Data within this report are reflective of the 2006-07 school year, unless otherwise noted.

Principal's Message

Laurelwood Elementary School is nestled at the base of the foothills of the Evergreen Valley in San Jose, California. We were awarded the honor of being named a California Distinguished School in 1995 and again in 2002. Our students continue to do well on all measures of achievement. As a result, our overall API is consistently well above 800 points. Likewise, we continue to excel with all individual target groups meeting their goals. While we rejoice in our accomplishments, we continue to challenge ourselves and seek new horizons, new opportunities, and new ways of operating that will result in high achievement for all.

2007-2008 School Accountability Report Card

Laurelwood Elementary School provides students with a comprehensive, balanced, and assessment-driven curriculum based on State Standards with defined performance levels. We set high expectations for every child and provide the support and enrichment each child needs to reach those expectations. We embrace the cultural diversity of our students, and believe that each child is more than the sum total of his/her assessment data, and has strengths and needs beyond the academic. Therefore, we provide a balanced curriculum that educates the whole child.

We measure our success one child at a time. As long as one child is not succeeding in any area, we have work to do. The "we" is important because we believe that education is a community affair and that the involvement and collaboration of all stakeholders is necessary to support student achievement.

School Mission Statement

Laurelwood is committed to providing an educational foundation for success. We set high expectations and provide a comprehensive, balanced, assessment-driven curriculum that educates the whole child. As a community that builds developmental assets, we foster a positive and caring environment where all students feel safe and supported. Working together, we can inspire them to become well-rounded, lifelong learners.

School & Community Profile

Evergreen Elementary School District, located in the city of San Jose, is comprised of 15 elementary schools and three middle schools. Once a small farming city, San Jose became a magnet for suburban newcomers between the 1960s and the 1990s, and is now the third largest city in California. The city is located in Silicon Valley, at the southern end of the San Francisco Bay Area, and is home to more than 973,000 residents.

Laurelwood Elementary, centrally located within the district's borders, served 401 kindergarten through sixth grade students during the 2006-07 school year on a traditional calendar schedule. Additionally, the 2006-07 student population consisted of 25.2% "Socioeconomically Disadvantaged," 21.4% "English Learners," and 17.0% "Students with Disabilities."

The school provides a family-oriented, nurturing, and safe place for students to learn, grow, and develop intellectually. Teachers, staff, and administrators continue to act on the principle that students come first.

Student Enrollment by Ethnic Group

	Percentage
African American	5.2%
American Indian	0.2%
Asian	26.7%
Caucasian	18.0%
Filipino	7.5%
Hispanic	41.1%
Pacific Islander	1.2%
Multiple or No Response	0.0%

Discipline & Climate for Learning

Students at Laurelwood Elementary are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. The goal of the school's discipline program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior.

The district has adopted the "Discipline with Dignity" program, which all schools utilize. Additionally, a partnership with Project Cornerstone has been forged, which promotes research-based developmental assets as a guiding framework for the support and healthy development of all children. The school supplements the district's discipline guidelines with the Courtesty & Responsibility Education (C.A.R.E.) Program, which emphasizes the *Six Pillars of Character*.

Parents and students are informed of school rules and discipline policies at the beginning of the school year through the Parent-Student Handbook. Ongoing school-to-home communication is facilitated through weekly newsletters, Back-to-School Night, Open House, parent-teacher conferences, emails, and the school website.

The suspensions and expulsions table illustrates total cases for the last three years, as well as a percentage of enrollment. Suspensions are expressed in terms of total infractions, not number of students suspended, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives are exhausted.

Suspensions & Expulsions									
		School		District					
	04-05	05-06	06-07	04-05	05-06	06-07			
Suspensions	27	19	11	691	613	787			
Suspension Rate	6.65%	4.83%	2.74%	5.17%	4.57%	5.90%			
Expulsions	0	0	0	14	29	36			
Expulsion Rate	0.00%	0.00%	0.00%	0.10%	0.22%	0.27%			

Student Recognition

Laurelwood Elementary recognizes and celebrates the achievements and successes of students and staff on a regular basis. These schoolwide and classroom incentives promote positive attitudes, encourage achievement, and aid in the prevention of behavioral problems. In addition to verbal praise and motivational incentives, ongoing recognition programs include:

- · C.A.R.E. Program Recognition
- Kindness Coins
- · Gold & Silver Honor Roll
- Perfect Attendance Awards
- Outstanding Citizenship Awards
- Student-of-the-Week
- Super Citizen
- Principal's Honor Roll
- Newsletter Recognition

Extracurricular Activities

Students are encouraged to participate in the school's additional academic and extracurricular activities, which are an integral part of the educational program. Extracurricular activities and programs include:

- Learning Academies
- Success Chess
- Spanish
- Student Council
- Choir

- Homework Club
- · Young Rembrandts Art
- Hands-on Science
- Enrichment Classes

School Enrollment & Attendance

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement. Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered.

Parents are advised of their responsibilities, including proper notification of when and why students are absent. Phone calls are made on a daily basis to the homes of absent students, while letters and home visits may occur when absences become habitual. The school reports excessive unexcused absences to designated authorities.

Students are referred to the district's School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school and when the normal avenues of classroom, school, and district counseling are not effective.

This chart illustrates the enrollment trend by grade level for the most recent three-year period.

Class Size

Average class sizes and pupilto-teacher ratios vary by grade level and subject area taught. Students receive additional in-class assistance from parent volunteers and instructional aides.

Enrol	Enrollment Trend by Grade Level									
	2004-05	2005-06	2006-07							
K	48	59	52							
1st	54	53	75							
2nd	59	58	62							
3rd	66	67	63							
4th	55	46	58							
5th	57	54	40							
6th	67	56	51							

The table indicates the average class size by grade level or subject area, as well as the number of classes offered in reference to their enrollment.

School Leadership

Leadership at Laurelwood Elementary School is a responsibility shared among district administration, the principal, instructional staff, students, and parents. Primary leadership duties at the school have been assumed by Principal Dan Deguara for the past four years. Prior to this position, Mr. Deguara served as an assistant principal, project specialist, and classroom teacher.

Staff members participate on various committees that make decisions regarding the priorities and direction of the educational plan. These teams ensure instructional programs are consistent with students' needs and comply with district goals. Avenues of opportunity include the following:

- Parent Teacher Association (PTA)
- Emergency Response Team (ERT)
- Curriculum Committees
- Grade Level Teams
- English Learner Advisory Committee (ELAC)
- School Site Council (SSC)

School Facilities & Safety

Laurelwood Elementary, originally constructed in 1971, is currently comprised of 18 permanent classrooms, three portable classrooms, four specialist classrooms, a computer lab, a library, a multipurpose room, three staff rooms, and two playgrounds.

The most recent additions to the campus occurred in 2008 and included installation of a new theatrical stage. All classroom interiors were also painted between 2005 and 2007, and lunch tables were installed on the outdoor patio in 2005. Additionally, the district passed a facilities bond measure in 2006 that will allow for future modernization.

The following chart displays the results of the most recent facilities inspection, provided by the district on March 3, 2008.

S	School Facility Conditions									
Date of Last Inspection: 11/02/2007										
Overall Summary of School Facility Conditions: Exemplary										
Items Inspected		ty Comp stem Sta		Deficiency & Remedial Actions Taken or Planned

Overall Cleanliness	Х									

School Safety

The safety of students and staff is a primary concern of Laurelwood Elementary. Students are supervised before school, during recess, and after school by teachers and administrators. Lunch supervision is provided by noon-duty aides. All visitors to the campus must sign in at the main office and wear a visitor's pass at all times during their stay on school grounds. There is also a designated area for student drop-off and pick-up at the front of the school.

The School Site Safety Plan was last reviewed and updated in fall 2007 by all staff and the Emergency Response Team (ERT). Any and all revisions to the plan are immediately communicated to classified and certificated staff. Key elements of the Safety Plan focus on the following:

- · School rules & procedures
- · Sexual harassment policy
- · Current status of school crime
- · Notification to teachers
- · Child abuse reporting procedures
- · Schoolwide dress code
- · Policies related to suspension/expulsion
- · Anti-tobacco & alcohol policies
- Disaster procedures/routine & emergency drills
- · Safe ingress & egress of pupils, parents, & school employees

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a rotating basis throughout the school year.

Cleaning Process

Laurelwood Elementary provides a safe and clean environment for students, staff, and volunteers. The district has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair

A scheduled maintenance program is administered by Laurelwood Elementary's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Evergreen Elementary School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received

Deferred Maintenance Budget

The State School Deferred Maintenance Budget Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes the following:

- Roofing
- · Heating & Air Conditioning
- Interior/Exterior Painting

- Plumbing
- Electrical Systems
- Floor Systems

For the 2007-08 school year, Evergreen Elementary School District has budgeted \$540,000 for the deferred maintenance program, which represents 0.5% of the district's general fund budget. Laurelwood Elementary is scheduled to receive deferred maintenance-funded projects during 2007-08 that will include roofing repairs and paving.

Data Sources

Data within the SARC was provided by Evergreen Elementary School District, retrieved from the 2006-07 SARC template, and/or located on Dataquest (http://data1.cde.ca.gov/dataquest).

Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and the community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

Textbooks & Instructional Materials

Pursuant to the settlement of *Williams vs. the State of California*, Evergreen Elementary School District thoroughly inspected each of its school sites at the start of the 2007-08 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent District Resolution on the Sufficiency of Textbooks was September 20, 2007.

All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom and to take home if necessary.

Additionally, all textbooks and instructional materials used within the District must be aligned with the California State Content Standards and frameworks, with final approval by the Board of Education. The textbook chart displays data collected in February 2008 in regards to the textbooks in use at the school during the current year (2007-08). The district does not currently have a Visual & Performing Arts curriculum adoption.

Additional instructional materials, such as leveled reading books, math manipulatives, maps, atlases, and science equipment, are specified for classroom use and available for every classroom. A fully automated library provides a complete collection of materials for research and recreational reading.

The library houses two computer workstations to which students have access for Accelerated Reader and STAR preparation. Each classroom contains between three and five computers for student use. There is also a 32-workstation mobile computer cart for student and classroom use. Students receive computer-assisted instruction on a regular schedule in order to work on specified programs and create multimedia products.

Educational technology includes appropriate hardware and software to facilitate student success. The school has wireless Internet access and this technology is used by students and staff to enhance teaching and learning. All adults are connected through e-mail as well as classroom phones located in each room. Schoolwide software such as Accelerated Reader, Microsoft Office Suite, Inspiration, Kidspiration, Renaissance Place, and Firefox web browser foster students' independent study and technology skills.

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit San Jose's public libraries which contain numerous computer workstations. For locations and hours of these branches, please visit http://www.sjlibrary.org/about/contacts/branches.htm.

	District-Adopted Textbooks

Student Achievement & Testing

In addition to the Standardized Testing and Reporting (STAR) program, students are assessed both formatively and summatively using a range of measurements. These include the Noyce Assessment, district proficiency assessments in reading and writing, publishers' assessments, and on-demand assessments

	CAT/6 N	lorm P	oforono	ad Toot

*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

Norm-Referenced Tests

Norm-Referenced Tests (NRT) are nationally administered multiple-choice achievement tests that provide statistical feedback on a national level. The purpose of these tests is to determine how well California students are achieving academically compared to students nationally in reading, language, spelling, and mathematics in grades 3 and 7 only. The current NRT adopted by the State Board of Education is the California Achievement Test, Sixth Edition(CAT/6). The CAT/6 chart reflects the percentage of student scores at or above the national average (50th percentile) in Reading and Mathematics.

Physical Fitness

In the spring of each year, Laurelwood Elementary is required by the state to administer a physical fitness test to all fifth grade students. The physical fitness test measures each student's ability to perform fitness tasks in six major areas:

- Aerobic Capacity
- Abdominal Strength
- Trunk Extension Strength

- Body Composition
- Flexibility
- Upper Body Strength

Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone" (HFZ). During the 2006-07 school year, 29.3% of Laurelwood Elementary's fifth grade students met or exceeded state fitness standards.

California Standards Test

The multiple-choice California Standards Tests (CST), part of the STAR program, are administered only to students in California public schools. These tests determine students' achievement in relation to meeting educational standards and goals and of the California Content Standards. They also provide feedback on their success, given what they are expected to know in each grade level and subject.

Students in grades 2-11 take an English/Language Arts and Mathematics test. Students in grades 4 and 7 also participate in an essay writing test. History-social science tests are given to students in grades 8, 10, and 11, and students in grades 5, and 8 through 11 take a science test.

Because tests are meant to measure how well students achieve standards rather than how well they do compared to other students, the results are reported as performance levels. The five performance levels are: advanced (exceeds State Standards), proficient (meets Standards), basic, below basic, and far below basic. Students scoring at the proficient or advanced level meet State Standards in that content area.

The combined percentage of students scoring at the "proficient" and "advanced" levels in English/Language Arts, Math, and Science, for the most recent three-year period, is shown.

^{*}Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

Training & Curriculum Improvement

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the past three years, the district has sponsored three staff development days annually where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies.

Before curriculum is adopted by the Board of Trustees, a committee comprised of teachers and administrators is formed to review state and district content standards, state frameworks, and student assessment data. The committee then reviews the State Board of Education approved materials and grade-level teams decide the two they believe most closely meet the needs of students. These two curriculums are piloted in the classroom and when consensus is reached a recommendation for adoption is made to the Board of Trustees. During the 2006-07 school year, the district adopted a new science curriculum for all kindergarten through eighth grade students.

Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

Statewide Rank: Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

Adequate Yearly Progress

The Federal No Child Left Behind (NCLB) Act requires that all schools and districts meet Adequate Yearly Progress (AYP) requirements. To meet these standards, California public schools and districts must meet or exceed criteria in four target areas:

- 1. Participation rate on statewide assessments
- 2. Percent of students scoring proficient on statewide assessments
- 3. API scores
- 4. Graduation rate for high schools

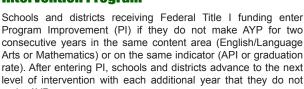

Results of school and district performance are displayed in the chart.

API School Results									
	04-05	05-06	06-07	2007 API Growth Score					
Statewide Rank	8	8	7						
Similar Schools Rank	10	10	8						
	All S	Students							
Actual Growth	19	-27	9	819

Actual Growth	63	-10	36	948					
	Hi	spanic							
Actual Growth	-15	-3	-19	724					
Caucasian									
Actual Growth	15	-65	3	846					

Only numerically significant subgroups for each reporting period are required to be presented in this report card. Numerically significant subgroups are comprised of (1) at least 100 students with valid test scores or (2) at least 15% of the school population tested and contains at least 30 students with valid scores.

School District

Counseling & Support Staff

In addition to academics, the staff at Laurelwood Elementary strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school has procedures in place to insure that students receive the services they need. Staff members are devoted to helping students deal with problems and assisting them to reach positive goals. The table below lists the support service personnel available at the school.

Federal Intervention Programs									
	School	District							
Program Improvement (PI) Status	Not in PI	Not in PI							
First Year in PI	-	-							
Year in PI (2007-08)	-	-							
# of Schools Currently in PI	-	0							
% of Schools Identified for PI	-	0.00%							

Counseling & Support Services Staff			
	Number of Staff	Full Time Equivalent	
Health Aide	1	0.8	
Nurse	1	0.1	
Psychologist	1	0.4	
Resource Specialist Program (RSP) Teacher	1	0.5	
RSP Aide	1	0.5	
Special Day Class Teacher	2	2.0	
Speech and Language Specialist	1	0.5	

A Gifted and Talented Education (GATE) program is offered for identified students. The units of study are thematic and vary throughout the year.

Special Education

Special education students receive therapeutic services such as Speech & Language Therapy, Occupational Therapy, and Adaptive Physical Education. The Resource Specialist Program (RSP) and Special Day Classes serve students with learning disabilities.

At-Risk Interventions

Laurelwood Elementary offers after-school learning academies for students who are struggling to meet grade-level standards. The Homework Club is also available for students in need of additional assistance.

English Learners

English Learner (EL) students receive direct, explicit English language instruction both in the classroom by the classroom teacher and in a pull-out program by an EL Specialist, as determined by need.

Teacher Assignment

Evergreen Elementary School District recruits and employs only the most qualified credentialed teachers. During the 2006-07 school year, Laurelwood Elementary staffed 19 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

Teacher Credential Status				
		School		District
	04-05	05-06	06-07	06-07
Fully Credentialed	17	19	19	602
Without Full Credentials	1	0	0	5
Working Outside Subject	0	0	0	3

Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year. For the 2007-08 school year, the most current data are reported.

Misassignments/Vacancies			
	05-06	06-07	07-08
Misassignments of Teachers of English Learners	2	1	1
Misassignments of Teachers (other)	0	0	0
Total Misassignments of Teachers	2	1	1
Vacant Teacher Positions	0	0	0

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered "Highly Qualified" no later than the end of the 2006-07 school year. Minimum qualifications include:

- · Possession of a Bachelor's Degree
- Possession of an appropriate California teaching credential
- Demonstrated competence in core academic subjects

NCLB Compliant Teachers		
	% of Core Academic Courses Taught By NCLB Compliant Teachers	% of Core Academic Courses Taught By Non-NCLB Compliant Teachers
School	94.70%	5.30%
District	94.00%	6.00%
High-Poverty Schools in District	0.00%	0.00%
Low-Poverty Schools in District	90.50%	9.50%

School Site Teacher Salaries

State law requires comparative salary and budget information to be reported to the general public. At the time of publication, the most recent salary comparison data from the state was for the 2005-06 school year. For comparison purposes, the California Department of Education has provided average salary data from elementary school districts having above 5,000 average daily attendance statewide.

The chart illustrates the average teacher salary at the school and compares it to the average teacher salaries at the district and state levels

Average Teacher Salaries	
School & District	
School	\$68,017
District	\$63,838
Percentage of Variation	6.54%
School & State	
All Elementary School Districts	\$61,005
Percentage of Variation	11.49%

Teacher & Administrative Salaries

The chart displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. Teacher and administrative salaries as a percent of a district's budget are also listed within the chart.

Average Salary Information Teachers - Principal - Superintendent			
2005-06 District State			
Beginning Teachers	\$44,368	\$39,984	
Mid-Range Teachers	\$71,795	\$63,798	
Highest Teachers	\$83,910	\$79,204	
Elementary School Principals	\$109,145	\$99,820	
Middle School Principals	\$113,590	\$102,340	
Superintendent	\$180,250	\$158,484	
Salaries as a Percentage of Total Budget			
Teacher Salaries	50.0%	43.0%	
Administrative Salaries	6.0%	5.0%	

District Expenditures & Revenue Sources

Evergreen School District spent an average of \$6,343 to educate each student, based on 2005-06 audited financial statements. The table provides a comparison of the school's per pupil funding (from both restricted and unrestricted sources) with district and state (unrestricted) sources.

Expenditures per Pupil			
School			
Total Expenditures Per Pupil	\$4,888		
From Restricted Sources	\$157		
From Unrestricted Sources	\$4,731		
District			
From Unrestricted Sources	\$4,785		
Percentage of Variation between School & District	1.13%		
State			
From Unrestricted Sources	\$4,943		
Percentage of Variation between School & State	4.29%		

In addition to general state funding, all schools within the district received state and federal categorical funding for the following support programs:

- Title I, Targeted Assistance
- Title II, Staff Development
- Title III, Economic Impact Aid
- Title V, Innovative Programs
- Title IV, Safe & Drug Free Schools & Communities
- Peer Assistance & Review (PAR)
- · School & Library Improvement Program
- · Gifted & Talented Education (GATE)
- Tobacco Use Prevention Education (TUPE)

Parent & Community Involvement

Public support for Laurelwood is incredible. In 2006-2007, parents and community members donated thousands of dollars and logged hundreds of hours volunteering. Their assistance has benefited Laurelwood students and assisted in improving school programs. In spring of 2007, the staff sent hundreds of invitations to parents and community members to attend our annual Volunteer Appreciation Event. This level of support is a direct manifestation of an ongoing outreach plan based on our collective belief that education is a community affair, or as the old African expression says, "It takes a village to teach a child."

During the 2005-2006 school year, parents organized and facilitated two important programs. Each month our ABC Parents visited classrooms to read a story that focused on building youth resiliency. We are excited that this program will continue in 2007-2008! Parents also helped run an afterschool homework club to assist students in completing their homework.

Our parents and community members work collaboratively with the staff as partners supporting and expanding student learning and strengthening the curriculum by participating in and/or coordinating such activities as:

· Book Fair

Art Fair

· Curriculum Night

International Day

Harvest Festival

· School Site Council Kinder Orientation

Fundraisers

- · Astronomy Night
- Math Night
- · Author's Fair
- Science Fair Talent Show
- Career Day
- Parent-Teacher Association (PTA)
- GATE Committee
- · Parent Advisory Council
- · Parenting Workshops
- English Learner Advisory Committee (ELAC)
- District English Learner Advisory Committee (DELAC)

Parents volunteer many hours in the classroom and library, chaperone field trips, tutor, assist in the office, participate and provide input on a variety of committees, fill out school surveys, and attend parent education classes. Typical parent education includes explanation of state standards, understanding rubrics, the School Improvement Plan, an analysis of assessment results, ways to help their children, adult English Language classes, and parenting classes.

Parents with limited English skills are offered an opportunity to attend weekly English Language classes. All parents are also invited to attend a training on how to help their child at home in each content area (writing, reading, math, science).

The school also receives support from numerous local businesses and community organizations. Support and donations from Albertson's, Office Depot, Target, General Mills, Campbell's, and Intel have greatly added to the quality of instruction and overall school environment.

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the school at (408) 270-4983.
