2007-2008 School Accountability Report Card

Principal's Message

Dove Hill Elementary School is located at the base of the Evergreen foothills in southeast San Jose. Our school is a cohesive partnership of students, parents, educators, support staff, and community members. Our school community takes pride in providing a quality education in a caring, supportive, and challenging environment. The students are encouraged to like and respect themselves and others, and to appreciate individual differences and successes. They are challenged to enthusiastically and willingly develop to their potential.

With the ever present themes of stewardship and school pride, Dove Hill Elementary School provides all students with a motivating environment in which to learn. This is reflected in the prevalent atmosphere that says, "We like being here!" Our group of highly professional educators demonstrates a positive attitude toward their profession, the Evergreen School District, and the Evergreen community they serve.

It should be noted that Dove Hill School was deemed a California Distinguished School for the 2003-2004 school year and a Title I Academic Achievement School for the 2006-2007 school year. We continue to be proud of this accomplishment, since it validates our continuing philosophy and practices. We also far surpassed our state growth target in regards to the Academic Performance Index. We continue to reach all targets for sub groups.

School Mission Statement

Dove Hill School is a cohesive partnership of students, parents, educators, support staff, and community members. This partnership takes pride in providing a quality education in a caring, supportive, challenging environment.

The students are encouraged to like and respect themselves and others, and to appreciate individual differences and successes. They are challenged to enthusiastically and willingly develop their potential. With a growing feeling of ownership and school pride, there is an opportunity for a new beginning at Dove Hill School.

This opportunity for a new beginning is reflected in the staff's rapid development of an atmosphere that says, 'We like being here!'. This group of highly professional educators demonstrates a positive attitude toward their profession, the Evergreen School District, and the Evergreen community they serve. The Dove Hill staff continues to grow professionally. They are highly effective communicators, who believe in cooperatively solving problems and sharing leadership. Above all, they are supportive, flexible, and energetic.

The Dove Hill community of parents and friends share and support the common goal of providing quality education for all students. This is evidenced through a sharing of resources and an open communication. A sense of belonging and involvement is developing that is expressed with a respect and appreciation for the diversity within. This supportive alliance between school and home blends the students, staff, and parents into a highly effective school community providing the opportunity for excellence in public education.

School & Community Profile

Evergreen Elementary School District, located in the city of San Jose, is comprised of 15 elementary schools and three middle schools. Once a small farming city, San Jose became a magnet for suburban newcomers between the 1960s and the 1990s, and is now the third largest city in California. The city is located in Silicon Valley, at the southern end of the San Francisco Bay Area, and is home to more than 973,000 residents.

Dove Hill Elementary, located in the southwestern quadrant of the district's borders, served 669 kindergarten through sixth grade students during the 2006-07 school year on a traditional calendar schedule. Additionally, the 2006-07 student population consisted of 59.5% "Socioeconomically Disadvantaged," 40.5% "English Learners," and 8.4% "Students with Disabilities."

The school provides a family-oriented, nurturing, and safe place for students to learn, grow, and develop intellectually.

Student Enrollment by Ethnic Group

2006-07	
	Percentage
African American	4.3%
American Indian	0.7%
Asian	30.5%
Caucasian	2.1%
Filipino	7.3%
Hispanic	52.8%
Pacific Islander	2.1%
Multiple or No Response	0.1%

Teachers, staff, and administrators continue to act on the principle that students come first.

Discipline & Climate for Learning

Students at Dove Hill Elementary are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. The goal of the school's discipline program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior.

The district has adopted the "Discipline with Dignity" program, which all schools utilize. Additionally, a partnership with Project Cornerstone has been forged, which promotes research-based developmental assets as a guiding framework for the support and healthy development of all children.

Parents and students are informed of school rules and discipline policies at the beginning of the school year through the Parent-Student Handbook. Ongoing school-to-home communication is facilitated through weekly newsletters, Back-to-School Night, Open House, parent-teacher conferences, emails, student planners, policy folders, and the school website.

The suspensions and expulsions table illustrates total cases for the last three years, as well as a percentage of enrollment. Suspensions are expressed in terms of total infractions, not number of students suspended, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives are exhausted.

Suspensions & Expulsions

Expulsion Rate	0.00%	0.00%	0.00%	0.10%	0.22%	0.27%

Student Recognition

Dove Hill Elementary recognizes and celebrates the achievements and successes of students and staff on a regular basis. These schoolwide and classroom incentives promote positive attitudes, encourage achievement, and aid in the prevention of behavioral problems. In addition to verbal praise and motivational incentives, ongoing recognition programs include:

- Honor Roll (Gold, Silver, & Bronze)
- Perfect Attendance Awards
- Accelerated Reader Raffle Tickets
- Courteous Cub Tickets
- Good Morning Club
- Homework Heroes

Extracurricular Activities

Students are encouraged to participate in the school's additional academic and extracurricular activities, which are an integral part of the educational program. In addition to extended day classes and a YMCA-sponsored after-school program, extracurricular activities and programs include:

- Drama Club
- Kid's Club

School Enrollment & Attendance

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement. Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered.

Parents are advised of their responsibilities, including proper notification of when and why students are absent. Phone calls are made on a daily basis to the homes of absent students, while letters and home visits may occur when absences become habitual. The school reports excessive unexcused absences to designated authorities.

Students are referred to the district's School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school and when the normal avenues of classroom, school, and district counseling are not effective. The chart illustrates the enrollment trend by grade level for the most recent three-year period.

School Facilities & Safety

Dove Hill Elementary, originally constructed in 1988, is currently comprised of 24 permanent classrooms, 14 portable classrooms, a computer lab, a library, a cafeteria/multipurpose room, a staff lounge, a parent resource room, and one playground.

Over the past few years, the school's blacktop and parking lot have been resurfaced, the kitchen walls have been repainted, cafeteria benches have been replaced, and all circuits and wiring have been upgraded. Additionally, the district passed a facilities bond measure in 2006 that will allow for future modernization.

School Safety

The safety of students and staff is a primary concern of Dove Hill Elementary. Students are supervised before school, during recess, and after school by teachers and administrators. Lunch supervision is provided by noon-duty aides and parent volunteers. All visitors to the campus must sign in at the main office and wear a visitor's pass at all times during their stay on school grounds. There is also a designated area for student drop-off and pick-up at the front of the school.

The School Site Safety Plan was last reviewed and updated in fall 2007 by the Emergency Response Team (ERT). Any and all revisions to the plan are immediately communicated to classified and certificated staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Current status of school crime
- Child abuse reporting procedures
- Policies related to suspension/expulsion
- Disaster procedures/routine & emergency drills
- Safe ingress & egress of pupils, parents, & school employees
- Sexual harassment policy
- Notification to teachers
- Schoolwide dress code

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a rotating basis throughout the school year. The following chart displays the results of the most recent facilities inspection, provided by the district on March 3, 2008.

Cleaning Process

Dove Hill Elementary provides a safe and clean environment for students, staff, and volunteers. The district has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair

A scheduled maintenance program is administered by Dove Hill Elementary's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Evergreen Elementary School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Deferred Maintenance Budget

The State School Deferred Maintenance Budget Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes the following:

- Roofing
- Heating & Air Conditioning
- Interior/Exterior Painting
- Plumbing
- Electrical Systems
- Floor Systems

For the 2007-08 school year, Evergreen Elementary School District has budgeted \$540,000 for the deferred maintenance program, which represents 0.5% of the district's general fund budget. Dove Hill Elementary is scheduled to receive deferred maintenance-funded projects during 2007-08 that will include paving repairs and/or upgrades.

School Leadership

Leadership at Dove Hill Elementary is a responsibility shared among district administration, the principal, instructional staff, students, and parents. Primary leadership duties at the school have been assumed by Principal Tina Choy since the start of the 2007-08 school year. Prior to this position, Ms. Choy served as an assistant principal, project specialist, and classroom teacher.

Staff members participate on various committees that make decisions regarding the priorities and direction of the educational plan. These teams ensure instructional programs are consistent with students' needs and comply with district goals. Avenues of opportunity include the following:

- Emergency Response Team (ERT)
- School Site Council (SSC)
- Technology Committee
- English Learner Advisory Committee (ELAC)
- Home & School Club
- Grade Level Leaders
- Sunshine Committee

Training & Curriculum Improvement

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the past three years, the district has sponsored three staff development days annually where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies.

Before curriculum is adopted by the Board of Trustees, a committee comprised of teachers and administrators is formed to review state and district content standards, state frameworks, and student assessment data. The committee then reviews the State Board of Education approved materials and grade-level teams decide the two they believe most closely meet the needs of students. These two curriculums are piloted in the classroom and when consensus is reached a recommendation for adoption is made to the Board of Trustees. During the 2006-07 school year, the district adopted a new science curriculum for all kindergarten through eighth grade students.

Data Sources

Data within the SARC was provided by the district, retrieved from the 2006-07 SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and the community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

Textbooks & Instructional Materials

Pursuant to the settlement of *Williams vs. the State of California*, Evergreen Elementary School District thoroughly inspected each of its school sites at the start of the 2007-08 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent District Resolution on the Sufficiency of Textbooks was September 20, 2007.

All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the District must be aligned with the California State Content Standards and frameworks, with final approval by the Board of Education.

The textbook chart displays data collected in February 2008 in regards to the textbooks in use at the school during the current year (2007-08). The district does not currently have a Visual & Performing Arts curriculum adoption.

Additional instructional materials, such as leveled reading books, math manipulatives, maps, atlases, and science equipment, are specified for classroom use and available for every classroom. A fully automated library provides a complete collection of materials for research and recreational reading.

The library has a large inventory and also a bank of PCs to which students have access. There is also a 32-workstation computer lab where students are scheduled to visit and to work on specified programs, and have an opportunity to create multimedia products.

Educational technology includes appropriate hardware and software to facilitate student success. The school has wireless Internet access and this technology is used by students and staff to enhance teaching and learning. All adults are connected through e-mail as well as classroom phones located in each room. Schoolwide software such as Accelerated Reader, Microsoft Office Suite, and Jump Start, and KidPix foster students' independent study skills.

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit San Jose's public libraries which contain numerous computer workstations. For locations and hours of these branches, please visit <http://www.sjlibrary.org/about/contacts/branches.htm>.

Student Achievement & Testing

In addition to the Standardized Testing and Reporting (STAR) program, students are assessed both formatively and summatively using a range of measurements. These include the Noyce Assessment, RESULTS assessments, district proficiency assessments in reading and writing, publishers' assessments, and on-demand assessments.

Norm-Referenced Tests

Norm-Referenced Tests (NRT) are nationally administered multiple-choice achievement tests that provide statistical feedback on a national level. The purpose of these tests is to determine how well California students are achieving academically compared to students nationally in reading, language, spelling, and mathematics in grades 3 and 7 only. The current NRT adopted by the State Board of Education is the California Achievement Test, Sixth Edition (CAT/6). The CAT/6 chart reflects the percentage of student scores at or above the national average (50th percentile) in Reading and Mathematics.

Physical Fitness

In the spring of each year, Dove Hill Elementary is required by the state to administer a physical fitness test to all fifth grade students. The physical fitness test measures each student's ability to perform fitness tasks in six major areas:

- Aerobic Capacity
- Abdominal Strength
- Upper Body Strength
- Body Composition
- Trunk Extension Strength
- Flexibility

Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone" (HFZ). During the 2006-07 school year, 38.1% of Dove Hill's fifth grade students met or exceeded state fitness standards.

California Standards Test

The multiple-choice California Standards Tests (CST), part of the STAR program, are administered only to students in California public schools. These tests determine students' achievement in relation to meeting educational standards and goals and of the California Content Standards. They also provide feedback on their success, given what they are expected to know in each grade level and subject.

Students in grades 2-11 take an English/Language Arts and Mathematics test. Students in grades 4 and 7 also participate in an essay writing test. History-social science tests are given to students in grades 8, 10, and 11, and students in grades 5, and 8 through 11 take a science test.

Because tests are meant to measure how well students achieve standards rather than how well they do compared to other students, the results are reported as performance levels. The five performance levels are: advanced (exceeds State Standards), proficient (meets Standards), basic, below basic, and far below basic. Students scoring at the proficient or advanced level meet State Standards in that content area.

The combined percentage of students scoring at the “proficient” and “advanced” levels in English/Language Arts, Math, and Science, for the most recent three-year period, is shown.

Parent & Community Involvement

Parents and the community are very supportive of the educational program at Dove Hill Elementary. Parents are encouraged to become involved in their child’s education by volunteering at the school, participating in activities, and joining school committees and councils such as the Home & School Club, English Learner Advisory Committee, and School Site Council.

Parent workshops focusing on reading, math, and homework are offered during the school year to better prepare families for the rigors of Dove Hill’s educational program. Parents with students in the GATE program are also encouraged to join the Evergreen Gifted Advisory Committee.

The school also receives support from numerous local businesses and community organizations. Support and donations from Santa Clara Bank, Evergreen Valley Church, Second Harvest, YMCA, and Office Max have greatly added to the overall school environment.

Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

Statewide Rank: Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

Adequate Yearly Progress

The Federal No Child Left Behind (NCLB) Act requires that all schools and districts meet Adequate Yearly Progress (AYP) requirements. To meet these standards, California public schools and districts must meet or exceed criteria in four target areas:

1. Participation rate on statewide assessments
2. Percent of students scoring proficient on statewide assessments
3. API scores
4. Graduation rate for high schools

Results of school and district performance are displayed in the chart.

Counseling & Support Staff

In addition to academics, the staff at Dove Hill Elementary strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students.

Only numerically significant subgroups for each reporting period are required to be presented in this report card. Numerically significant subgroups are comprised of (1) at least 100 students with valid test scores or (2) at least 15% of the school population tested and contains at least 30 students with valid scores.

Federal Intervention Program

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

The school has procedures in place to insure that students receive the services they need. Staff members are devoted to helping students deal with problems and assisting them to reach positive goals. The table lists the support service personnel available at the school.

Special Education

Special education students receive therapeutic services such as Speech & Language Therapy, Occupational Therapy, and Adaptive Physical Education. The Resource Specialist Program (RSP) and Special Day Classes serve students with learning disabilities.

At-Risk Interventions

Dove Hill Elementary offers an extended day enrichment program for all students. The YMCA also offers tutoring services after-school for any student who is struggling to meet grade-level standards.

English Learners

English Learner (EL) students receive direct, explicit English language instruction both in the classroom by the classroom teacher and in a pull-out program by an EL Specialist, as determined by need.

GATE

A Gifted and Talented Education (GATE) program is offered for identified students. The units of study are thematic and vary throughout the year.

Teacher Assignment

Evergreen Elementary School District recruits and employs only the most qualified credentialed teachers. During the 2006-07 school year, Dove Hill Elementary staffed 31 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

Teacher Credential Status				
	School			District
	04-05	05-06	06-07	06-07
Fully Credentialed	34	33	31	602

Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year. For the 2007-08 school year, the most current data are reported.

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered "Highly Qualified" no later than the end of the 2006-07 school year. Minimum qualifications include:

- Possession of a Bachelor's Degree
- Possession of an appropriate California teaching credential
- Demonstrated competence in core academic subjects

School Site Teacher Salaries

State law requires comparative salary and budget information to be reported to the general public. At the time of publication, the most recent salary comparison data from the state was for the 2005-06 school year. For comparison purposes, the California Department of Education has provided average salary data from elementary school districts having above 5,000 average daily attendance statewide.

The chart illustrates the average teacher salary at the school and compares it to the average teacher salaries at the district and state levels.

Average Teacher Salaries	
School & District	
School	\$64,745
District	\$63,838
Percentage of Variation	1.42%
School & State	
All Elementary School Districts	\$61,005
Percentage of Variation	6.13%

Teacher & Administrative Salaries

The chart displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. Teacher and administrative salaries as a percent of a district's budget are also listed within the chart.
