join the Bronco Boosters or the School Site Council.

Enrollment By Grade

This chart illustrates the enrollment trend by grade level for the past 3 school years.

Enrollment By Program

During the 2005/06 school year 342 students were enrolled at Coast Union High, of which 7.9% were students with disabilities, 17% were English Learners, and 31% were socioeconomically disadvantaged.

Class Size

Average class sizes vary by grade level and subject area taught. In addition to credentialed teachers, students receive assistance in the classroom from 2 part time aides and community volunteers. The table indicates the average class size by grade level or subject area, as well as the number of classes offered in reference to their enrollment.

Safe School Plan

Safety of students and staff is a primary concern of Coast Union High. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated in August 2007 by the School Safety Committee. All revisions were communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are held as needed. Students are supervised before and after school by certificated staff and principal, and principal supervises students during lunch. Certificated staff help with supervision during break periods and before and after school. There is a designated area for student drop off and pick up. Visitors must sign in at the front office upon arrival to campus.

Discipline & Climate for Learning

Students at Coast Union High are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. The goal of Coast Union High discipline program is to foster development of self-directed, responsible citizens. Parents and students are informed of school rules and discipline policies through the Parent/Student handbook and newsletters which are sent home at the beginning of the school year and through out the school year. The Suspensions and Expulsions table illustrates total cases for the last three years, as well as a percentage of enrollment. Suspensions are expressed in terms of total infractions, not number of students suspended, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives are exhausted. Students are encouraged to participate in the school's additional academic and extracurricular activities, which are an integral part of the educational program. These schoolwide and classroom incentives promote positive attitudes, encourage achievement, and aid in the prevention of behavioral problems. Extracurricular activities, clubs, and programs include: American Field Service (AFS), Associated Student Body (ASB), Bronco Band, California Scholarship Federation (CSF), Christian Club, Drama Club, Environmental Club, Federation of Christian Athletes (FCA), Future Business Leaders of America (FBLA), Interact club, and Mock Trial. The school's interscholastic athletic programs promote individual and team-oriented achievement and self-esteem through school-sponsored teams that compete with other schools in the area. Athletic programs include: Football, Girls Volleyball, Girls and Boys Tennis, Cross Country, Girls and Boys Basketball, Girls and Boys Soccer, Girls Softball, Boys Baseball, and Golf. School recognizes and celebrates the achievements and successes of students and staff on a regular basis. Students are recognized for their achievements during awards assemblies.

School Facilities

Coast Union High was originally constructed in 1925 and is comprised of 21 classrooms, 1 gym, 1 multipurpose room/cafeteria, 1 library, 1 staff lounge, and 3 computer labs. Recent remodeling included addition of 12 permanent classrooms, including a photo lab and 2 science labs. Cleaning Process: The principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review. Maintenance and Repair District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. Deferred Maintenance Budget: The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review. During the 2006/07 school year, the district's governing board did approve deferred maintenance projects for the school.

Teacher Assignment

Coast Unified recruits and employs the most qualified credentialed teachers. For the 2005/06 school year, Coast Union High had 22 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines. Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year. For the 2005/06 school year, the most current data are reported.

Highly Qualified Teachers

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified" no later than the end of the 2005-06 school year. Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

Substitute Teachers

The Coast Unified district has an adequate pool of fully credentialed and qualified substitutes in order to maintain continuity of instruction at Coast Union High. Generally, the district does not experience any problems finding qualified substitute teachers. When a substitute teacher is not available for an absent teacher, other teachers or the principal assumes the role of substitute.

Teacher Evaluation

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year. Evaluations are conducted by the Principal, who has been trained and certified for competency to perform teacher evaluations. Teachers are evaluated on the following criteria: Engaging and Supporting All Students in Learning, Understanding and Organizing Subject Matter for Student Learning, Assessing Student Learning, Creating and Maintaining Effective Environments for Student Learning, Planning Instruction and Designing Learning Experiences for All Students and Developing as a Professional Educator. Coast Unified offers programs to assist teachers, such as Beginning Teacher Support and Training (BTSA) and Peer Assistance and Review (PAR). BTSA is for new, credentialed teachers. Peer Assistance and Review (PAR) is lead by credentialed teachers who help recent California Basic Education Skills Test (CBEST) graduates who have yet to pass a specific subject exam. The PAR mentors also help Emergency Teaching Certificate teachers, as well as any teacher who may have received a poor evaluation from the principal.

Individualized Instruction

Coast Union High provides special education services to students who are in need. Programs and services designed to meet the student's needs are identified in the Individualized Education Plan (IEP). The Resource Specialist Program serves students with exceptional needs who are able to function in the regular classroom for the majority of the day. All students may access individualized instruction through tutoring provided by certificated staff at lunch, after school, and during the students P.A.S.S. (study hall) class. Individualized instruction is also provided to students in preparation for taking the CAHSEE.

At Risk Interventions

Coast Union High School provides extensive help to students for both academic and personal needs. Students' academic levels are assessed at least 3 times a year on a norm-referenced test. Students in need of remedial instruction are provided additional class time, support courses and individualized tutoring. Students meet regularly with an academic counselor and the school also provides individual and group counseling services.

Counseling & Support Staff

It is the goal of Coast Union High to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. The counselor to pupil ratio is 1:150. The table lists the support service personnel available at Coast Union High.

Curriculum Development

All curriculum development in the Coast Unified is based on the California State Content Standards and Frameworks. Curriculum guides are updated regularly by the Curriculum Coordinator, to align with the state standards, district goals, and the statewide assessment program. During the 2006/07, changes to the curriculum included: English Language Development program and materials and computer technology/business courses.

Instructional Materials

Coast Unified held a Public Hearing on September 14, 2006, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. A complete list of textbooks used can be found on the school's web site @ www.coastusd.org.

Data Sources

Data within the SARC was provided by Coast Unified School District, retrieved from the 2006-07 SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in the cities of Cambria, Cayucos and San Luis Obispo, which contain numerous computer workstations.

California Awards & Interventions

In the spring of 2007 Coast Union High School was awarded "California Distinguished School" recognition from the California Department of Education.

School Leadership

Leadership at Coast Union High is a responsibility shared between district administration, the principal, instructional staff, students, and parents. The district's emphasis is on a well-balanced and rigorous core curriculum at all grade levels. Instructional programs are aligned with state and district standards. For the past 3 years, leadership duties were assumed by Principal Karl Dearie. Principal Dearie has 23 years of experience in education with positions as a teacher and administrator. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals. Leadership teams include: School Site Counsel, WASC accreditation Teams.

Staff Development

Staff members build teaching skills and concepts by participating in many conferences and workshops throughout the year, then sharing their experiences and knowledge with district colleagues. The district dedicated 3 full days to staff development as well as ten "late start" staff development days annually. Topics for staff development during the 2006/07 school year included: Instructional Strategies, Technology, Classroom Management.

College Entrance Info

California high school students have two options for attending public universities in the State: Universities of California (UC), or California State Universities (CSU). There are eight UC campuses statewide, and 28 CSU schools. A college preparatory high school program includes a minimum of the following courses, referred to as the "A-G requirements."

- A: Two years of history/social science
- B: Four years of English
- C: Three years of college preparatory mathematics (Four recommended for UC)
- D: Two years of laboratory science (Three recommended for UC)
- E: Two years of a single language other than English (Three recommended for UC)
- F: One year of visual/performing arts
- G: One year of a college preparatory elective in one of the above subjects

All courses must be completed with a grade of "C" or better. The minimum GPA required for admission to a UC is 3.15, and 2.0 for the CSU system. For more information about admissions to UC schools, please visit www.ucop.edu/pathways. To prepare for entrance to a CSU school, visit www.csumentor.edu.

California Standards Test

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards). The combined percentage of students scoring at the Proficient and Advanced levels in English/Language Arts, Math, Social Science, Science, for the most recent three-year period, is shown. Summative scores are not available for Math (grades 8-11), Science (available for grades 5 and 8 only), and grade 9 Social Science. For results on course specific tests, please see <http://star.cde.ca.gov>.

Physical Fitness

In the spring of each year, Coast Union High is required by the state to administer a physical fitness test to all students in grades five, seven, and nine. The physical fitness test is a standardized evaluation that tracks the development of high-quality fitness programs and assists students in establishing physical activity as part of their daily lives. Results of student performance are compared to other students statewide who took the test.

Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. On an interim basis, the state has set 800 as the API score that schools should strive to meet. Statewide Rank: Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school). Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

Adequate Yearly Progress

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- Percent proficient on the state's standards-based assessments in ELA and Mathematics.
- API as an additional indicator.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP's, and the former school would be required to provide the transportation to the new site. Results of school and district performance are displayed in the chart.

Adequate Yearly Progress (AYP)

	English - Language Arts	Mathematics	English - Language Arts	Mathematics
Participation Rate	Yes	Yes	No	Yes
Percent Proficient	Yes	Yes	Yes	Yes
API School Results	Yes		Yes	
Graduation Rate	Yes		Yes	

Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

Dropout & Graduation Rates

Coast Union High believes that effective instruction consists of the continuous building of new concepts upon existing ones and requires regular attendance and participation. In hopes of preventing and reducing dropouts, the following programs are made available to students: Tutoring, summer school and alternative educational programs.

Graduation & Dropout Rates			
	03-04	04-05	05-06
Dropout Rate	0.00%	0.57%	0.58%
Graduation Rate	97.10%	98.70%	

Completion of High School Graduation Requirements

Beginning with the graduating class of 2006, students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2005-06 school year in the 12th grade, the table displays by student group the percent who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/hs/>. Note: "N/A" means that the student group is not numerically significant.

Career Technical Education (CTE) Programs

Coast Union High career planning program prepares students to succeed in real-world contexts through the development of conceptual thinking, effective communication, and the ability to apply knowledge and skills learned in the classroom. Instructors at Coast Union High have directed efforts toward establishing school-to-work structures within each curricular area for all students, including those with special needs. Guidance Counselors offer additional support through various programs, including: 10th and 11th grade interest inventories and career/educational planning, 12th grade post-secondary planning, and yearly individual 4 year educational and career planning.

Career Technical Education Participation

This table displays information about participation in the school's Career Technical Education (CTE) programs.

Enrollment & Program Completion in Career/ Technical Education (CTE) Programs (Carl Perkins Vocational and Technical Education Act)	
Question	Response
How many of the school's pupils participate in CTE?	1
What percent of the school's pupils complete a CTE program and earn a high school diploma?	100.0
What percent of the school's CTE courses are sequenced or articulated between the school and institutions of post secondary education?	0.0

UC/CSU Course Completion

Students at Coast Union High are encouraged to take University of California/California State University (UC/CSU) preparatory courses if they plan to attend a four-year university. All students must pass each course with a grade no lower than a 'C'.

UC/CSU Course Enrollment

% of Student Enrollment in Courses Required for UC/CSU Admission	54.0%
% of Graduates Who Completed All Courses Required for UC/CSU Admission	61.3%

* Duplicated Count (one student can be enrolled in several courses).

SAT-1

Each year, students have the opportunity to participate in the SAT, which is designed to assess many of the skills that are important to a student's success in college and their general educational development. Coast Union High does not offer a college admission test preparation course. The table displays the percent of the school's 12th grade students who voluntarily took the SAT Reasoning Test for college entrance, and average verbal, math, and writing scores of those students. Detailed information regarding SAT results, and comparisons of these average scores to the district and state levels, can be found at the CDE Web site.

Advanced Placement Classes

Coast Union High encourages students to continue their education past high school. Coast Union High offers Advanced Placement (AP) courses for those students seeking to qualify for college credit. Juniors and seniors achieving a score of three, four, or five on the final AP exams qualify for college credit at most of the nation's colleges. During the 2006/07, 64 students participated in taking 121 exams. 69 exams received a score of "3" or better.

California High School Exit Exam (CAHSEE)

The California High School Exit Exam is primarily used as a graduation requirement in California, but the results of this exam are also used to determine Adequate Yearly Progress (AYP) for high schools, as required by the Federal No Child Left Behind (NCLB) law. The CAHSEE has an English language-arts section and a math section and, for purposes of calculating AYP, three performance levels were set: Advanced, Proficient, and Not Proficient. The score a student must achieve to be considered Proficient is different than the passing score for the graduation requirement. The first table displays the percent of students achieving at the Proficient or Advanced level for the past three years. The second table displays the percent of students, by group, achieving at each performance level in English language-arts and math separately for the most recent testing period.
